The Right Kind of Strong Mary A. Kassian 2019-07-30 Award-winning author Mary Kassian provides readers a biblical guide to becoming the strong, resilient, capable women God created them to be. Our culture teaches us that it's important for women to be strong. The Bible agrees. Unfortunately, culture's idea of what makes a woman strong doesn't always align with the Bible's. As a result, Christians often have a skewed view of what constitutes strength. In *The Right Kind of Strong*, Mary Kassian delves into Paul's exhortation in 2 Timothy about the women of the church in Ephesus and uncovers warnings and truths about seven habits that can sap women's strength. She helps readers avoid these pitfalls by carefully considering the people they allow into their lives, taking control of their minds by taking every thought captive, quickly and regularly confessing sin, intentionally engaging their emotions, living out what they're learning, developing confident convictions, and embracing their human weakness and leaning on the Lord. She reveals how, by implementing these seven habits, Christian women can walk in freedom and grow to be strong God's way.

Lies Women Believe Nancy Leigh DeMoss 2007-05-01 Counter the lies that keep you from abundant

living. Satan is the master deceiver and his lies are endless. And the lies Christian women believe are at the root of most of their struggles. "Many women live under a cloud of personal guilt and condemnation," says Nancy DeMoss Wolgemuth. "Many are in bondage to their past. Others are gripped by fear of rejection and a longing for approval. Still others are emotional prisoners." In best selling *Lies Women Believe*, Nancy exposes those areas of deception most commonly believed by Christian women—lies about God, sin, priorities, marriage and family, emotions, and more. She then sheds light on how we can be delivered from bondage and set free to walk in God's grace, forgiveness, and abundant life. Nancy offers the most effective weapon to ounter and overcome Satan's deceptions: God's truth!

Designed for Joy Owen Strachan 2015-07-15 "Male and female he created them." —Genesis 1:27 It's one of the most important—and controversial—topics of our time. God created men and women in his image—equal in value and complementary in roles. These distinctive roles are not the vestiges of a bygone era, but integral to God's timeless good design for humanity. *Designed for Joy* includes fresh contributions from fourteen young leaders, casting a unified vision for Christian manhood and womanhood. Whether discussing the significance of gender, the truth about masculinity and femininity, the blessing of purity, or the challenge of raising children in a confusing world, this practical resource challenges us to embrace God's good design—for his glory and our joy.

But God offered something better: his sustaining grace.

Wild at Heart John Eldredge 2011-03-22 John Eldredge revises and updates his best-selling,

renowned Christian classic. God designed men to be dangerous, says John Eldredge. Simply look at the dreams and desires written in the heart of every boy: To be a hero, to be a warrior, to live a life of adventure and risk. Sadly, most men abandon those dreams and desires-aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative book, Eldredge gives women a look inside the true heart of a man and gives men permission to be what God designed them to be-dangerous, passionate, alive, and free.

[Radical Womanhood](#) Carolyn McCulley 2008-10-01 Biblical womanhood is not for the weak. In an age that seeks to obliterate God and His authority, modeling biblical womanhood involves spiritual warfare. RadicalWomanhood seeks to equip new believers and long-time Christians alike, exposing the anti-God agenda of the three waves of feminism to date and presenting the pro-woman truth of the Scriptures. Illustrated with numerous personal testimonies, this book will dig deep into the Word and show how it can be lived out today. The foundation and core message of Radical Womanhood is consistent with the traditional complementarian teaching on biblical womanhood. However, the target audience, tone, and style are radically different. Most books on this subject take a heavily didactic tone that assumes an awareness of Christian lingo and a high degree of spiritual maturity. Radical Womanhood has the narrative approach appreciated by postmodern readers, but still incorporates solid, biblically-based teaching for personal application and growth.

Mary and Early Christian Women Ally Kateusz 2019-02-18 This book is open access under a CC

BY-NC-ND license. This book reveals exciting early Christian evidence that Mary was remembered as a powerful role model for women leaders—women apostles, baptizers, and presiders at the ritual meal. Early Christian art portrays Mary and other women clergy serving as deacon, presbyter/priest, and bishop. In addition, the two oldest surviving artifacts to depict people at an altar table inside a real church depict women and men in a gender-parallel liturgy inside two of the most important churches in Christendom—Old Saint Peter’s Basilica in Rome and the second Hagia Sophia in Constantinople. Dr. Kateusz’s research brings to light centuries of censorship, both ancient and modern, and debunks the modern imagination that from the beginning only men were apostles and clergy.

Girls Gone Wise in a World Gone Wild Mary A. Kassian 2010 As Jesus' favorite and most powerful teaching tactic was the parable, it is appropriate that Kassian walks the reader through the compelling tale of the wild versus wise woman found in Proverbs 7.

