*Making Winter* - Emma Mitchell 2017-10-05

[A Stash of One's Own](#) - Clara Parkes 2017-09-12

In this anthology from the author of *The Yarn Whisperer*, twenty-one devoted knitters examine a subject that is irresistible to us all: the yarn stash. Anyone with a passion has a stash, whether it is a collection of books or enough yarn to exceed several life expectancies. With her trademark wit, Clara Parkes brings together fascinating stories from all facets of stash-keeping and knitting life—from KonMari minimalist to joyous collector, designer to dyer, spinner to social worker, scholar to sheep farmer. Whether the yarn stash is muse, memento, creative companion, career guide, or lifeline in tough times, these deeply engaging stories take a fascinating look at why we collect, what we cherish, and how we let go. Contributors include New York Times–bestselling authors Stephanie Pearl-McPhee and Debbie Stoller, Meg Swansen and Franklin Habit, Ann Shayne and Kay Gardiner, Adrienne Martini, and a host of others. Named one of the top ten lifestyle books for fall 2017 by *Publisher's Weekly*.

*Mindful Crochet* - Emma Leith 2019-04-09

The 35 patterns in *Mindful Crochet* include specially designed elements of repetition, color and texture, which will help you relax, refocus and unwind. Anyone who's ever tried to master a new stitch or work out which granny squares should go where on an afghan will appreciate how crochet can totally engage your attention and harness your creativity. Being "in the moment" is an essential part of following a pattern, keeping your yarn on the hook, counting stitches, and remembering which color to use next. Emma Leith shows how these qualities can become a form of mindfulness practice, bringing you peace, calm, and a greater sense of well-being. There are projects you can make for yourself or your home, and others designed to be given as gifts. The satisfaction you'll get from creating these lovely makes and seeing others appreciate them is another important way in which crochet can encourage a positive outlook and bring happiness.

**Knitting Heaven and Earth** - Susan Gordon Lydon 2008-11-19

From the author of the modern classic *The Knitting Sutra* comes an inspiring and colorful narrative on knitting through one's darkest hours. Susan Gordon Lydon's groundbreaking book *The Knitting Sutra* offered a new way for knitters to look at their craft—as a healing and meditative endeavor instead of a granny hobby or an indulgent pastime. The first book without knitting patterns to capture the knitting audience, it has been widely imitated, but no other book has endured so well. With *Knitting Heaven and Earth*, Lydon again breaks new ground, this time following the emotional ties that become bound up in her handicrafts when a series of wrenching events—a heartbreaking romance, the death of her father, a devastating diagnosis of breast cancer—leave her reeling. Through it all, Lydon finds new reserves of strength in knitting, in the skeins of sumptuous yarn and colorful thread that help her make sense of the trials of the heart.

**Knits for Teens** - Lee Gant 2019-03-01

*The Yarn Whisperer* - Clara Parkes 2013-09-03

"In this charming series of linked essays," the renowned knitter and author explores the meaning and importance of knitting in her life (*Vogue Knitting*). In *The Yarn Whisperer*, Clara Parkes offers reflections and stories from a lifetime of knitting through twenty-two captivating, poignant, and laugh-out-loud funny essays. Recounting tales of childhood and adulthood, family, friends, adventure, privacy, disappointment, love, and celebration, Parkes hits upon the universal truths that drive knitters to create. With surprising insight and wry humor, she draws clever parallels between life's twists and turns what knitters see on their

needles. Stockinette, ribbing, cables, even the humble yarn over can instantly evoke places, times, people, conversations, all those poignant moments that we've tucked away in our memory banks. Over time, those stitches form a map of our lives (From the preface).

[The Friday Night Knitting Club](#) - Kate Jacobs 2012-09-27

Casting on . . . It starts almost by accident: the women who buy their knitting needles and wool from Georgia's store linger for advice, for a coffee, for a chat and before they know it, every Friday night is knitting night. Finding a pattern . . . And as the needles clack, and the garments grow, the conversation moves on from patterns and yarn to life, love and everything. These women are of different ages, from different backgrounds and facing different problems, but they are drawn together by threads of affection that prove as durable as the sweaters they knit. The Friday Night Knitting Club - don't you want to join?

[Crochet Saved My Life](#) - Kathryn Vercillo 2012

"In this book, you will get to know me through my story of depression and healing. And you will get to know other women as well. You will meet Aurore who crochets to stay in touch with reality as she deals with ongoing psychiatric hallucinations. You will meet Laurie who made a new life with crochet after years of a life filled with abuse. You will meet Tammy whose crochet helps her with the ups and downs of living with Chronic Lyme Disease. You will meet Liza who crochets through the anxiety of having temporary bouts of blindness caused by an undiagnosed health condition. Here are some of the things you will hear them say: "When I crochet I don't think about how my body is now broken; I think about how I can create something beautiful and useful with my hook and either yarn or thread."--Vicki --"Crochet helps me put my pain on the back burner for a while. It takes my focus away from how I'm feeling and puts it in a more productive place" - Shelli. The two dozen women whose stories are shared in this book are the women who hook to heal."--Page 4 of cover.

