### **Exploring Sexuality and Spirituality - 2020-10-20**

Exploring Spirituality and Sexuality: An Introduction to an Interdisciplinary Field is a collection of scholarly essays which focuses on the multiple interrelations of spirituality and sexuality, including such facets as intimate relationships, inner cultivation, gender empowerment, gender empowerment, sex education, eroticism, and ecstasy embodiments. *Red Hot Tantra* - David Alan Ramsdale 2004 Red Hot Tantra was the first book about red tantra -- the hot, lusty version of tantric sex. This book drops the robes of holiness to offer the first shamelessly erotic, blissfully sensual, and devoutly naughty tantric guide. When most

people think of tantric sex, they think of white tantra, which was developed by monks and encourages dispassionate remoteness. Red tantra, on the other hand, is an ancient, orgasm-positive, woman-centered tradition based on erotic goddess worship. This book combines erotic stories, instructions for a tantric experience, and a commentary on the insights dramatized by the story and experienced by the reader.

**The Alchemy of Sexual Energy** - Mantak Chia  
2009-12-23

Taoist techniques for replenishing our internal energy with universal cosmic energy • Shows how to transform excess sexual energy (Ching Chi) into self-healing energy • Presents advanced Cosmic Healing Chi Kung practices, which gather the limitless resources of Cosmic Chi for healing • Explains how opening of the three tan tiens to the six directions allows personal consciousness to connect directly to higher sources of energy Taoists consider our

sexual energy to be the creative force that we can use to regenerate the body's internal energy, but we must learn how to harness excess sexual energy and transform it into chi, or life-force energy. When we circulate the sexual energy in the Microcosmic Orbit--a continuous energy loop that runs up the spine and down the front of the body--we transform it into self-healing energy that can be stored in the organs and the three tan tiens: energy centers in the brain, the heart center, and the lower abdomen. The Alchemy of Sexual Energy builds upon Microcosmic Orbit practices discussed in Healing Light of the Tao. The more we open the flow of our internal energy the more capable we are of connecting to the cosmic energy that exists outside ourselves in the universe. By learning to open the three tan tiens to the six directions, the Taoist practitioner combines mind power with extension of chi to draw cosmic energy into the body. This energy, too, can be stored in the three tan tiens and used as needed

for healing. When we learn to flow in this way with the energy of the Tao, life ceases to be a struggle.

**Tantra** - Somananda Moses Maimon 2014-01-10

"Tantra: Sex for the Soul" humbly aims to go where no book of Tantra has gone before. For those who know nothing about Tantra, this book is bound to profoundly change your life. For those who have started down the path, it will deepen and enhance your knowledge. This perfect system - conceived with so much insight and wisdom thousands of years ago - is presented in a practical, step-by-step approach that guides newcomers as well as more experienced practitioners to reach a coherent understanding of sexual Tantra. This book - supplemented with many personal testimonials - guides the reader through the ins and outs of all aspects of Tantra: fundamental principles, energy and its control, sexology, men's and women's issues, individual training and techniques, relationships, lifestyle, tantric massage, and much more. Genuine in his commitment to share this lineage with modern seekers, Somananda Moses Maimon provides readers with one of the most comprehensive books available on this subject. [Healing Love through the Tao](#) - Mantak Chia

2005-07-15

A new edition of the bestseller • The first book to reveal in the West the Taoist techniques that enable women to cultivate and enhance their sexual energy • Reveals Taoist secrets for shortening menstruation, reducing cramps, and compressing more chi into the ovaries for greater sexual power • Teaches the practice of total body orgasm For thousands of years the sexual principles and techniques presented here were taught by Taoist masters in secret only to a small number of people (sworn to silence), in the royal courts and esoteric circles of China. This is the first book to make this ancient knowledge available to the West. The foundation of healing love is the cultivation, transformation, and circulation of sexual energy, known as jing. Jing energy is creative, generative energy that is vital for the development of chi (vital life-force energy) and shen (spiritual energy), which enables higher practices of spiritual development. Jing is produced in the sexual

organs, and it is energy women lose continually through menstruation and child bearing. Mantak Chia teaches powerful techniques developed by Taoist masters for the conservation of jing and how it is used to revitalize women's physical, mental, and spiritual well-being. Among the many benefits conferred by these practices are a reduction in the discomfort caused by menstruation and the ability to attain full-body orgasm.

The Good Good Pig and The Soul of an Octopus “A poem by American writer Kitty O’Meara has deservedly gone viral.”—Edinburgh Evening News And the People Stayed Home is a beautifully produced picture book featuring Kitty O’Meara’s popular, globally viral prose poem about the coronavirus pandemic, which has a hopeful and timeless message. Kitty O’Meara, author of And the People Stayed Home, has been called the “poet laureate of the pandemic.” This illustrated children’s book (ages 4-8) will also appeal to readers of all ages. O’Meara’s thoughtful poem about the pandemic, quarantine, and the future suggests there is meaning to be found in our shared experience of the coronavirus and conveys an optimistic message about the possibility of profound healing for people and the planet. Her words encourage us to look within, listen deeply, and connect with ourselves and the earth in order to heal. O’Meara, a former teacher and chaplain and a spiritual director, clearly captures

important aspects of the pandemic experience. Her words, written in March 2020 and shared on Facebook, immediately resonated nationally and internationally and were widely circulated on social media, covered in mainstream news media, and inspired an outpouring of creativity from musicians, dancers, artists, filmmakers, and more. The many highlights include an original composition by John Corigliano that was premiered by Renée Fleming.

negative emotions--anger, sadness, depression, fear, and worry--are seen as low-grade energy that causes chronic disease and steals our major life force by creating energy blockages. Master Mantak Chia shows that the internal awareness produced by the simple yet powerful Inner Smile meditation practice flushes the organs of poisonous negative energy that may be blocking chi energy flow in order to nourish the entire body. Just as a genuine outer smile transmits positive energy and has the power to warm and heal, an inner smile produces a high grade of energy that promotes powerful internal healing, deep relaxation, happiness, and longevity. Smiling to the organs and thanking them for the work they do helps to reawaken the intelligence of the body, which, once activated, can dissipate emotional imbalances and inner disharmony before serious illness manifests.

