**Coldheart Canyon** - Clive Barker 2001-10-02

"[Clive Barker] is a mapmaker of the mind, charting the farthest reaches of the imagination." —Washington Post From The Books of Blood to Hellraiser to Imajica, Abarat, and Mister B. Gone, Clive Barker's extraordinary vision knows no bounds. With Coldheart Canyon, the New York Times bestselling master of dark fantasy who has been called "a cross between Stephen King and Gabriel Garcia Marquez" (Boston Herald) thrills readers with a "Hollywood ghost story" as audacious and chilling as anything he (or anyone else) has ever written. USA Today calls it, "Endlessly

entertaining...wickedly enjoyable," and fans everywhere will agree—a tense and winding trip down into the hellish depths of Coldheart Canyon is well worth making.

**New York Magazine** - 1992-09-28

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself,

while celebrating New York as both a place and an idea.

Los Angeles Magazine - 2006-02

Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

**The Century Dictionary** - 1889

**The Other End of the Leash** - Patricia

McConnell, Ph.D. 2009-02-19

Learn to communicate with your dog—using their language “Good reading for dog lovers and

an immensely useful manual for dog owners.”—The Washington Post An Applied Animal Behaviorist and dog trainer with more than twenty years’ experience, Dr. Patricia McConnell reveals a revolutionary new perspective on our relationship with dogs—sharing insights on how “man’s best friend” might interpret our behavior, as well as essential advice on how to interact with our four-legged friends in ways that bring out the best in them. After all, humans and dogs are two entirely different species, each shaped by its individual evolutionary heritage. Quite simply, humans are primates and dogs are canids (as are wolves, coyotes, and foxes). Since we each speak a different native tongue, a lot gets lost in the translation. This marvelous guide demonstrates how even the slightest changes in our voices and in the ways we stand can help dogs understand what we want. Inside you will discover:

- How you can get your dog to come when called by acting less like a primate and

more like a dog • Why the advice to “get dominance” over your dog can cause problems • Why “rough and tumble primate play” can lead to trouble—and how to play with your dog in ways that are fun and keep him out of mischief • How dogs and humans share personality types—and why most dogs want to live with benevolent leaders rather than “alpha wannabes!” Fascinating, insightful, and compelling, *The Other End of the Leash* is a book that strives to help you connect with your dog in a completely new way—so as to enrich that most rewarding of relationships.

Three Scenarios of Revelation - Nativ

2006-09-29

The book's focus, from which the title is derived, is taken from Revelation 11:18, and opens with "The Wrath of God," continues with "The Judgment of Mankind" and closes with "The Reward of the Saints." A Jewish, Biblical Scholar, Nativ brings a unique, often startling perspective to the Book of Revelation. Basing his

theories in Hebraic concepts, not doctrine or dogma, Nativ takes the reader on an exciting, step-by step journey through the Hebrew texts, the original language of the Bible, and through painstaking analysis, breathes new life into the words of the Old Testament prophets, the apostles, and Jesus. Take for example, the word "Armageddon." Long interpreted as the ultimate battle between good and evil, Nativ uses his extensive Hebrew knowledge to show it is a place, not a battle, and introduces the ancient Hebrew concept of a "place of refuge" as proof. Should Nativ be correct, not only will he change the theology, but dictionary definitions as well. Equally startling is his discussion of Revelation, Chapter Nine, regarding the opening of the bottomless pit and the release of the awesome creatures within. Nativ not only explains what they are, their origins and their purpose, but, most surprising, the creatures' present location, as they await the ending of the Age. Perhaps most controversial of all is Nativ's answer to the

long-asked question regarding the identity of the "Beast" and the meaning of the number "666." Not only will the reader be dumbfounded by the simplicity of Nativ's answer, but horrified by the proximity. Nativ is not dogmatic. He does not expect everyone to agree with his study's conclusions, but instead challenges the reader to prove him biblically incorrect. Neither prophet nor the recipient of a great revelation from God, Nativ's only claim is the wisdom from God to unveil the meaning of the Book of Revelation in all its complexities.

*Johnson's Universal Cyclopaedia* - 1894

**The Sense of an Ending** - Julian Barnes  
2011-08-04

'A masterpiece... I would urge you to read - and re-read ' Daily Telegraph \*\*Winner of the Man Booker Prize for Fiction 2011\*\* Tony Webster and his clique first met Adrian Finn at school. Sex-hungry and book-hungry, they would navigate the girl-less sixth form together,

trading in affectations, in-jokes, rumour and wit. Maybe Adrian was a little more serious than the others, certainly more intelligent, but they all swore to stay friends for life. Now Tony is retired. He's had a career and a single marriage, a calm divorce. He's certainly never tried to hurt anybody. Memory, though, is imperfect. It can always throw up surprises, as a lawyer's letter is about to prove. Now a major film

**Oh, Brother!** - Scott Badler 2000-06

Scott Badler on Brothering Why there isn't a Brother's Day? Because it would be a day dedicated to competition, bickering, and fighting. You'd go out to dinner and there'd be a rumble over the doggie bag. It could get ugly. Use your older brother as your guinea pig. "I've heard about this bad thing. I know you've tried it. I want a full report. Exactly when you started to feel sick. After the third or fourth? When did you heave your guts? The exact time. I need the report on my desk by Monday." Going anywhere with your older brother when he's a teenager

isn't much fun. There's always uninvited guests wherever you go. You both could be using the urinal in the Greyhound Station and he's watching the doorway expecting some attractive woman to saunter in. Sibling Rivalry Forever When you're young, it's all about trying to get Mom and Dad's attention, competing for food and a dry diaper. Learning how to survive. But now that we're senior citizen brothers, what are we fighting for--the last drop of Maalox? The last Depends?

