

To Have Loved Lost A New Adult Lesbian Romance Rosemont Duology Book 1

#CassiNova - Lori G. Matthews 2020-11-01

Samantha Cassidy, award-winning actress, up-and-coming Hollywood "It Girl", is missing three things in her life: an Oscar, a special someone to share her life with, and a baby goat in pajamas. Alex Novato married her college sweetheart, but tragedy struck and the love of her life was ripped from her arms. Now she refuses to open her heart again, choosing casual sex over deeper commitments, until a not-so-chance meeting with her favorite Hollywood starlet turns her world upside down. Will Alex give love another try? Will Sam find the courage to follow her heart, Hollywood be damned? Will anyone get a baby goat in pajamas? #CassiNova is a sweet, funny, fun romp through the Hollywood Hills.

Anika Takes the Long Way Home Up Soul Mountain - Eliza Andrews 2017-08-05

You can't outrun your past. If you try, it will chase after you in a silver DeLorean. The last thing Anika Singh wants is to go home to Ohio, but when her mother is diagnosed with cancer, what choice does she really have? She'll go home if she has to, but she won't stay long. Because all Marcine, Ohio, has for Anika is bad memories -- memories of being an outcast, even within her own family, and memories of a perfect love that was soured by betrayal. Jenny's betrayal. Anika's high school sweetheart-turned-ex-wife. Anika hopes she won't run into Jenny... Or maybe she hopes she will run into her. It's hard to say. Then there's Amy, a dark-haired beauty Anika meets on the flight to Cleveland, who happens to be in Marcine for a friend's wedding. Nothing serious can happen with Amy; she's only going to be in town for a week. Which means that falling for her would be stupid, especially given the fact that Jenny might be available again. But Anika is famous for doing stupid things. A story flavored with curry and cornbread, family drama, and a whole lot of f-bombs, Anika takes the long way home up soul mountain will have you laughing, crying, and

grimacing as Anika gets chased around by a silver DeLorean and attempts to answer the age-old question: Can you ever really go home again? Click buy now to start reading today! Contemporary Anarchist Studies - Randall Amster 2009-02-10

This volume of collected essays by some of the most prominent academics studying anarchism bridges the gap between anarchist activism on the streets and anarchist theory in the academy. Focusing on anarchist theory, pedagogy, methodologies, praxis, and the future, this edition will strike a chord for anyone interested in radical social change. This interdisciplinary work highlights connections between anarchism and other perspectives such as feminism, queer theory, critical race theory, disability studies, post-modernism and post-structuralism, animal liberation, and environmental justice. Featuring original articles, this volume brings together a wide variety of anarchist voices whilst stressing anarchism's tradition of dissent. This book is a must buy for the critical teacher, student, and activist interested in the state of the art of anarchism studies.

Subterranean Kerouac - Ellis Amburn 1999-11-29

Drawing upon original interviews and his own relationship with Kerouac, Ellis Amburn reveals an inner man who has not appeared in any previous biography—a man torn by his conflicting desires and beliefs. *Subterranean Kerouac* has been singled out as one of the most significant biographies to appear in years, and it shows how Kerouac struggled throughout his life with poverty, alcoholism, and his doubts about his

own lifestyle of substance abuse, indolence, and promiscuity.

Aristotle and Dante Discover the Secrets of the Universe - Benjamin Alire Sáenz 2021-05-06

Aristotle and Dante Discover the Secrets of the Universe is the beloved cult classic about family, friendship and first love, from award-winning author Benjamin Alire Sáenz. This lyrical novel will enrapture readers of John Green, *Love, Simon* and *Call Me by Your Name*. Aristotle is an angry teen with a brother in prison. Dante is a know-it-all who has a unique perspective on life. When the two meet at the swimming pool, they seem to have nothing in common. But as the loners start spending time together, they develop a special friendship - the kind that changes lives and lasts a lifetime. And it is through this friendship that Ari and Dante will learn the most important truths about the universe, themselves and the kind of people they want to be. This incredibly moving and powerful Printz Honor Book follows two teen boys learning to open themselves up to love, despite the world being against them. 'A tender, honest exploration of identity' - Publishers Weekly

Finding Family - Jamey Moody 2020-08-27

How many life changing events can a brand new relationship stand? Erin Evans is hoping the fourth time's the charm in her quest to have a baby. At forty-one she's out of time and doing this on her own. She knows the odds of finding her happily-ever-after are slim, but she wants to be a mother more than anything. A semi-flirtatious conversation with a tall, fit, dark-haired woman in the waiting room of her fertility clinic gives Erin pause, which she attributes to hormones until she comes out of her procedure to find the alluring Desi Shaw still waiting. What Desi does next surprises them both... This is Book Two in the Your Way Series. Get yours now! Each is a stand alone.