Understanding the Purpose and Power of Women Myles Munroe 2009-10-27 Women of every culture and society are facing the dilemma of identity. Traditional views of what it means to be a woman and changing cultural and marital roles are causing women conflict in their relationships with men. Women are under tremendous stress as they struggle to discover who they are and what role they are to play today—in the family, the community, and the world. In this expanded edition of *Understanding the Purpose and Power of Women*, now with helpful study questions following each chapter, best-selling author Dr. Myles Munroe examines societies’ attitudes toward women and addresses vital issues such as: Are women and men equal? How is a woman unique from a man? What does the Bible really teach about women? Is the woman to blame for the fall of mankind? What are the purpose and design of the woman? Should women be in leadership? What is a woman’s basic

communication style? What are a woman's emotional and sexual needs? What is a woman's potential? To live successfully in the world, women need a new awareness of who they are and new skills to meet today's challenges. Whether you are a woman or a man, married or single, this book will help you to understand the woman as she was meant to be.

True Woman 101: Divine Design Mary A Kassian 2012-03-01 What does it mean to be a woman? The current cultural ideal for womanhood encourages women to be strident, sexual, self-centered, independent -- and above all -- powerful and in control. But sadly, this model of womanhood hasn't delivered the happiness and fulfillment it promised. The Bible teaches that it's not up to us to decide what womanhood is all about. God created male and female for a very specific purpose. His design isn't arbitrary or unimportant. It is very intentional and He wants women to discover, embrace, and delight in the beauty of His design. He's looking for True Women! Bible teachers Mary A. Kassian and Nancy Leigh DeMoss share the key fundamentals of biblical womanhood in this eight week study. Each week includes five daily individual lessons leading to a group time of sharing and digging deeper into God's Word. And to enhance this time of learning together, on-line videos are available featuring Mary and Nancy as they encourage women to discover and embrace God's design and mission for their lives. A True Woman Book The goal of the True Woman publishing line is to encourage women to: Discover, embrace, and delight in God's divine design and mission for their lives Reflect the beauty and heart of Jesus Christ to their world Intentionally pass the baton of Truth on to the next generation Pray earnestly for an outpouring of God's Spirit in their families, churches, nation and world

Biblical Foundations for Manhood and Womanhood Wayne Grudem 2002-10-04 For years a debate has raged over how to define true masculinity and true femininity. While there is agreement that men and women share equally in the privilege of being made in God's image, some views of manhood and womanhood blur God-given gender distinctions. Wayne Grudem assembled a team of distinguished writers to show how egalitarian views destroy God's ideal for your relationships, marriage, and life purposes. The contributors to this book include: John Piper, Pastor of Bethlehem Baptist Church, Minneapolis, Minnesota Bruce A. Ware, Senior Associate Dean of the School of Theology and Professor of Christian Theology at The Southern Baptist Theological Seminary Richard

W. Hove, Director of Campus Crusade for Christ at Duke University Daniel Doriani, Dean of the Faculty and Professor of New Testament at Covenant Theological Seminary Daniel R. Heimbach, Professor of Christian Ethics at Southeastern Baptist Theological Seminary Peter Jones, Professor of New Testament at Westminster Theological Seminary in California These writers explore key issues, including the interchangeability of male-female roles, the meaning of submission, and the historical novelty of egalitarian interpretations of Scripture. This book will demonstrate how some views of manhood and womanhood tamper with our understanding of God's character and why the extremes of male domination and feminism destroy the beauty of our sexual differences-differences that celebrate the excellence of men and women as God created us.

Kingdom Woman Tony Evans 2013-07-16 A kingdom woman gives the devil as much reason to fear as a kingdom man. She lives confidently in the knowledge that Christ died and rose for her so that she can experience the significance of the destiny to which she has been called. In *Kingdom Woman*, Tony Evans and his daughter, Chrystal Evans Hurst, remind women of their calling from God to be free, delivered, healed, and hopeful. The authors bring insight that encourages women to correct distorted perceptions and understand who they really are in Christ—never settling for less when connected with the One who gives them hope. All believers are covered by God's covenant with Abraham. Evans and Hurst want women to know these rights and confidently claim and live by them. The new covenant offers more than a life of mediocrity. A kingdom woman is called and empowered to live a life of victory through Christ!

Not Yet Married Marshall Segal 2017-06-20 Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. *Not Yet Married* is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.

Subversive Spirituality Eugene H. Peterson 1997-06-27 In *Subversive Spirituality* Peterson has gathered together a host of writings penned over the past twenty-five years that reflect on the overlooked facets of the spiritual life. Comprising occasional pieces, short biblical studies, poetry, pastoral readings, and interviews, this work captures the epiphanies of life with the pleasing pastoral style and inspiring depth of insight for which Peterson is well known. Peterson describes his book this way: "This gathering of articles and essays, poems and conversations, is a kind of kitchen midden of my noticings of the obvious in the course of living out the Christian life in the vocational context of pastor, writer, and professor. The randomness and repetitions and false starts are rough edges that I am leaving as is in the interests of honesty. Spirituality is not, by and large, smooth. I do hope, however, that these pieces will be found to be freshly phrased".
