A Kingdom of Flesh and Fire - Jennifer L. Armentrout 2020-09-01

From #1 New York Times bestselling author Jennifer L. Armentrout comes a new novel in her Blood and Ash series... Is Love Stronger Than Vengeance? A Betrayal... Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing

is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that's one order she's more than happy to obey. He may have taken her, but he will never have her. A Choice.... Casteel Da'Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he's the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she's far too reckless, too hungry, to resist the temptation. A Secret... But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to send a message. The Descenters want her dead. The wolveren are growing more unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late.

The Immortal Highlander - Karen Marie Moning 2004-08-03

Enter a world of timeless seduction, of ancient intrigue and modern-day passion. Enter the dazzling world of Karen Marie Moning, whose acclaimed Highlander novels have captivated

readers, spanning the continents and the centuries, bringing ancient Scotland vividly to life. In a novel brimming with time-travel adventure and sensual heat, the bestselling author of *The Dark Highlander* delivers a love story that will hold you in thrall—and a hero you will most certainly never forget. **BEWARE:** lethally seductive alpha male of immense strength, do not look at him. Do not touch him. Do not be tempted. Do not be seduced. With his long, black hair and dark, mesmerizing eyes, Adam Black is Trouble with a capital T. Immortal, arrogant, and intensely sensual, he is the consummate seducer, free to roam across time and continents in pursuit of his insatiable desires. That is, until a curse strips him of his immortality and makes him invisible, a cruel fate for so irresistible a man. With his very life at stake, Adam's only hope for survival is in the hands of the one woman who can actually see him. Enter law student Gabrielle O'Callaghan, who is cursed with the ability to see both worlds: Mortal and Faery. From the moment she lays eyes on this stunning male, Gabby is certain of one thing: He could be her undoing. Thus begins a long, dangerous seduction. Because despite his powerful strength and unquenchable hungers, Adam refuses to take a woman by force. Instead, he will tease his way into Gabby's bed and make her want him just as he wants her. Now, no matter how hard Gabby tries to avoid him, Adam is everywhere, invisible to all but her—perched atop her office cubicle in too-tight jeans, whispering softly from behind the stacks of the law library, stealing her breath away with his knowing smile...all the while tempting her with the promise of unimaginable pleasure in his arms. But soon danger will intrude on this sensual dance. For as Adam's quest to regain his immortality plunges them into a world of timeless magic and the deadly politics of the Faery queen's court, the price of surrender could be their very lives. Unless they can thwart the conspiracy that threatens both mortal and Faery realms...and give them a shot at a destiny few mortals ever know: glorious, wondrous, endless love.

The Things We Leave Unfinished - Rebecca Yarros 2021-02-23

Told in alternating timelines, *THE THINGS WE LEAVE UNFINISHED* examines the risks we

take for love, the scars too deep to heal, and the endings we can't bring ourselves to see coming. Twenty-eight-year-old Georgia Stanton has to start over after she gave up almost everything in a brutal divorce—the New York house, the friends, and her pride. Now back home at her late great-grandmother's estate in Colorado, she finds herself face-to-face with Noah Harrison, the bestselling author of a million books where the cover is always people nearly kissing. He's just as arrogant in person as in interviews, and she'll be damned if the good-looking writer of love stories thinks he's the one to finish her grandmother's final novel...even if the publisher swears he's the perfect fit. Noah is at the pinnacle of his career. With book and movie deals galore, there isn't much the "golden boy" of modern fiction hasn't accomplished. But he can't walk away from what might be the best book of the century—the one his idol, Scarlett Stanton, left unfinished. Coming up with a fitting ending for the legendary author is one thing, but dealing with her beautiful, stubborn, cynical great-granddaughter, Georgia, is quite another. But as they read Scarlett's words in both the manuscript and her box of letters, they start to realize why Scarlett never finished the book—it's based on her real-life romance with a World War II pilot, and the ending isn't a happy one. Georgia knows all too well that love never works out, and while the chemistry and connection between her and Noah is undeniable, she's as determined as ever to learn from her great-grandmother's mistakes—even if it means destroying Noah's career.
