

How To Flirt With A Naked Werewolf Naked Werewolf 1 By Molly Harper

And One Last Thing ... - Molly Harper 2010-07-27

"If Singletree's only florist didn't deliver her posies half-drunk, I might still be married to that floor-licking, scum-sucking, receptionist-nailing hack-accountant, Mike Terwilliger." Lacey Terwilliger's shock and humiliation over her husband's philandering prompt her to add some bonus material to Mike's company newsletter: stunning Technicolor descriptions of the special brand of "administrative support" his receptionist gives him. The detailed mass e-mail to Mike's family, friends, and clients blows up in her face, and before one can say "instant urban legend," Lacey has become the pariah of her small Kentucky town, a media punch line, and the defendant in Mike's defamation lawsuit. Her seemingly perfect life up in flames, Lacey retreats to her family's lakeside cabin, only to encounter an aggravating neighbor named Monroe. A hunky crime novelist with a low tolerance for drama, Monroe is not thrilled about a newly divorced woman moving in next door. But with time, beer, and a screen door to the nose, a cautious friendship develops into something infinitely more satisfying. Lacey has to make a decision about her long-term living arrangements, though. Should she take a job writing caustic divorce newsletters for paying clients, or move on with her own life, pursuing more literary aspirations? Can she find happiness with a man who tells her what he thinks and not what she wants to hear? And will she ever be able to resist saying one . . . last . . . thing?

Nice Werewolves Don't Bite Vampires - Molly Harper 2020-09-28

The "enchanted" (Publishers Weekly) Jane Jameson series is back with a new paranormal romantic comedy about a werewolf yearning to find her own place world, and the group of admittedly unique vampires who help her find love. Tylene McClaine, black sheep of the McClaine Half-Moon Hollow werewolf pack, has spent a lifetime blocking out the criticisms of her boisterous pack. They say she's too bookish, too obstinate, and worst of all, too picky when it comes to finding a nice werewolf boy and settling down. But when she meets vampire and Half-Moon Hollow music teacher, Alex Bonfils, Tylene starts to wonder if she could create the life she's always wanted. She takes every precaution to meet her sexy vamp in secret, but when a vandal around town starts targeting vampire businesses, she fears her family might have found her out. When the damage in town escalates, Tylene and Alex join forces with Jane Jameson, Dick Cheney, and the whole vampire gang to find the culprit save Half-Moon Hollow before it's too late!

Nice Girls Don't Date Dead Men - Molly Harper 2009-08-25

Following *Nice Girls Don't Have Fangs*, the second in a hilarious, smart, sexy romantic series about an out-of-work librarian who is turned into a vampire. With her best friend Zeb's Titanic-themed wedding looming ahead, new vampire Jane Jameson struggles to develop her budding relationship with her enigmatic sire, Gabriel. It seems unfair that she's expected to master undead dating while dealing with a groom heading for a nuptial nervous breakdown, his hostile werewolf in-laws, and the ugliest bridesmaid dress in the history of marriage. Meanwhile, the passing of Jane's future step-grandpa puts Grandma Ruthie back on the market. Her new fiancé, Wilbur, has his own history of suspiciously dead spouses, and he may or may not have died ten years ago. Half-Moon Hollow's own Black Widow has finally met her match. Should Jane warn

her grandmother of Wilbur's marital habits or let things run their course? Will Jane always be an undead bridesmaid, never the undead bride? Combining Mary Janice Davidson's sass and the charm of Charlaire Harris's Sookie Stackhouse novels, this is an incredibly satisfying read for fans of paranormal romantic comedy.