The Spectacle of Disintegration - McKenzie Wark 2013-03-12

Following his acclaimed history of the Situationist International up until the late sixties, *The Beach Beneath the Street*, McKenzie Wark returns with a companion volume which puts the late work of the Situationists in a broader and deeper context, charting their contemporary relevance and their deep critique of modernity. Wark builds on their work to map

the historical stages of the society of the spectacle, from the diffuse to the integrated to what he calls the disintegrating spectacle. The Spectacle of Disintegration takes the reader through the critique of political aesthetics of former Situationist T.J. Clark, the Fourierist utopia of Raoul Vaneigem, René Vienet's earthy situationist cinema, Gianfranco Sanguinetti's pranking of the Italian ruling class, Alice-Becker Ho's account of the anonymous language of the Romany, Guy Debord's late films and his surprising work as a game designer. At once an extraordinary counter history of radical praxis and a call to arms in the age of financial crisis and the resurgence of the streets, *The Spectacle of Disintegration* recalls the hidden journeys taken in the attempt to leave the twentieth century, and plots an exit from the twenty first. The dustjacket unfolds to reveal a fold-out poster of the collaborative graphic essay combining text selected by McKenzie Wark with composition and drawings by Kevin C. Pyle.

Princess of Dorsa - Eliza Andrews 2018-12-24

The fate of an empire lies in the hands of one untested princess. Rebellious Princess Natasia has always known that her fate is to marry a man her father can shape into his heir. But everything changes after a would-be assassin nearly takes Tasia's life. Someone with means and connections is obviously trying to destabilize the Empire, but who? No noble family is above suspicion, so the Emperor takes the extraordinary step of naming his daughter his true heir. Tasia suddenly finds herself saddled with learning to rule an entire Empire. But there are enemies on every side, threatening to disrupt the Empire's fragile peace -- there's the long-standing and deeply unpopular war in the East, disagreements amongst her father's closest advisors, angry lords threatening their defiance, and rumors of a faraway kingdom trying to sow discord. Can Tasia rise to the occasion? Will she be the leader her father believes her to be? Or is the Empire doomed to fall? For fans of epic fantasy... with an LGBTQ twist.

Marxism in a Lost Century - Gary Roth 2014-12-22

Marxism in a Lost Century retells the history of the radical left during the twentieth century through the words and deeds of Paul Mattick. Three biographical themes receive special

attention -- the self-taught nature of left-wing activity, Mattick's publishing endeavors, and the nexus of men, politics, and friendship.

Skin of Tattoos - Christina Hoag 2023-06-22

An Echo in the City - K. X. Song 2023-06-20
Two star-crossed teenagers fall in love during the Hong Kong protests in this searing contemporary novel about coming-of-age in a time of change. Sixteen-year-old Phoenix knows her parents have invested thousands of dollars to help her leave Hong Kong and get an elite Ivy League education. They think America means big status, big dreams, and big bank accounts. But Phoenix doesn't want big; she just wants home. The trouble is, she doesn't know where that is ... until the Hong Kong protest movement unfolds, and she learns the city she's come to love is in danger of disappearing. Seventeen-year-old Kai sees himself as an artist, not a filial son, and certainly not a cop. But when his mother dies, he's forced to leave Shanghai to reunite with his estranged father, a respected police officer, who's already enrolled him in the Hong Kong police academy. Kai wants to hate his job, but instead, he finds himself craving his father's approval. And when he accidentally swaps phones with Phoenix and discovers she's part of a protest network, he finds a way to earn it: by infiltrating the group and reporting their plans back to the police. As Kai and Phoenix join the struggle for the future of Hong Kong, a spark forms between them, pulling them together even as their two worlds try to force them apart. But when their relationship is built on secrets and deception, will they still love the person left behind when the lies fall away?

The Seduction of Modern Spain - Aurora G. Morcillo 2010

This book will be essential for scholars and students interested in Ibero-American cultural studies, gender, religion, and totalitarian politics. --Book Jacket.

The Hearts We Sold - Emily Lloyd-Jones 2017-08-08

An intoxicating blend of fantasy, horror, and romance--a Faustian fable perfect for fans of Holly Black, and Stranger Things. Dee Moreno is out of options. Her home life sucks (to put it mildly), and she's about to get booted from her boarding school--the only place she's ever felt

free--for lack of funds. But this is a world where demons exist, and the demons are there to make deals: one human body part in exchange for one wish come true. The demon who Dee approaches doesn't trade in the usual arms and legs, however. He's only interested in her heart. And what comes after Dee makes her deal is a nightmare far bigger, far more monstrous than anything she ever could have imagined. Reality is turned on its head, and Dee has only her fellow "heartless," the charming but secretive James Lancer, to keep her grounded. As something like love grows between them amid an otherworldly threat, Dee begins to wonder: Can she give James her heart when it's no longer hers to give? In *The Hearts We Sold*, demons can be outwitted, hearts can be reclaimed, monsters can be fought, and love isn't impossible. This book will steal your heart and break it, and leave you begging for more.

