

Sex And Sexuality A Thematic Dictionary Of Quotations

Forthcoming Books - Rose Army 2003

International Who's Who of Authors and Writers 2004 - Europa Publications 2003

Accurate and reliable biographical information essential to anyone interested in the world of literature The International Who's Who of Authors and Writers offers invaluable information on the personalities and organizations of the literary world, including many up-and-coming writers as well as established names. With over 8,000 entries, this updated edition features: * Concise biographical information on novelists, authors, playwrights, columnists, journalists,

editors, and critics * Biographical details of established writers as well as those who have recently risen to prominence * Entries detailing career, works published, literary awards and prizes, membership, and contact addresses where available * An extensive listing of major international literary awards and prizes, and winners of those prizes * A directory of major literary organizations and literary agents * A listing of members of the American Academy of Arts and Letters

Le sens de l'altérité - Rommel Mendès-Leite 2000

Cet ouvrage est la synthèse de plus d'une

décennie de travaux pionniers qui, présentés sous cette forme, constituent une contribution originale et significative au savoir sur la sexualité contemporaine. Il combine judicieusement travail empirique sur divers sites et analyses théoriques très sophistiquées. Les travaux de l'auteur s'inscrivent dans ce qu'il est convenu d'appeler les approches constructionnistes de la sexualité. Celles-ci puisent à diverses sources, dont les plus connues sont la sociologie interactionniste américaine, le travail historique et analytique de la recherche féministe, gay et lesbienne, et les écrits de Michel Foucault. Elles mettent l'accent sur la nécessité de comprendre la sexualité comme une variable culturelle, comme un phénomène organisé et produit socialement. La visée des positions de Rommel Mendès-Leite est de rompre avec les visions naturalistes du comportement ou de l'identité sexuels qui font l'impasse sur les forces sociales et culturelles définissant les catégories et la subjectivité

sexuelles. Il en résulte une contribution de valeur à nos connaissances empiriques sur le désir homosexuel masculin, les pratiques et les identités, la richesse de l'expérience sociale dans les sociétés contemporaines. Jeffrey WEEKS (South Bank University, London) *American Reference Books Annual* - Juneal M. Chenoweth 1995-04-15
With more than 1600 descriptive and evaluative entries, ARBA continues its 26-year tradition as a comprehensive review source for reference works published or distributed in the US. ARBA 95 encompasses the subject spectrum, covering such broad areas as general reference, history, education, economics and business and science and technology. Of special note in this edition is increased coverage of CD-ROM products. More than 350 reviewers provide reviews that cover strengths and weaknesses of the reference works.

Cutaneous Manifestations of Child Abuse and Their Differential Diagnosis - Robert A.C.

*Downloaded from
legacy.opendemocracy.net on
2023-01-11 by guest*

Bilo 2012-08-30

The interpretation of skin lesions in children that may be due to abuse is often not straightforward, and many reports have been published on dermatological disorders and accidental injuries that were unjustly regarded as signs of child abuse. This book describes in detail the cutaneous manifestations of the physical abuse of children and devotes particular attention to differential diagnosis. Careful guidance is provided on the optimal evaluation of children presenting with findings potentially attributable to abuse. The numerous images and detailed background information will develop the ability of the reader to assess and interpret the clinical signs of abuse, and to distinguish these signs from other causes of injury, such as accidents and self-mutilation, and dermatological disorders. "Cutaneous Manifestations of Child Abuse" will be invaluable for pediatric dermatologists, pediatricians, forensic experts, and others who deal with the

physical abuse of children.

Where Do Nudists Keep Their Hankies? -

Mitchell Symons 2021-01-07

My friends have often had cause to remark, I lack both the tact and the embarrassment genes and so am totally uninhibited about asking incredibly personal questions. I'm driven by two specific things: a very low threshold of boredom on the one hand and almost insatiable curiosity on the other. It's a toxic mix that sometimes makes my wife wince with embarrassment and occasionally loses us friends but, at long last, I can put it to some practical use. So here are a hundred or so questions of a sexual orientation: breezy not sleazy; entertaining not titillating - if any bloke reading this gets a hard on then I will have failed. (if, on the other hand, any woman - any extremely cute woman - finds herself getting incredibly aroused by something I've written, then my email address can be found at the back of the book. I am, of course happily married and totally monogamous but, hey, everything's

New Books on Women and Feminism - 2002

Sex and Sexuality - Alan Isaacs 1993

A splendid reference to the observations of hundreds of authors. Two thousand quotations are presented in 50 sections--each of which begins with wise and witty introductory remarks. Distributed in the US by Sterling Publishing Co. Annotation copyright by Book News, Inc., Portland, OR

Cassell Sex and Sexuality - Alan Isaacs 1995

Hein(t)ze, Rost, Juvenal, Patriarch, Heinse - Hans-Bernd Spies 2005

Bowker's Best Reference Books: Author index. Title index - 2005

Contains approximately 20,000 mostly English language sources for academic libraries of all

sizes.

