*'Volpone' in Context* - Keith Linley 2016-11-21  
Everything you need to know about the cultural contexts of 'Volpone'. The unremitting exposure of human vileness is black and bleak, redeemed perhaps by the eventual punishment of the wrongdoers in an outcome achieved more by luck than justice. This book provides detailed in-depth discussion of the various influences that a Jacobean audience would have brought to interpreting the play. How did people think about the world, about God, about sin, about kings, about civilized conduct, about the predatory impulses that drive men to prey upon each other? Historical, literary, political, sociological backgrounds are explained within the biblical-moral matrices by which the play would have been judged. This book links real life in the late 1600s to the world on the stage. Discover the orthodox beliefs people held about religion. Meet the Devil, the Seven Deadly Sins and human depravity. Learn about the social hierarchy, gender relationships, court corruption, class tensions, the literary profile of the time, attitudes to comedy - and all the subversions, transgressions, and oppositions that made the play a topical satire but also an unsettling picture of a world so close to disaster.  
*Dating a Widower* - Abel Keogh 2020-01-29  
Dating a widower comes with unique challenges that you won't encounter when dating a single or divorced man. For the relationship to work, the widower will have to put his feelings for his late wife to the side and focus on you. But how do you know if he's ready to take this step? Drawing on his own experience as a remarried widower, Abel Keogh provides unique insight and guidance into the hearts and minds of widowers, including: · Why widowers date so soon after their late wife dies · How to know if the widower is ready to make room in his heart for you · Red flags that indicate widowers aren't ready for commitment · How to set and maintain healthy relationship boundaries with widowers  
Dating a Widower is your guide to having a successful relationship with a man who's

starting over. It also contains 21 real-life stories from women who have gone down the same road you're traveling. It's the perfect book to help you decide if the man you're seeing is ready for a new relationship—and whether dating a widower is right for you. \*\*\* Abel Keogh is the expert on widower relationships. A remarried widower, Abel has successfully helped thousands of women know if the widowers they're dating are ready for a serious relationship. He also helps widowers understand what it takes to overcome grief and open their heart to another woman. Learn more at <http://www.abelkeogh.com>.

**Selves in Time and Place** - Debra Skinner 1998

Recently anthropology has turned to accounts of persons-in-history/history-in-persons, focusing on how individuals and groups as agents both fashion and are fashioned by social, political, and cultural discourses and practices. In this approach, power, agency, and history are made explicit as individuals and groups work to constitute themselves in relation to others and within and against sociopolitical and historical contexts. Contributors to this volume extend this emphasis, drawing upon their ethnographic research in Nepal to examine closely how selves, identities, and experience are produced in dialogical relationships through time in a multi-ethnic nation-state and within a discourse of nationalism. The diversity of peoples, recent political transformations, and nation-building efforts make Nepal an especially rich locale to examine people's struggles to define and position themselves. But the authors move beyond geographical boundaries to more theoretical terrain to problematize the ways in which people recreate or contest certain identities and positions. Various authors explore how people positioned by gender, ethnicity, and locale use cultural genres to produce aspects of identities and experiences; they examine how subjectivities, agencies and cultural worlds co-develop and are shaped through engagement with cultural forms; and they portray the

by guest

appropriation of multiple voices for self and group formation. As such, this collection offers a richly textured and complex accounting of the mutual constitution of selves and society.

**The Widows' Might** - Vivian Bruce Conger 2009-03

Explores how widows were portrayed in early American culture, and how widows themselves created identities in response to their unique roles. Utilizing widows' wills, prescriptive literature, court appearances, newspaper advertisements and letters, the author analyzes how widows in colonial Massachusetts, South Carolina, and Maryland navigated their domestic, legal, economic, and community roles in early American society.

**It's a Widow Thing** - Karen Booth 2022-05-12

He's on the fast-track to serious, and she's hitting the brakes. When cosmetics entrepreneur Sabrina Kelly waited until she was thirty-eight to marry, she never thought she'd be widowed by forty. Now, two years later, she's ready for a dip in the dating pool. And Michael, the merciless flirt who lives down the hall, seems like a fun way to get wet. He has "player" written all over him, but Sabrina's not looking for a love connection. Her heart can't take more than a fling. Wall Street mogul Michael Wright has ignored his mom's pressure to marry for years. But it's not until he has a health scare that he finally takes stock of his life. If he's going to settle down, only one woman comes to mind... his gorgeous, whip-smart neighbor, Sabrina. Their chemistry is off the charts. The banter? So. Hot. But while he's working overtime to woo her, she's holding back. Can two people running at different speeds get to happily-ever-after together? It's a Widow Thing is Book 3 in the Never Too Late series, arriving May 23, 2022. It features a cameo by Lela from Gray Hair Don't Care. HEA guaranteed!

*Flirting With The Law* - Vanessa Vale 2017-04-26  
Chasing the infamous Black Widow, they may be the ones getting caught. Maddie didn't want to be an outlaw, but fate forced her hand. Now she's known as the Black Widow, the wild and deadly leader of a group of women fugitives. The law has hunted them before, but Maddie can't walk away from her new life until justice is served. Jackson and Seth are experienced U.S. Marshals. Bringing in a rag-tag group of women outlaws should be easy. But one look at Maddie and everything changes. Right and wrong, lust and duty blur along the edges as these two rough cowboys discover the truth about Maddie's dark past--and fall in love. Who doesn't love a cowboy...or two? This steamy MFM historical romance is ALL about the woman.

**Masterful Women** - Kirsten E. Wood  
2005-12-15

Many early-nineteenth-century slaveholders considered themselves "masters" not only over slaves, but also over the institutions of marriage and family. According to many historians, the privilege of mastery was reserved for white males. But as many as one in ten slaveholders--sometimes more--was a widow, and as Kirsten E. Wood demonstrates, slaveholding widows between the American Revolution and the Civil War developed their own version of mastery. Because their husbands' wills and dower law often gave women authority over entire households, widowhood expanded both their domestic mandate and their public profile. They wielded direct power not only over slaves and children but also over white men--particularly

sons, overseers, and debtors. After the Revolution, southern white men frequently regarded powerful widows as direct threats to their manhood and thus to the social order. By the antebellum decades, however, these women found support among male slaveholders who resisted the popular claim that all white men were by nature equal, regardless of wealth. Slaveholding widows enjoyed material, legal, and cultural resources to which most other southerners could only aspire. The ways in which they did--and did not--translate those resources into social, political, and economic power shed new light on the evolution of slaveholding society.

**Woman and Empire** - Indrani Sen 2002  
Drawing Upon A Wide Range And Variety Of Literary And Non-Literary Sources Of Nineteenth Century British India, Woman And Empire Examines Perceptions Of Gender Over The 1858 1900 Period. The Book Focuses On Representations Of White And Indian Women, In Addition To Women Of Mixed Races, In Fiction As Well As In Colonial Newspapers And Journals.  
Pacific Rural Press - 1906

**Marvel's Black Widow from Spy to Superhero** - Sherry Ginn 2017-03-14  
First appearing in Marvel Comics in the 1960s, Natasha Romanoff, a.k.a. Black Widow, was introduced to movie audiences in Iron Man 2 (2010). Her character has grown in popularity with subsequent Marvel films, and fans have been vocal about wanting to see Black Widow in a titular role. Romanoff has potent appeal: a strong female character who is not defined by her looks or her romantic relationships, with the skill set of a veteran spy first for the KGB, then for S.H.I.E.L.D. This collection of new essays is the first to examine Black Widow and her development, from Cold War era comics to the Marvel Cinematic Universe.