The stories Lee shares about herself and fellow knitters from around the world illustrate how each stitch and purl can comfort and calm, heal and

renew. A suicidal teenager crochets through pregnancy. A dying woman finds comfort in the company of knitters. A woman finds the courage to face her estranged parents. A woman going blind realizes she can still knit — and experience life. And Lee's life, riddled with more than just anxiety, has at last become stable and productive. *The Beach Street Knitting Society and Yarn Club* - Gil McNeil 2009-03-17

For every woman who has ever dreamed of starting over, or being a better mother, or just knitting a really nice scarf . . . When her husband dies in a car crash -- not long after announcing he wants a divorce -- Jo Mackenzie packs up her two rowdy boys and moves from London to a dilapidated villa in her seaside hometown. There, she takes over her beloved Gran's knitting shop -- a quaint but out-of-date store in desperate need of a facelift. After a rough beginning, Jo soon finds comfort in a "Stitch and Bitch" group; a collection of quirky, lively women who share their stories, and their addiction to cake, with warmth and humor. As Jo starts to get the hang of single-parent life in a small town, she relies on her knitting group for support. The women meet every week at the shop on Beach Street and trade gossip and advice as freely as they do a new stitch. But when a new man enters Jo's life, and an A-list actress moves into the local mansion, the knitting club has even more trouble confining the conversation to knit one, purl two. The Beach Street Knitting Society and Yarn Club is an uplifting, winning tale about the healing power of friendship and new beginnings. It's a charming novel that will delight all passionate knitters -- and win over befuddled, would-be knitters, too.

**For the Love of Knitting** - Kari Cornell

One surviving cotton sock tells us that the Egyptians were knitting as long ago as the first millennium AD. Tenderly preserved shawls and sweaters bespeak our great-grandmothers handiwork. And colorful strands of yarn escaping from a basket in the corner show that the tradition lives on with us. That tradition, celebrated in the stories and essays in this book, knits together a world of warmth and memory, wisdom and camaraderie. These writings--sometimes amusing, sometimes moving, always entertaining--comprise a charming scrapbook reflecting the myriad cultural and historical aspects of knitting. Ranging from the days of World War II to our own time, they include offerings by Jamaica Kincaid, Melanie Falick, Elizabeth Zimmermann, Meg Swansen, Susan Gordon Lydon, Pam Allen, Lela Nargi, Perri Klass, Teva Durham, and many others. Artwork by Solveig Hisdal, fiber artists Debbie New and Karen Searle, and photographer Chris Hartlove, along with historical photographs, vintage advertising, and pattern booklets, brings the color and textures of these stories to vibrant life. Whether you ply knitting needles yourself or simply appreciate the art, this collection will enfold you in all the softness, warmth, and beauty of knitting today and yesterday.

*Casting Off* - Nicole R. Dickson 2009-07-28

Casting Off: 1. Ending a knitted work. 2. Releasing lines holding a boat to its mooring. 3. Letting go... On a tiny island off the west coast of Ireland, the fishermen's handmade sweaters tell a story. Each is unique--feelings stitched into rows, memories into patterns. It is here that Rebecca Moray comes to research a book on Irish knitting. With her daughter, Rowan, accompanying her, she hopes to lose herself in the history of the island and forget her own painful past. Soon, the townsfolk's warm embrace wraps Rebecca and Rowan in a world of friendship, laughter, and love. And it is here that young Rowan befriends Sean Morahan, a cantankerous old fisherman, despite his attempts to scare her off. As Rebecca watches her daughter interact with Morahan, she recognizes in his eyes a look that speaks of a dark knowledge not unlike her own. And when current storms threaten to resurrect old ones, Morahan and Rebecca find themselves on a collision course--with Rowan caught between them--each buffeted by waves of regret and recrimination. Only by walking headfirst into the winds will they find the faith to forgive without forgetting...and reach the shore.

*The Beach Street Knitting Society and Yarn Club* - Gil McNeil 2009-03-17

First published in Great Britain as *Divas don't knit* in 2007 by Bloomsbury.

*Be a Good in the World* - Brenda Knight 2015-04-14

In the hurly burly of this busy world, simple kindness and goodness can get left behind in the rush to be first in line, at the top of the corporate ladder and have the most "likes." But, what does it all mean at the end of the day? Isn't being a good person and making real contributions to the world more important than anything else? Author Brenda Knight, part of the team who made the world a better place with "Random Acts of Kindness" as well as a little more thankful with *The Grateful Table*," writes "At the end of life, I feel sure having lots of money, fancy cars and real estate is not nearly as important as how much love you gave to the world." This realization was the inspiration for *Be a Good In the World*, a book of "good days" filled with ideas for making a difference.

**A Book of Miracles** - Dr. Bernie S. Siegel 2014-10-15

Heartwarming and Heart-Opening Stories Gathered from Decades of Medical Practice Bernie Siegel first wrote about miracles when he was a practicing surgeon and founded Exceptional Cancer Patients, a groundbreaking synthesis of group, individual, dream, and art therapy that provided patients with a "carefrontation." Compiled during his more than thirty years of practice, speaking, and teaching, the stories in these pages are riveting, warm, and belief expanding. Their subjects include a girl whose baby brother helped her overcome anorexia, a woman whose cancer helped her heal by teaching her to stand up for herself, and a family that was saved from a burning house by bats. Without diminishing the reality of pain and hardship, the stories show real people turning crisis into blessing by responding to adversity in ways that empower and heal. They demonstrate what we are capable of and show us that we can achieve miracles as we confront life's difficulties.
