Love is Blind Ruth E. Vallis 2021-03-23 Excited and full of the confidence of youth, totally blind Ruth arrived in London, England, to study Physiotherapy. She spoke the same language, was domestically independent, and had good mobility skills: how hard could this be? As it turns out, far more difficult than she could have ever imagined, but Ruth was determined to succeed. People who are blind face many challenges, but perhaps the biggest obstacle is the low expectations of others. You can let those who don't understand you define who you are, or you can ignore them and follow your dreams—as Ruth did. “Love is Blind” is the memoir of Ruth Vallis. Blind before the age of 3, Ruth was

the youngest pioneer of integration in the public school system in Canada, blazing a trail for many to follow. At every stage of her extraordinary life, Ruth defied the low expectations of others, and took on such challenges as biking from Ottawa to Toronto, completing a Master's of Science degree online before technology accessibility was legislated, and more. Through it all there was her tender, tough-loving mother, Peach, offering encouragement, support and humour to overcome enormous challenges. Discover the power of women working together for good. See how obstacles can become stepping stones. Laugh, cry and be inspired!

The Model Harlow Layne 2023-07-31 The moment I heard Ryder's voice I was a goner. As a photographer, I was used to working with beautiful people, but Ryder Williams was the most perfect male specimen that had ever stood before me. I knew without a doubt it would take no time at all for him to be the next big thing... or for him to steal my heart. Model and photographer, we shouldn't cross that line, but there was no stopping the passion we felt. Nothing else mattered. Not the age difference. Not that he was a client. Not even our pasts. After my assistant caught us together, he was gone. I tried to put him out of my head, until fate threw him back into my life and my bed. Time and time again we're brought together, should I keep fighting or finally accept what my heart wants? *The Model* is a stand-alone in the *Love is Blind* series. The series has crossover characters from each novel. It is not required to read the books in order, but it is recommended to enhance the reading experience.

Love Is Blind Sean Corbett 2014-12-31 True Love Really Exists.

Love Is Blind: A True Romance is a true biographical love story about two people afflicted with different disabilities. It shows that for a long-lasting, successful relationship, true love is what's important. In fact, it's all that really matters. The lead characters are Grant and Valerie Hyde. Little Grant Hyde was born prematurely in 1950 and placed in an incubator infused with pure oxygen. Unfortunately this undiluted oxygen was too much of a good thing as it also caused retinopathy, severe vision impairment that would only worsen over time. Yet, Grant strove to live as "normal" a life as possible. He played sports, dated, drove a car, played in a band, got a good job, got married and divorced. He even had two sons. Valerie Boyer was born in 1959. The bright, attractive child and young woman seemed to have everything going for her. Suddenly, Multiple Sclerosis changed everything! In the span of three short years she went from a person who had just graduated college, completed a post-graduate training course, and started a promising career in banking to a woman who could no longer work, was confined to a wheelchair and even required the assistance of full-time caregivers to attend to the daily tasks of living. By the summer of 1993 both Grant Hyde and Valerie Boyer had learned to deal with their respective disabilities and settled into the routines of living in their respective southern California communities. Grant in Chula Vista, a suburb of San Diego, and Valerie in one of the nation's original planned communities - Irvine. By the time the 90's rolled around, Val in her early 30's and Grant in his early 40's, after enduring life's trials and tribulations and dodging its slings and arrows, each still had the belief that their lives were destined to be more. They hadn't given up on love, on finding that special person with whom they could feel totally comfortable, who would accept them for

Love Is Blind William Boyd 2019-09-24 When he is hired as the personal piano tuner for a brilliant pianist, Brodie Moncur suddenly finds himself swept up into a life of luxury that he could never have imagined. But while accompanying his new employer on tours from Paris to St. Petersburg, Brodie falls madly in love with the Russian soprano Lika Blum: beautiful, worldly, seductive—and forbidden. Though seemingly doomed from the start, Brodie's passion for Lika only grows as their lives become increasingly more intertwined, more secretive, and, finally, more dangerous. A tale of dizzying passion and brutal revenge; of artistic endeavor and the illusions it can create; of the possibilities that life offers and the cruel speed with which they can be snatched away, *Love Is Blind* is a dazzling work of historical fiction that unfolds across fin de siècle Europe.

Blind Love Wilkie Collins 2020 It is on the true story of Baron Carl Ludwig von Scheurer, in which so many insurance companies were interested, that Wilkie Collins based the plot of his novel 'Blind Love,' a work which he did not live to complete by his own hand. In August 1889, when its publication in serial form had been under way for a couple of months, Mr. Collins realized that he would not be able to finish the story. So he sent for Mr. Walter Besant, and that versatile and rapid worker undertook the completion of the book. He has done it, as he says in the preface, to the best of his ability, but he is so conscious of the difference between the style of his own work and that of Wilkie Collins that he invites the critic to lay his finger on the spot where Wilkie Collins' writing ends and his own begins. Every scene and situation in the novel from beginning to end had been, however, outlined by Mr. Collins before the hand of death was laid upon his pen, and the story, as a story, must therefore be credited to him. In 'Blind Love' we find Baron von Scheurer transformed into Lord Harry Norland, the wild and reckless younger son of an Irish peer, while Dr. Castelnau furnishes the prototype of Dr. Vimpany, an impecunious and unscrupulous medical man practising in the English provinces. After some preliminaries in Ireland and England which serve to present the wild Irish Lord in a vivid way, and to lead the heroine, Iris Henley, into his clutches through the blind love which drives her to her ruin, the scene shifts to a suburb of Paris, where the conspiracy to swindle the insurance company is hatched and successfully consummated. In dealing with a plot of this character Wilkie Collins is on familiar ground, and it is needless to say that the whole business is managed in a

My Love is Blind (2017 Edition - PDF) Tan Guan Heng
"Perhaps I will write about my own life as a blind person," Choon Guan said. "I'll entitle it My Love is Blind. The word blind will embrace your name, Lin." His big eyes widened and lit up, sparkling and full of tenderness. His lips moved in a soundless whisper: "My Love is Lin." Tan Guan Heng lost his sight at the age of 28. In his first novel, he paints a nostalgic picture of Singapore on the brink of independence. With biting honesty and ironic humour, this novel brings to life the world of the blind and their sighted helpers. More than twenty years after its first publication in 1995, My Love is Blind has retained its enduring appeal as one of Singapore's most extraordinary and memorable novels. Asiapac Books is pleased to launch a special edition of this groundbreaking novel, updated with an epilogue and a new foreword by Dr. Tommy Koh, and an afterword by literary critic, Gwee Li Sui.

When Love Is Blind Ms. Mary Louise 2018-07-24 My book describes how you can be born into a family yet not accepted or understood. It describes how one can spend a lifetime seeking approval from family, never to achieve that goal. It describes how choices made can affect your entire life but never to wallow in self-pity and to always remember that we have a resource to fall back on. There is someone who will always be there to help with directions and guidance if we allow him to be a part of our lives.

Love is not blind Anuroop Sebastian 2019-02-15 Anuroop Sebastian explores the theme of "e>true"e; vs. counterfeit, or "e;fake,"e; love and explains how the reader can identify the real thing by following the example of Jesus. In John 2:24, Jesus rejects the praises of a certain group of people. Their praises appear to be genuine but Jesus knows that they are simply flattering Him. Yet when Mary pours expensive perfume on His feet, he accepts her love (John 12:1-8). Jesus had the ability to discern the true nature of others by listening to their hearts instead of listening to their words or following their actions! The author will show how the Bible gives readers the wisdom to recognize their true friends and safeguard themselves from toxic relationships.