Fledgling - Molly Harper 2019-07-23

"Molly Harper's *Changeling* is masterful fantasy—a spunky Cinderella story with a heroine who's equal parts compassion, determination, and pure magical delight." —Rachel Vincent, author of the *Soul Screamers* series and *The Stars Never Rise*, on *Changeling Days* away from completing her first year at Miss Castwell's Institute for the Magical Instruction of Young Ladies, Changeling-born Sarah Smith might just get away with posing as an upper-class Guardian girl named Cassandra Reed. But strange visions of a Lightbourne destroyed by Miss Morton's revenant army keep Sarah from enjoying her achievement. Plus, the *Mother Book*, Sarah's one secret advantage and the ultimate entrée in Guardian society, suddenly stops revealing itself to her...putting her in a precarious position with the Guild. On top of all that, her former lady's maid left Miss Castwell's, and the new hire is, well, taking some getting used to. If it weren't for her two best friends, Alicia McCray and Ivy Cowel, who will do anything to protect her secret, Sarah doesn't know if she'll make it another year. When the three girls take summer holiday with Alicia's family (chaperoned by an exacting and very disapproving Mrs. McCray), a relaxing vacation in Scotland is the last thing they'll find. Mrs. Winter is thrilled that Sarah is spending time with the influential McCray family, but Sarah can't help but feel that her real purpose is to find other Changeling children like her, and free them to realize their own magic. Can she find genuine satisfaction in her accomplishments when she knows there are others like her out there who need her help? Will the three girls uncover the deeply-held secrets they're looking for in the mysterious mountains of Scotland? Will the *Mother Book* finally start talking to her again? And will Sarah come to understand the importance of her connection with Ivy and Alicia, and the true nature of her own power...before it's too late? "Witty and classic, *Changeling* had everything I wanted from a coming of age story: friendship, scandal, and a heroine learning to flex her magical muscles. If you liked Harry Potter, you will love CHANGELING!" —Kristen Simmons, critically acclaimed author of the *Article 5* series, on *Changeling*

A Girl's Guide to Vampires - Katie MacAlister 2010-06-08

A Girl's Guide to Vampires is the first book in New York Times and USA Today bestselling author Katie MacAlister's wonderfully winning Dark Ones series—a perfect blend of sexy and fun that every devoted fan of Lynsay Sand's popular Argeneau vampire books will want to sink their teeth into. Joy Randall's Top 5 Tips for Vampire Hunters: Location, location, location. Vampires won't be caught dead (ha!) in places like discos, ten-minute lube shops, or Switzerland. Remember, if you wouldn't be there, neither would a bloodsucker. Trust your eyes. You know the handsome, annoyingly arrogant, self-assured man in the shadows with long hair and a cleft in his chin? He's your vampire. No matter how tempting it might be, do not "accidentally" acquire a paper cut on your finger and suggest your vampire kiss it to make it better. Play it cool. Don't offer to accompany your prince of the night on the talk-show circuit, and whatever you do, don't offer him your heart! Most of all, remember: being a vampire is nothing to laugh about. The story of a desperate ghost hunter who stumbles across a dashing bloodsucker who's looking for eternal love, A Girl's Guide to Vampires is funny, steamy, sensuous, and surprising—everything anyone could want from a paranormal romance.

Where the Wild Things Bite - Molly Harper 2016-07-26

In Molly Harper's witty new paranormal romance, a rare-book expert is delivering a package to Half Moon Hollow when her plane goes down, and a sexy vampire comes to her rescue. He's clearly got ulterior motives, but does he want to date her...or devour her? Delivering a rare book to a valued customer is definitely part of mild-mannered archivist Anna Whitfield's job description. You know what isn't? Protecting her precious cargo from mid-flight theft by the very pilot who is flying her to Half-Moon Hollow...while trying to appear as unappetizing as possible to the only other passenger, a vampire. Undead bookstore owner Jane Jameson could be waiting a very long time for her book. Possibly forever. Fortunately, Anna's dashing fanged companion Finn Palmeroy helps her fend off the attack, but not before their plane crash lands in the forest hundreds of miles from civilization. Great, now she's stranded with a priceless tome and a rakish vampire whose bedtime is fast approaching. Why does everyone want this book so badly, anyway? Anna just wants to get it to Jane before Finn decides to turn her into dinner—or sweep her off her feet. Okay, the second option is really tempting. But they're not out of the woods yet...

Nice Girls Don't Live Forever - Molly Harper 2009-12-29

UNEXPECTED UNDEAD BREAK-UP Nothing sucks the romance out of world travel like a boyfriend who may or may not have broken up with you in a hotel room in Brussels. Jane Jameson's sexy sire Gabriel has always been unpredictable, but the seductive, anonymous notes that await him at each stop of their international vacation, coupled with his evasive behavior over the past few months, finally push Jane onto the next flight home to Half Moon Hollow -- alone, upset, and unsure whether Gabriel just ended their relationship without actually telling her. Now the children's-librarian-turned-vampire is reviving with plenty of Faux Type O, some TLC from her colorful friends and family, and her plans for a Brave New Jane. Step One: Get her newly renovated occult bookstore off the ground. Step Two: Support her best friend, Zeb, and his werewolf bride as they prepare for the impending birth of their baby...or litter. Step Three: Figure out who's been sending her threatening letters, and how her hostile pen pal is tied to Gabriel. Because for this nice girl, surviving a broken heart is suddenly becoming a matter of life and undeath....

