An interactive self-love book for young girls. The idea is to create positive thoughts around self-image. I want young girls to know that their differences are what makes them unique and beautiful. This book creates a daily affirmation for girls to say it every day. The psychology around positive thoughts has an understanding that when you speak and think positive thoughts it inspires a brighter outlook on life. When positive thoughts are spoken out loud on the continuous or consistent basis it's then internalized. I want all young girls to feel beautiful on the inside and outside without relying on feeling that way because someone told them they're beautiful. They should believe it for themselves regardless of what others think or say.

300 Things You Should Never Say to a Woman - Christa Zelle 2010-03

Perhaps there are a few out there who are smart enough to know better, yet obviously not all are that privileged. Keep in mind, all the stories contained in this book are true stories, so obviously not everyone is as practiced in the delicate art of saying something constructive, without being offensive.

I Have Gone Through Hell, but I Didn't Stop! By: Lottie M. Campbell Realizing many experience the same hardships as she has gone through, Lottie M. Campbell sat and wrote her story so that others may read, relate, and discuss their own journeys. If you have ever had an unfaithful spouse, a mother or father remarry after the death of a parent, or if you were ever treated as an orphan in your own home, Campbell's story will resonate with you. With her faith in God, Campbell was able to find the strength, courage, and confidence she needed to continue on with her life. Just as God plants an oak tree, causing the winds, rains, and storms to give it strength, so, too, will he do the same for his people, encouraging them to build their character, faith, and endurance through all so they may come out sturdier and stronger in the end.

A Woman Called Job - LaDena Renwick-Tilley 2006-02

As human beings, we have what is called a "pain threshold." When we pass beyond this threshold, we enter into the realm of helplessness. LaDena Renwick-Tilley's memoir, *A Woman Called Job* shows that through suffering, the glorious works of God will be made evident. The Bible tells us that God never leaves us—that He is keeping watch over his own. That no matter what comes, we as Christians can call upon God, knowing he is our refuge and strength. Job is the first of five books commonly referred to as The Books of Poetry. It gives a concise summary of Job in that we are given wisdom on how to suffer. In Job 42:1-6, Job eventually realized the awesome glory and grace of God as a result of his sufferings and how trials can be turned into triumphs. Like the Book of Job, this memoir details how the righteous should bear up under suffering. It is an example of perseverance and offers inspiration and comfort to all, afflicted or not.

Hi there! 1. Are you a single guy? 2. Do you want to get your dream girl as your girlfriend in India? 3. Do you want to get her without being rich or handsome? 4. Do you want to get her with a proven yet easy 3-step method? 5. Do you want to get her in the next 30 days or less? If your answer is yes, grab this copy and do a favour to your manhood. Once you completed reading and implementing the things that I told in this book, you will have your dream girl as your girlfriend by the end of next 30 days. You will also learn

the following:1. How to give a girl that same feeling of "I have to have him" that she gets from a guy who is rich, famous, or good looking without being any of those things yourself.2. How to avoid mistakes almost all guys do while trying to keep a girl interested that "actually repels her twice as fast".3. A proven exercise to develop a stone cold, unshakable inner confidence that allows you to approach a girl "in any situation without getting nervousness/fear".4. How to avoid the deadly mistake many guys make while trying to get a girlfriend that guarantees they end up in "the friend zone".5. What you must do if you want to keep a girl interested in you forever (the key to having a long-term relationship with a dream girl-conversation 2.0.).6. How to use "unpredictability" and "excitement" to give a girl that addictive rush of adrenaline that keeps her coming back for more (learn these, you will never have to worry about her losing interest in you... leaving you for another guy).7. You know that "nervous" feeling you get in your stomach when you see a beautiful girl you want to meet. You will find specific exercises to use that instantly eliminate all feelings of nervousness and charge yourself with confidence right there on the spot.8. Best ways to "tease" a girl that builds up a "powerful sexual tension" that gives her no choice but to make an aggressive sexual advance towards you.9. Most men are not very good at reading female body language. I will show you how to use and read eye contact & body language that most men don't even know that exist.10. How to create an irresistible attraction without being rich and handsome that

draws pretty girls like a magnet to you and much more...and much more.It has taken me a long time to figure out all of the things--that you are about to learn in this book. The Intimate Side Of A Poet's Heart - Quanada O. Ranie 2009-12-08

These poems are a collection of the thoughts and feelings about everyday life and the awesome power of love. Love can be the driving force behind every success or unrequited love can be the downfall of anyone whose life has been affected. These poems reflect the various stages in life's dealings with LOVE. Some are happy, some are sad and some, even resentful, but through it all, love can survive. There are three very important types of love: Godly love, brotherly love, and sexual love. All have their place in life and all in some way have been addressed through the words in this book
