*A Woman In Love* - C. Dale Baldwin 2021-06-11  
Ravel told me the Bible says that love is an act, not a feeling. So what is this crazy emotion that keeps me holding on? My desire for him seems to take control, as he professes his love for me. How can I be so happy one minute and so sad another, while telling myself I can't go on like this? Yet I am so desperately in love. *A Woman In Love: Deception* is the account of a love so intoxicating that the lovers cannot get enough of each another. After Ravel and Clementine meet and fall in love, they marry twice. But then he becomes someone else, having psychotic episodes leading toward absences. Clementine's life is turned upside down. As if a switch is turned off, she feels Ravel is not the man she married. It becomes a triumph of a love so strong that she endures. He professes his love for her, and she cannot let him go. The heart wants what it wants. Clementine tries to understand the nature of his behavior, but to no avail. Their love story is a mind-altering state of ups and downs, with passions having a stronghold on Clementine, even as she must decide if she can persevere. *A Woman In Love: Deception, The Beginning* is the second book in a trilogy.

Love in the Time of Serial Killers - Alicia Thompson 2023-03-30  
'Unique, sexy, hilarious, charming... The true crime is NOT reading this novel!' Ali Hazelwood, author of *The Love Hypothesis* 'A criminally addictive romance... this book is sheer perfection from beginning to end' Rachel Lynn Solomon, author of *The Ex Talk* -- Turns out that reading nothing but true crime isn't exactly conducive to modern dating - and one woman is going to have to learn how to give love a chance when she's used to suspecting the worst. PhD candidate Phoebe Walsh has always been obsessed with true crime. She's even analysing

the genre in her dissertation - if she can manage to finish writing it. It's hard to find the time while she spends the summer in Florida, cleaning out her childhood home, dealing with her obnoxiously good-natured younger brother, and grappling with the complicated feelings of mourning a father she hadn't had a relationship with for years. It doesn't help that she's low-key convinced that her new neighbour, Sam Dennings, is a serial killer (he may dress business casual by day, but at night he's clearly up to something). But it's not long before Phoebe realises that Sam might be something much scarier - a genuinely nice guy who can pierce her armour to reach her vulnerable heart. What readers are saying about Love in the Time of Serial Killers: 'Do you know when you disappear into a book? You, your surroundings, everything, ceases to exist? This book was that for me' □ □ □ □ 'The cover is gorgeous, and the inside is fun, witty, relatable and so entirely sweet' □ □ □ □ 'This was such an enjoyable read. I really loved the depths given to Phoebe, the way she created walls around herself, the themes were developed organically and believably' □ □ □ □ 'Phoebe is one of the best female protagonists I've read in a long time' □ □ □ □ 'The whole thing made me laugh out loud and smile like an idiot sooo often' □ □ □ □ 'The book was witty and fun, but also thought out and honest' □ □ □ □

**No More Mr Nice Guy** - Robert A. Glover

2022-02-18

Originally published as an e-book that became a controversial media phenomenon, *No More Mr. Nice Guy!* landed its author, a certified marriage and family therapist, on *The O'Reilly Factor* and the *Rush Limbaugh* radio show. Dr. Robert Glover has dubbed the "Nice Guy Syndrome" trying too hard to please others while neglecting one's own needs, thus causing unhappiness and resentment. It's no wonder that unfulfilled Nice Guys lash out in frustration at their loved ones, claims Dr. Glover. He explains how they can stop seeking approval and start getting what they want in life, by presenting the information and tools to help them ensure their needs are met, to express their emotions, to have a satisfying sex life, to embrace their masculinity and form meaningful relationships with other men, and to live up to their creative potential.

**Untamed** - Glennon Doyle 2020-03-12

'This book will shake your brain and make your soul scream. I am so ready for myself after reading this book!' Adele 'Untamed will liberate women - emotionally, spiritually, and physically. It is phenomenal.' Elizabeth Gilbert, author of *City of Girls* and *Eat Pray Love* Who were you

before the world told you who to be? Part inspiration, part memoir, *Untamed* explores the joy and peace we discover when we stop striving to meet the expectations of the world, and instead dare to listen to and trust in the voice deep inside us. From the beloved New York Times bestselling author, speaker and activist Glennon Doyle. \*\*\*\*\* For many years, Glennon Doyle denied her discontent. Then, while speaking at a conference, she looked at a woman across the room and fell instantly in love. Three words flooded her mind: There. She. Is. At first, Glennon assumed these words came to her from on high but soon she realised they had come to her from within. This was the voice she had buried beneath decades of numbing addictions and social conditioning. Glennon decided to let go of the world's expectations of her and reclaim her true untamed self. Soulful and uproarious, forceful and tender, *Untamed* is both an intimate memoir and a galvanising wake-up call. It is the story of how one woman learned that a responsible mother is not one who slowly dies for her children, but one who shows them how to fully live. It is also the story of how each of us can begin to trust ourselves enough to set boundaries, make peace with our bodies, honour our anger and heartbreak, and unleash our truest, wildest instincts. *Untamed* shows us how to be brave. And, as Glennon insists, 'The braver we are, the luckier we get.'

*Women Who Run with the Wolves* - Clarissa Pinkola Estés Phd 1995-08-22

NEW YORK TIMES BESTSELLER • One million copies sold! "A deeply spiritual book [that] honors what is tough, smart and untamed in women."—The Washington Post Book World Book club pick for Emma Watson's Our Shared Shelf Within every woman there lives a powerful force, filled with good instincts, passionate creativity, and ageless knowing. She is the Wild Woman, who represents the instinctual nature of women. But she is an endangered species. For though the gifts of wildish nature belong to us at birth, society's attempt to "civilize" us into rigid roles has muffled the deep, life-giving messages of our own souls. In *Women Who Run with the Wolves*, Dr. Clarissa Pinkola Estés unfolds rich intercultural myths, fairy tales, folk tales, and stories, many from her own traditions, in order to help women reconnect with the fierce, healthy, visionary attributes of this instinctual nature. Through the stories and commentaries in this remarkable book, we retrieve, examine, love, and understand the Wild Woman, and hold her against our deep psyches as one who is both magic and medicine. Dr. Estés has created a new lexicon for describing the female psyche. Fertile and life-giving, it is a psychology of women in the truest sense, a knowing of the

soul.