*Merry Wives and Others* - Penelope Fritzer  
2010-06-28

In many ways, the history of domestic humor writing is also a history of domestic life in the twentieth century. For many years, domestic humor was written primarily by females; significant contributions from male writers began as times and family structures changed. It remains timeless because of its basis on the relationships between husbands and wives, parents and children, houses and inhabitants,

pets and their owners, chores and their doers, and neighbors. This work is a historical and literary survey of humorists who wrote about home. It begins with a chapter on the social context of and attitudes toward traditional domestic roles and housewives. The following chapters, beginning with the 1920s and continuing through today, cover the different time periods and the foremost American domestic humorists, and the humor written by surrogate parents, grown children about their childhood families, husbands, and Canadian and English writers. Also covered are the differences among various writers toward traditional domestic roles--some, like Erma Bombeck and Judith Viorst, embraced them, while others, like Caryl Kristenson and Marilyn Kentz, resisted them. Common themes, such as the isolation and competitiveness of housework, home as an idealized metaphysical goal and ongoing physical challenge, and the urban, suburban, and rural life, are also explored.

**New York Magazine** - 1994-03-07

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

**Fang-tastic Fiction** - Patricia O'Brien Mathews 2011

Mathews uses a limited definition of paranormal, and examines works set, for the most part, in a relatively realistic modern world inhabited by both humans and paranormal beings.

*God's Dog: Memories, Confessions, Dreams & Revelations of a Modern Mystic* - William Schindler 2016-02-13

This is the extraordinary true tale of a middle-

class, gay American's path to encounters with the Great Mystery that is God/dess/Self. The way to the Great Unknown was intricately intertwined with his humanity with all its foibles, and with human relationships. Therefore this story has to include those relationships, revealing ultimately how a one's personal identity and relationships become vehicles for enlightenment. This inspiring account of struggle, travel to exotic lands, suffering, and transcendence holds out hope for anyone who has ever felt outcaste, broken, or unworthy, demonstrating for our modern times that enlightenment lies within reach of us all.

Revelation: The Future Human Past - Dr.

Michael P. Masters 2023-05-23

As society teeters on the brink of nuclear apocalypse, Markus Moksha, an oversexed alcoholic anthropologist, encounters Dordogne, a telepathic woman from the future who recognizes his import to the fate of humanity.

She recruits him to join her team of time-

traveling scientists aboard their UFO, as they venture back through the distant past, seeking to enact a change that will bring peace to his time and avert the Great War. Along the way, Markus discovers that his loathsome christian upbringing, together with an unabashed love of alcohol, drugs, and promiscuous sex, have inexplicably imbued him with the perfect set of tools for furthering the mission. However, mounting hardship and clashes for control of the timeline force every member of the team to look within and reflect on what it means to be human. As civilization's last hope of avoiding Armageddon, they must persevere in the face of pervasive challenges and devastating loss, with the wish of returning home to find a new and brighter world, where the political and religious feuds of the troglodyte past have given way to an enlightened, Superhuman future.

**Johnson's Universal Cyclopedia** - Charles Kendall Adams 1894

Jon Courson's Application Commentary - Jon Courson 2004-01-17

A devotional commentary that helps you gain fresh insights into the Bible and understand how you can apply God's Word to your life. Few Bible commentators simultaneously articulate both insightful spiritual truths and memorable life applications for readers who want to be relevant witnesses for Jesus Christ. Gifted Bible preacher and inspiring teacher Jon Courson effortlessly combines these elements in this easy-to-read, verse-based devotional commentary on the entire New Testament. Pastor Jon's years of immersion in God's Word, as he regularly preached from the Bible, produced faithful, valuable teaching that takes a balanced approach between a scholarly work and an

New York Times Bestseller The Reese Witherspoon x Hello Sunshine Book Club Pick "Every once in a while, I read a book that opens my eyes in a way I never expected." —Reese Witherspoon (Reese's Book Club x Hello Sunshine book pick) People Magazine's Top 10 Books of 2017 Bustle's 17 Books Every Woman Should Read From 2017 PopSugar's Our

Favorite Books of the Year (So Far) Refinery29's Best Books of the Year So Far BookBrowse's The 20 Best Books of 2017 Pacific Northwest Book Awards Finalist The Globe and Mail's Top 100 Books of 2017 Longlisted for 2019 International DUBLIN Literary Award "It made me laugh, it made me cry, it made me think." —Liane Moriarty, #1 New York Times bestselling author of *Big Little Lies* This is how a family keeps a secret...and how that secret ends up keeping them. This is how a family lives happily ever after...until happily ever after becomes complicated. This is how children change...and then change the world. This is Claude. He's five years old, the youngest of five brothers, and loves peanut butter sandwiches. He also loves wearing a dress, and dreams of being a princess. When he grows up, Claude says, he wants to be a girl. Rosie and Penn want Claude to be whoever Claude wants to be. They're just not sure they're ready to share that with the world. Soon the entire family is keeping Claude's

secret. Until one day it explodes. Laurie Frankel's *This Is How It Always Is* is a novel about revelations, transformations, fairy tales, and family. And it's about the ways this is how it always is: Change is always hard and miraculous and hard again, parenting is always a leap into the unknown with crossed fingers and full hearts, children grow but not always according

to plan. And families with secrets don't get to keep them forever.

**Middlesex** - Jeffrey Eugenides 2003-09-01  
Winner of the 2003 Pulitzer Prize for Fiction: the dazzling international bestseller from the author of *The Virgin Suicides* . a rollicking family epic like no other!