Whitaker's Books in Print - 1998

The Men's Bibliography - Michael Flood 1995

The Oxford Dictionary of Thematic Quotations - Susan Ratcliffe 2000

The Oxford Dictionary of Thematic Quotations is a collection of over 7,000 quotations, arranged thematically for easy look-up. Covering an enormous range of nearly 600 themes, there is every subject you can think of, from the more traditional topics of Courage or Parliament, to topical themessuch as The Internet or Genetic Engineering. The quotations that stand together in each particular theme range from the very old to the modern: both Horace and Maeve Binchy comment on the theme The Present, while Desmond Morris and Jeremy Bentham give their views on the category of Animal Rights. A useful author index (including descriptions and context lines) gives quick and easy access to what is in

the dictionary and provides information on each author. Whether you wish to discuss a particular subject with friends, or if you want to discover what people have said about a certain topic over the centuries, this is an amusing and fascinating guide to who said what about what.

Dictionary of Dictionaries and Eminent Encyclopedias - Thomas Kabdebo 1997

Enlarged by some 50 percent and equipped with more comprehensive name and subject indexes, the second edition of this unique guide contains bibliographic and descriptive annotations for 8,000 dictionaries. It features 1,500 additional bilingual works, 400 new subject categories, and all the major electronic dictionaries produced in English. While the primary emphasis is on language dictionaries, subject dictionaries on topics as varied as ceramics, bookbinding, and theatre as well as dictionaries issued by international bodies and agencies are included. Covering all the world's languages, works may be bilingual, monolingual, or multilingual as long

as there is an English element.

ARBA Guide to Subject Encyclopedias and Dictionaries - Susan C. Awe 1997

Provides a selection of subject dictionaries and encyclopedias that would be useful in all types of libraries.

The British National Bibliography - Arthur James Wells 1993

Disinformation Book of Lists - Russ Kick
2004-06-01

Can you name five military leaders who were transgendered? Twelve cases of involuntary human experimentation by the U.S. government? How about the four porn novels written by famous authors, 11 books left out of the Bible and over 50 side effects of NutraSweet that have been reported to the FDA? In 1977, David Wallechinsky, Irving Wallace and Amy Wallace published *The Book of Lists*, causing an immediate sensation. Not only did it lead to three direct sequels (in 1980, 1983 and 1993), it

Downloaded from
legacy.opendemocracy.net on
2023-01-11 by guest

also created a new genre. Soon, shelves were lined with The First Original Unexpurgated Authentic Canadian Book of Lists (1978), The Book of Sports Lists (1979) and Meredith's Book of Bible Lists (1980), among many others. Using this popular, enduring format, Russ Kick's Disinformation Book of Lists delves into the murkier aspects of politics, current events, business, history, science, art and literature, sex, drugs, death and more. Despite such unusual subject matter, this book presents hard, substantiated facts with full references. Among the lists presented: Innocent People Freed from Prison Members of the Skull & Bones Secret Society at Yale Drugs Pulled Off the Market After They Killed Too Many People Legal Substances that Will Get You High Scenes that Were Cut from Movies Raunchy Songs that Were Never Released Military Officers, Government Officials, Astronauts, and Airline Personnel Who Say UFOs Are Real Words and Phrases No Longer Allowed in Textbooks

Aphrodite's Tortoise - Lloyd Llewellyn-Jones
2003-12-31

Greek women routinely wore the veil. That is the unexpected finding of this meticulous study, one with interesting implications for the origins of Western civilisation. The Greeks, popularly (and rightly) credited with the invention of civic openness, are revealed as also part of a more Eastern tradition of seclusion. Llewellyn-Jones' work proceeds from literary and, notably, from iconographic evidence. In sculpture and vase painting it demonstrates the presence of the veil, often covering the head, but also more unobtrusively folded back onto the shoulders. This discreet fashion not only gave a privileged view of the face to the ancient art consumer, but also, incidentally, allowed the veil to escape the notice of traditional modern scholarship. From Greek literary sources, the author shows that full veiling of the head and face was commonplace. He analyses the elaborate Greek vocabulary for veiling and explores what the veil

meant to achieve. He shows that the veil was a conscious extension of the house and was often referred to as 'tegidion', literally 'a little roof'. Veiling was thus an ingenious compromise; it allowed women to circulate in public while maintaining the ideal of a house-bound existence. Alert to the different types of veil used, the author uses Greek and more modern evidence

(mostly from the Arab world) to show how women could exploit and subvert the veil as a means of eloquent, sometimes emotional, communication. First published in 2003 and reissued as a paperback in 2010, Llewellyn-Jones' book has established itself as a central - and inspiring - text for the study of ancient women.