Nice Girls Don't Have Fangs - Molly Harper 2009-03-31

The first in the Half-Moon Hollow series is “wry, delicious fun” (Susan Andersen, New York Times bestselling author) as it follows a librarian whose life is turned upside down by a tempestuous and sexy

vampire. Maybe it was the Shenanigans gift certificate that put her over the edge. When children's librarian and self-professed nice girl Jane Jameson is fired by her beastly boss and handed twenty-five dollars in potato skins instead of a severance check, she goes on a bender that's sure to become Half Moon Hollow legend. On her way home, she's mistaken for a deer, shot, and left for dead. And thanks to the mysterious stranger she met while chugging neon-colored cocktails, she wakes up with a decidedly unladylike thirst for blood. Jane is now the latest recipient of a gift basket from the Newly Undead Welcoming Committee, and her life-after-lifestyle is taking some getting used to. Her recently deceased favorite aunt is now her ghostly roommate. She has to fake breathing and endure daytime hours to avoid coming out of the coffin to her family. She's forced to forgo her favorite down-home Southern cooking for bags of O negative. Her relationship with her sexy, mercurial vampire sire keeps running hot and cold. And if all that wasn't enough, it looks like someone in Half Moon Hollow is trying to frame her for a series of vampire murders. What's a nice undead girl to do?

How to Date Your Dragon - Molly Harper 2018-07-24

The first book in Molly Harper's uproariously funny, sinfully sexy new Mystic Bayou series! Anthropologist Jillian Ramsay's career has taken a turn south. Concerned that technology is about to chase mythological creatures out into the open (how long can Sasquatch stay hidden from Google maps?), the League for Interspecies Cooperation is sending Jillian to Louisiana on a fact-finding mission. While the League hopes to hold on to secrecy for a little bit longer, they're preparing for the worst in terms of human reactions. They need a plan, so they look to Mystic Bayou, a tiny town hidden in the swamp where humans and supernatural residents have been living in harmony for generations. Mermaids and gator shifters swim in the bayou. Spirit bottles light the front porches after twilight. Dragons light the fires under crayfish pots. Jillian's first assignment for the League could be her last. Mystic Bayou is wary of outsiders, and she has difficulty getting locals to talk to her. And she can't get the gruff town sheriff, Bael Boone, off of her back or out of her mind. Bael is the finest male specimen she's seen in a long time, even though he might not be human. Soon their flirtation is hotter than a dragon's breath, which Bael just might turn out to be... This book is based on the Audible Original audiobook.

Sweet Tea and Sympathy - Molly Harper 2017-11-21

From beloved author Molly Harper comes the first novel in the contemporary romance series, Southern Eclectic, about a big-city party planner who finds true love in a small Georgia town. Nestled on the shore of Lake Sackett, Georgia is the McCready Family Funeral Home and Bait Shop. (What, you have a problem with one-stop shopping?) Two McCready brothers started two separate businesses in the same building back in 1928, and now it's become one big family affair. And true to form in small Southern towns, family business becomes everybody's business. Margot Cary has spent her life immersed in everything Lake Sackett is not. As an elite event planner, Margot's rubbed elbows with the cream of Chicago society, and made elegance and glamour her business. She's riding high until one event goes tragically, spectacularly wrong. Now she's blackballed by the gala set and in dire need of a fresh start—and apparently the McCreadys are in need of an event planner with a tarnished reputation. As Margot finds her footing in a town where everybody knows not only your name, but what you had for dinner last Saturday night and what you'll wear to church on Sunday morning, she grudgingly has to admit that there are some things Lake Sackett does better than Chicago—including the dating prospects. Elementary school principal Kyle Archer is a fellow fish-out-of-water who volunteers to show Margot the picture-postcard side of Southern living. The two of them hit it off, but not everybody is happy to see an outsider snapping up one of the town's most eligible gentleman. Will Margot reel in her handsome fish, or will she have to release her latest catch?
