My Name's DODDIE Doddie Weir 2018-10-25 The extraordinary, life-affirming autobiography of DODDIE WEIR OBE Rugby legend and MND campaigner Doddie Weir has always lived life to the full. On the pitch, Doddie's irresistible talent took him to the heart of every team he graced, and brought him 61 caps for his national side. He won fans all over the world with his sportsmanship, humour and boundless energy - especially when on the charge 'like a mad giraffe'. Then, in June 2017, Doddie made the announcement that he had been diagnosed with MND. With no cure and almost no treatment of any sort available, Doddie set out to do what he could to change that, tackling the issue head on with his trademark positivity and good humour. Since then, his MY NAME'S DODDIE Foundation has raised and pledged millions towards research into this dreadful condition and his tireless campaigning has transcended the world of sport. MY NAME'S DODDIE is a humbling, courageous and very funny celebration of a remarkable man. And with a brand new update, this is an absolute must-read - rugby fan or not. 'Lucid, brave, and full of the wit and character that makes him the legend he is' - RORY BREMNER

A Dash of Destiny Michelle M. Pillow 2019-12-04 A dash of destiny and a pinch of passion can change everything... Magic, Mischief & Kilts! Scottish warlock Rory MacGregor knows something from the supernatural world is trying to kill him. He's not sure exactly what that something is, but it'll make for a fun adventure figuring it all out. Of course, nothing is simple, so when Fate tosses in a dash of destiny to keep him on his toes by way of an enchanting new arrival in town, he's all in. He just wished she was too. Life hasn't turned out as planned for Jennifer Greene. After taking care of

her sick father for years, she's come to Green Vallis, Wisconsin, for one reason only—a job. She isn't looking for adventure, even if it's by way of a tempting Highlander in a kilt or men streaking across the countryside. And she definitely isn't looking for love—even though love is looking for her. From the Highlands of Scotland to the valleys of Wisconsin... Book Eight of the Warlocks MacGregor® series by NY Times and USA TODAY Bestselling Author, Michelle M. Pillow.

_____ About the Warlocks MacGregor® Series People know magic is fake--card tricks and illusions, magicians and entertainers. But there is an older magick, a powerful force hidden from modern eyes, buried in folklore and myths, remembered by the few who practice the old ways and respect the lessons of past generations. The term "warlock" is a variation on the Old English word waerloga, primarily used by the Scots. It meant traitor, monster or deceiver. This fiction-based family includes males and females of magick. The MacGregors do not agree with how history has labeled them, or other supernaturals. To them, warlock means magick, family, and immortality. This series is not a portrayal of modern-day witchcraft or those who hold such beliefs. The MacGregors are a magical class all their own. Warning: Contains yummy, hot, mischievous MacGregors who are almost certainly up to no good on their quest to find true love. And Uncle Raibeart. Praise For A Dash of Destiny 5 Stars! "I absolutely LOVE these Warlocks! I completely binged the entire series again before digging into this one. Rory's book is by far my favorite yet!!" akepple844, Bookbub (2021) 5 Stars! "I love the MacGregors and their funny family quirks!" purplelakebell, Bookbub (2021) 5 Stars! "I made the mistake of starting it at bedtime and I couldn't stop until it was over." center of America's abortion debate for the very first time. The online momentum sparked a grassroots movement that has subsequently inspired countless individuals to share their abortion stories in art, media, and community events all over the country, and to begin building platforms for others to do the same. Shout Your Abortion is a collection of photos, essays, and creative work inspired by the movement of the same name, a template for building new communities of healing, and a call to action. Since SYA's inception, people all over the country have shared stories and begun organizing in a range of ways: making art, hosting comedy shows, creating abortion-positive clothing, altering billboards, starting conversations that had never happened before. This book documents some of these projects and illuminates the individuals who have breathed life into this movement, illustrating the profound liberatory and political power of defying shame and claiming sole authorship of our experiences. With Roe vs. Wade on the brink of reversal, the act of shouting one's abortion has become explicitly radical, and Shout Your Abortion is needed more urgently than ever before.
