My Tempting Highlander Maeve Greyson 2016-02-23 From the author of *My Highland Bride*—hailed by Sandy Blair as “an entertaining time-travel story packed with spice, humor, fantasy, and nonstop adventure”—comes a sensual novel featuring a wolf-shifting chieftain who travels centuries to modern-day Scotland to tame his one and only. Cursed to live forever with neither wife nor child, Ronan Sutherland has watched all he cherishes turn to dust—more than once. For hundreds of years, he’s been trapped behind the mists of Loch Ness, hoping to identify the one woman who is prophesied to break the spell. Now, at last, the fates have aligned, and he’s being sent into the future to fetch her. After a single glimpse, Ronan knows he’s been waiting all his life for this passionate woman. Unlike her time-traveling sisters, Mairi Sinclair is perfectly content to remain in the present. As a hospital nurse in Edinburgh, she cherishes the opportunity to put her gift of healing powers to good use. But everything changes the morning a mysterious wolf darts in front of her car. Touching the wounded creature’s tawny coat, a tingle surges through her. Yet when she returns with aid, Mairi is shocked to find instead a man with broad shoulders and fire in his eyes—a man who tempts her to unleash the animal within. Praise for *My Tempting Highlander* “With deft strokes, Maeve Greyson paints another exciting and heartwarming time-travel romance. Eternity’s Mark Maeve Greyson 2011-10-24 A sexy Scot. A mystical inheritance. What could go wrong? Veternarian Hannah MacPherson knows better than to believe in love at first--or any--sight. True, being swept away by Taggart de Gaelson to the vast Scottish castle she's mysteriously inherited is uber-romantic. The legacy is totally legitimate, and its messenger is big, broad-shouldered, and smokin' in more ways than one . . . Too bad Taggart forgot to mention that Hannah's also a Guardian of magical dragons called the Draecna. And as Hannah's sworn otherworldly protector, Taggart is honor-bound not to lay a hand on her, no matter how close he gets. . . . But turning duty into pleasure is just too tempting. And for Hannah, mastering her powers and saving two worlds from evil will be way easier than showing one hardheaded warrior that breaking all the rules means they are eternally made for each other . . .

Sadie's Highlander Maeve Greyson 2017-09-12 The Highland Protector series brings to life four mouthwatering Celtic brothers in twenty-first-century North Carolina—where the lasses are anything but tamed. Highland warrior Alec MacDara and his brothers traveled forward in time to protect the sacred Heartstone. Their cover? Owners and operators of a theme park called Highland Life and Legends. As the chairman, Alec has been fending off requests to film at the breathtaking property. It's only because of the charming correspondence from an enterprising production assistant that he agrees to a meeting at all. That's when Alec meets a woman whose lush curves make him forget, for the first time, all about tenth-century Scotland. A lowly assistant for her sister's motion picture company, wannabe screenwriter Sadie Williams is shocked when Alec agrees to let them film at the park upon one condition: that she report to him daily. Sadie's sister always told her that their parents only adopted her because they felt sorry for the ugly little stray. But Alec looks at Sadie like she's the most tempting creature in the world. And with his gleaming, musclebound body stripped down to nothing but a hip-hugging kilt and boots, Alec clearly knows a little something about temptation.