[The Sexual Teachings of the Jade Dragon](#) - Hsi Lai 2002-10-01

Reveals how the sexual practices of the Taoist

Jade Dragon can help men achieve "immortality" through the enhancement of their sexual prowess. • A companion guide to The Sexual Teachings of the White Tigress that focuses on the male side of White Tigress sexual practices. • Reveals the nine Jade Dragon exercises and other Taoist techniques for achieving the elixir of immortality. • Offers physical and spiritual solutions for the sexual issues facing men. Hsi Lai continues the work he began in The Sexual Teachings of the White Tigress by exploring more fully the male role in Taoist sexual transformation. As with those of the White Tigress, the techniques of the Jade Dragon are part of a disciplined sexual and spiritual practice. The goal for the Jade Dragon is health, longevity, and immortality through external and internal regimens for the enhancement and accumulation of the Three Treasures of Taoism--ching (sexual and physical energy), qi (breath and vital energy) and shen (spiritual and mental energy). The author presents the nine Jade

Dragon exercises that strengthen erections, enlarge the penis, increase semen quantity and quality, prevent premature ejaculations, and enhance sexual energy. He also details herbal remedies for revitalization that address both physical and spiritual sexual components, as well as ancient Taoist breathing and meditative practices and sexual stimulation techniques that amplify sexual intensity in order to create the elixir of immortality. Concluding with the importance of the interactions between and interdependence of White Tigresses and Jade Dragons, Hsi Lai shows the reader how these ancient Taoist secrets can be incorporated into a contemporary lifestyle.

The Wild Woman's Way - Michaela Boehm

"As pragmatic as it is compassionate, this

intimate, humorous, and ultimately relaxing invitation to re-wild yourself, stripping away all that is not your true nature, will leave you inspired and curious to discover the wild woman within" (Lissa Rankin, MD, New York Times bestselling author of *Mind Over Medicine*). For the high-achieving modern woman today, having a successful career, a fulfilling romantic relationship, and a satisfying personal life can feel like opposing goals. It has even become difficult to take the time to enjoy the simple pleasures in lives. We are stuck in "go-mode," damaging our romantic relationships, pleasure, and creativity. But what if there were a way to experience the simplest pleasures of our lives on a deeper level, freeing the body and psyche from these destructive patterns? Beyond our current stereotypes about femininity lies the ancient wisdom of the Wild Woman archetype, a model of building a feminine "body intelligence." By embodying this archetype and using tantra--not just in the bedroom, but also to build intimate

In *The Wild Woman's Way*, Michaela Boehm shares practical rituals and exercises drawn from years of experience as a celebrity relationship and life counselor and an expert in tantric yoga. She reveals the power of different types of touch, while also training you in forms of meditation and stretching that increase activity and sensual pleasure.

### **The Sexual Teachings of the White Tigress - Hsi Lai 2001-08-01**

- Reveals how the sexual practices of the White Tigress can preserve and restore a woman's physical youthfulness and mental energy.
- The first modern guide to White Tigress techniques, the only sexual teachings exclusively for women.
- Reveals for the first time in English the hidden teachings of immortal Hsi Wang Mu, a White Tigress from 3,000 years ago.
- Provides Western medical correlations to substantiate White Tigress practices. White Tigress women

undertake disciplined sexual and spiritual practices to maintain their beauty and youthfulness, realize their full feminine potential, and achieve immortality. Revealed here for the first time in English are the secrets of the White Tigress that have all but disappeared from the world. Under the guidance of Madame Lin, the matriarch of a distinguished White Tigress lineage still in existence in Taiwan, Hsi Lai was given the privilege to study these practices and record them from a modern perspective so they will be forever preserved. The vast majority of Taoist texts on alchemy, meditation, and sexuality are directed at male practitioners. The *Sexual Teachings of the White Tigress* presents traditions that focus on women, traditions that stem from a long line of courtesans and female Taoists. Translations of the ancient teachings from a rare White Tigress manual dating back 3,000 years explain the sexual and spiritual refinement of ching (sexual energy), chi (vital energy), and shen

Taoist Foreplay - Mantak Chia 2010-07-13

Sexual techniques and traditional Chinese medicine for increased pleasure • Reveals how to enhance relationships by harmonizing male and female energies • Includes easy-to-follow, illustrated acupressure massage routines • Shows how to maintain sexual health with prostate massage and jade egg exercises Taught to Chinese emperors, their wives, and their concubines for thousands of years, Taoist sexual techniques help lovers harmonize their cycles of pleasure and utilize the abundance of reproductive power that is otherwise wasted in non-procreative sex. Combining the study of sex

with traditional Chinese medicine, these practices stimulate and sustain sexual desire through the meridians and pressure points and enhance relationships by harmonizing male (yang) and female (yin) energies. Using easy-to-follow illustrations, Taoist Foreplay guides lovers through simple acupressure massage routines connecting all the points and channels that increase pleasure and spark arousal. It shows how to prolong peak moments, maintain sexual health through prostate massage and jade egg exercises, and sustain the intensity of first love through all the seasons of a maturing relationship. It also explains how to reveal and overcome incompatibility with the Taoist Zodiac. From foreplay to climax, these practices offer a way to keep the flame of sexual energy alive.
