Circus of the Damned - Laurell K. Hamilton
2010-01-07

'Most women complain that there are no single straight men left. I'd just like to meet one that's human.' I'm Anita Blake, expert on creatures of the night. I've dined with shapeshifters, danced with werewolves, and been wooed - but not won - by Jean-Claude, the Vampire Master of the City. And now a darkly dangerous vampire named Alejandro has hit town. He wants me for his human servant. A war of the undead has begun. Over me ...

Danse Macabre - Laurell K. Hamilton
2010-05-13

'It was the middle of November, I was supposed to be out jogging, but instead I was sitting at my breakfast table talking about men, sex, werewolves and vampires. I should be concentrating on my dangerous situation - the ardeur between me and Jean-Claude, Master Vampire of the City, and Richard, my werewolf lover, is reaching new levels, evolving into something altogether new, acting with a will of its own.' But instead Anita Blake, preternatural

expert and feared executioner, is less interested in vampire politics than in the ancient, ordinary dread that women down the ages have experienced: am I pregnant? And, if so, is the father a vampire, a werewolf or someone else entirely. And being a Federal Marshall, known for raising the dead and hunting vampires, is no way to bring up a baby.

Good Intentions - Elliott Kay 2013-06-03

He knew it was a dumb stunt from the start. A midnight run through a cemetery to impress a couple of girls is hardly the stuff of legend, but Alex Carlisle longs to escape the crushing mediocrity of life after high school. Then he stumbles upon the ritual, and the cultists, and two bound and bloodied women. Alex intervenes and the ritual blows up in his face, leaving him bound to them both: Rachel and Lorelei, an angel and a succubus. It's hardly the sort of challenge a guy can face with dignity when he still lives at home with his mom. Alex never imagined falling for an immortal demon

seductress, or that he'd spend his nights dodging her co-workers, her old boss, and every other supernatural freak in Seattle. He never thought a woman like Lorelei could have a rival like Rachel, either. But then, nobody ever said adulthood would be easy. WARNING: "Good Intentions" contains explicit sexuality, violence, nudity, inappropriate use of church property, portrayals of beings divine and demonic bearing little or no resemblance to established religion or mythology, trespassing, bad language, sacrilege, blasphemy, attempted murder, arguable murder, divinely mandated murder, justifiable murder, filthy murder, sexual promiscuity, kidnapping, attempted rape, arson, dead animals, desecrated graves, gang activity, theft, assault and battery, panties, misuse of the 911 system, fantasy depictions of sorcery and witchcraft, multiple references to various matters of fandom, questionable interrogation tactics, cell phone abuse, reckless driving, consistent abuse of vampires (because they

That Time I Got Drunk and Saved a Demon - Kimberly Lemming 2023-05-23

Spice trader Cinnamon's quiet life is turned upside down when she ends up on a quest with a fiery demon, in this irreverently quirky rom-com fantasy that is sweet, steamy, and funny as hell. All she wanted to do was live her life in peace—maybe get a cat, expand the family spice farm. Really, anything that didn't involve going on an adventure where an orc might rip her face off. But they say the goddess has favorites, and if

so, Cin is clearly not one of them. After Cin saves the demon Fallon in a wine-drunk stupor, Fallon reveals that all he really wants to do is kill an evil witch enslaving his people. And who can blame him? But now he's dragging Cinnamon along for the ride whether she likes it or not. On the bright side, at least he keeps burning off his shirt....

Any Given Doomsday - Lori Handeland
2014-11-18

Preventing the Apocalypse, one demon at a time . . . Elizabeth Phoenix, Liz to my friends, just an ex-cop whose psychic abilities got her partner killed. Next thing I know, I'm fighting a supernatural battle against the Nephilim, monsters of Biblical proportion, intent on bringing about doomsday. If only I didn't have to work with the one, the only man I've ever loved, half-vampire Jimmy Sanducci. That relationship did not end well and I haven't forgotten, or forgiven, him yet. With new powers I'm unable to control, I'm forced to beg help from Sawyer, a

'This book is bloody brilliant' V.E. Schwab 'A ripping read' Joe Abercrombie
Hoofin' It - R.J. Blain 2017-09-10

All Shane wanted was to get away from the wreckage of his career for a while. He picked New York City to provide him with a distraction from his early, unwanted retirement from the police force. New York City delivered, distracting him with three corpses and a miniature llama with a spitting problem and an attitude. If he wants to return to a normal life, he'll have to face off against a sex trafficking ring targeting the woman of his dreams, ancient vampires, murderous criminals, his parents, and an FBI agent with a hidden agenda. Some days,

it isn't easy being an ex-cop. Warning: This novel contains excessive humor, action, excitement, adventure, magic, romance, and bodies. Proceed with caution.