Surrealism and Architecture - Thomas Mical 2005

Twenty-one essays examining the relationship of surrealist thought to architectural theory and practice.

Bigger Monsters - Eliza Andrews 2021-02-17
Who would you be during the zombie apocalypse - the hunter or the hunted? Some zombie apocalypse stories are full of fighting and gore and dramatic battles and narrow escapes. If that's the kind of zombie tale you're looking for, look elsewhere, because this is not that story. This is a zombie apocalypse story about the choices we're faced with when trying to survive. Specifically, it's about Willow (just call her Will), her dysfunctional mother, and the fiancé who recently cheated on her. When the three of them stumble across a post-apocalyptic vegan hippie commune in the mountains of North Carolina, they think they've found a true utopia. (Well, except for the veganism. And all the hippies.) The community takes them in without realizing that Will and her companions are harboring a dark secret - a secret Will, her mom, and her fiancé will do almost anything to keep hidden. But when mother nature transforms their new utopia into a dystopia, Will and the community she's with face some hard choices. Ultimately, no matter what the survivors each believe about themselves, they are reminded that the only real choice you can make in a zombie apocalypse is

the choice between being the hunter or the hunted. There's not a lot in between. Bigger Monsters is a little bit The Walking Dead, a little bit The L Word, and 100 percent a wild ride.

Clinical Case Studies for the Family Nurse Practitioner - Leslie Neal-Boylan 2011-11-28
Clinical Case Studies for the Family Nurse Practitioner is a key resource for advanced practice nurses and graduate students seeking to test their skills in assessing, diagnosing, and managing cases in family and primary care. Composed of more than 70 cases ranging from common to unique, the book compiles years of experience from experts in the field. It is organized chronologically, presenting cases from neonatal to geriatric care in a standard approach built on the SOAP format. This includes differential diagnosis and a series of critical thinking questions ideal for self-assessment or classroom use.

Free Comrades - Terence S. Kissack 2008
Fully indexed work on anarchism as it intersected with sexual politics at a time when homosexuality was considered to be gross indecency' and when Oscar Wilde was imprisoned for two years in a spectacular show trial. Emma Goldman, among other anarchists, was a staunch defender of the right to sexual freedom, speaking and writing on what they saw as an oppressive misuse of state power. Includes writings from the earliest days of sexual politics through to the transforming events of Stonewall.'

Streets with a Story - Eric A. Willats 1987

Surrealist Women - Penelope Rosemont
2010-07-05

Beginning in Paris in the 1920s, women poets, essayists, painters, and artists in other media have actively collaborated in defining and refining surrealism's basic project—achieving a higher, open, and dynamic consciousness, from which no aspect of the real or the imaginary is rejected. Indeed, few artistic or social movements can boast as many women forebears, founders, and participants—perhaps only feminism itself. Yet outside the movement, women's contributions to surrealism have been largely ignored or simply unknown. This anthology, the first of its kind in any language, displays the range and significance of women's

contributions to surrealism. Letting surrealist women speak for themselves, Penelope Rosemont has assembled nearly three hundred texts by ninety-six women from twenty-eight countries. She opens the book with a succinct summary of surrealism's basic aims and principles, followed by a discussion of the place of gender in the movement's origins. She then organizes the book into historical periods ranging from the 1920s to the present, with introductions that describe trends in the movement during each period. Rosemont also prefaces each surrealist's work with a brief biographical statement.

The Life and Afterlife of Gay Neighborhoods - Alex Bitterman 2021-03-19

This open access book examines the significance of gay neighborhoods (or 'gayborhoods') from critical periods of formation during the gay liberation and freedom movements of the 1960s and 1970s, to proven durability through the HIV/AIDS pandemic during the 1980s and 1990s, to a mature plateau since 2000. The book provides a framework for contemplating the future form and function of gay neighborhoods. Social and cultural shifts within gay neighborhoods are used as a framework for understanding the decades-long struggle for LGBTQ+ rights and equality. Resulting from gentrification, weakening social stigma, and enhanced rights for LGBTQ+ people, gay neighborhoods have recently become "less gay," following a 50-year period of resilience. Meanwhile, other neighborhoods are becoming "more gay," due to changing preferences of LGBTQ+ individuals and a propensity for LGBTQ+ families to form community in areas away from established gayborhoods. The current 'plateau' in the evolution of gay neighborhoods is characterized by generational differences—between Baby Boom pioneers and Millennials who favour broad inclusivity—signaling various possible trajectories for the future 'afterlife' of these important LGBTQ+ urban spaces. The complicating impacts of the COVID-19 pandemic provides a point of comparison for lessons learned from gay neighborhoods and the LGBTQ+ community that bravely endured the onset of the HIV/AIDS pandemic. This book will be of interest to students and scholars in various

disciplines—including sociology, social work, anthropology, gender and sexuality, LGTBQ+ and queer studies, as well as urban geography,

architecture, and city planning—and to policymakers and advocates concerned with LGBTQ+ rights and social justice.