Narcissus in Chains - Laurell K. Hamilton
2010-04-01

An Anita Blake, Vampire Hunter, novel
'Something in the look on my face must have frightened him, because his eyes widened, and I saw something like human fear cross his reptilian face.' I'm Anita Blake and I kill monsters. The last thing I want to think about though when I get home after a night out is work. But someone has abducted a wereleopard from the Narcissus in Chains club. It's a dark world out there with shapeshifter crime and were-creature struggles. I may not have seen Jean-Claude, the Vampire Master of the City, for six months, but I need his help now, whatever the consequences. Someone is targeting the lycanthropes and we have to save them.

The Nightlife New York - Travis Luedke

2014-02-03

The Nightlife Series is violent, sexy, and occasionally violently sexy. Vampires, strippers, escorts, night clubs, pimps and dirty cops - the Nightlife New York is never boring. Aaron Pilan's life is forever changed when he's shot trying to rescue a drop-dead gorgeous woman on the streets of New York. Aaron is thrust into the shocking world of vampiric slavery when Michelle shares her blood to save his life. Michelle's existence as a solitary vampire is also altered when she accepts this naive young man into her life. Bound by her blood, Aaron is subject to her authority. He walks a tightrope of strictly controlled feeding regiments and intense sexual adventures while catering to the neurotic control-freak tendencies of his new master. She vows to eliminate him if he proves too difficult to control. This story is bold and evocative, infusing blood, sex, love and turmoil in an urban drama about two vampires battling evil outside and within themselves. >>> "If you like your vampires

vicious and bloody, and your erotica with a plot, this is the book for you." >>> "Luedke brings his main characters to life, both incredibly flawed and powerfully charismatic, with a wonderful writing style, in this unique twist on the Vampire." >>> "This is unlike any vampire tale I have ever read, and is as far removed from Bram Stoker's Dracula, as New York is from Transylvania. Travis Luedke has fashioned a compelling tale of love, passion, violence and steamy hot sex, set against the backdrop of the Big Apple." experimented on by a shadowy human order, along with other immortals. During a prison break that devolved into one of the bloodiest massacres in recent history, he escapes. But the aftermath of his unspeakable torture preys on his damaged mind, while the wolf inside him roars for vengeance and carnage. In the days leading up to the full moon, can MacRieve rein in his beast, even when he encounters his mate - a vexingly impossible female unlike anything he'd ever dreamed for himself? Praise for Kresley Cole: 'Kresley Cole knows what paranormal romance readers crave and superbly delivers on every page...' Single Titles on Kiss of a Demon King 'Not just another romantic read . . . this is a powerful experience!' Reader to Reader Reviews on A Hunger Like No Other **Succubus Blues** - Richelle Mead 2010-01-26 When it comes to jobs in hell, being a succubus seems pretty glamorous. A girl can be anything she wants, the wardrobe is killer, and mortal men will do anything just for a touch. Granted,

they can often pay with their souls, but why get technical? But Seattle succubus Georgina Kincaid's life is far less exotic. Her boss is a middle-management demon with a thing for John Cusack movies. Her immortal best friends haven't stopped teasing her about the time she shape-shifted into the Demon Goddess getup complete with whip and wings. And she can't have a decent date without the sucking away part of the guy's life. At least there's her day job at a local bookstore - free books; all the white chocolate mochas she can drink; and easy access to bestselling, sexy writer, Seth Mortensen, aka He Whom She Would Give Anything to Touch but Can't. But dreaming about Seth will have to wait. Something wicked is at work in Seattle's demon underground. And for once, all of her hot charms and drop-dead one-liners won't help because Georgina's about to discover there are some creatures out there that both heaven and hell want to deny...

She was supposed to be dead, but the Mother of All Darkness is the first vampire, and it's hard to kill a god. But the body she wants to possess is already taken ... And if the Mother of All Darkness can't succeed in taking over my body for herself, she means to see that no one else has the use of it, ever again.

Vampire Slave Series - Crystal Lufsey

Amabell doesn't know is that she's apart of a prophecy that, if successful, will restore peace for both humans and vampires. That is, if her destined vampire wanted her.
