Men Are Stupid - Richard D. Wright, Jr. 2019-10-22

If you've lost your ex, not all hope is lost! In fact, you have every chance in the world to get your former partner back. And this book is one of the essential keys to doing it. You may have been advised to follow your heart if you wish to have the person you love back at your side. While that's certainly good advice, it is not all you should do. At the end of the day, you need to think of reconciliation as a goal. If you have a goal, then the next thing you need is a plan and a strategy. That means planning, considering the pros and cons, and carefully weighing your options. However, with this book you're in the best position to get your ex back - and it starts the very moment you start reading and implementing what I teach you. This book will explain some very simple tactics that can give your ex a completely different view of the person you are and get her to fall in love with you all over again. But more importantly, I will help you determine exactly why you lost her in the first place, how to shift your focus from her onto you to break the energy attachment, and show you how to keep her this time by actually becoming a better man and being her best option. While it may seem completely counter-intuitive but focusing on yourself is the critical first step in getting your ex back and keeping her. This book will start from square one and lead you through all the steps to getting the woman you've been after, whether it's your ex or someone even better. We cover the essentials to developing yourself so that you are attractive to women. How to determine what type of woman is best for you. How to pull off the romance she so desperately wants. And most importantly to your success, how to build your own self-confidence so that you are comfortable doing anything. If you master the techniques presented in this book, you will have all of the tools necessary to make women find you irresistible. I titled the book "Men Are Stupid" because so many men spend so much time and energy trying to play games and manipulate women all in an effort to "trick" her and get her into bed. I said men are stupid because they fail to realize that women are incredible creatures and are just as, if not more, sexual and sensual than men. They want sex just as much as we do. You don't need to play games or tricks. You just simply need to understand that women get turned on from the inside out. You must seduce her mind first, then everything else will open. The best way to find and maintain a relationship with a woman is to first understand how she operates, what turns her on, and how to keep her interested. Once you understand these key points you will unlock the secrets of seducing a woman. The first thing to do is to get inside her mind, and determine her inner workings. Once you truly understand how she works, everything else will fall into place. Good Luck in your journey!

American Short Stories 2022 - Serene Song 2022-11-01

Serene Song is her pen name. She is striving to write very important, great books that can be found in school libraries across America among the classic novels and short stories. It was very depressing for any

young person who wanted to read good books for empowerment, nurture, and for broadening our horizon and to elevate our minds to find less than good books. Her 1st published work, American Short Stories 2022 is a collection of 6 original short stories and 1 biography. A short biography of Cleopatra, the most beautiful woman in the world who was a Ruler of Egypt and her true love story—It should warm your heart. New York City Precinct, 2021 is anti-promiscuity and anti-bigotry original short story set in bustling New York City when a young woman is arrested for no reason... find out why. Bald American Eagles is a short story about True Love, but it just talks about it. Marvel's Fast Spinners is a heartbreaking fictional story and characters of talking puppies and kittens who escape from M.A.D. Scientists of America. You must read it for un-bigotry. The Unknown Lodge is about a young woman who visits "the unknown" mental hospital, and lived her life well, amicably and quietly because she cared about herself and others. Snipers in the 21st Century: Brother's Keepers is an original short story inspired by the famous classic short story The Sniper by O'Flaherty, subsequently followed by it by Serene Song. American Mermaids is a magical story, almost like a fairy tale... but it is real. A story of a young woman who swims across the oceans from far, far away to America who knew the secret to happiness. Serene Song's writing is bold, poignant, nurturing and serious. Her writing is also more than very pleasant, but wonderful, has lots of sense of humor. She wants to leave a lasting impact on the readers. She writes with her heart of a Christian, the morals and the heart of stories that are important and true. You can trust the writer and her stories which can impart extremely positive and humanistic perspective.

Keep in mind, a woman can do certain things in a relationship that actually make the difference between an engagement ring and a bad breakup. Now, while most guys won't admit it, the details that we will discuss really can make them fall head over heels in love with a woman. Of course you won't get a complete stranger to fall in love with you like this, but if you're dating a guy who's already expressed some interest in you, it will definitely help him see you in a lovable light and not want to let you go. These steps can help anyone give their man that final push from possibly falling in love to being in love and wanting to further cement their relationship into the future. Before we get started, I'd like to note that I'm not suggesting that you manipulate the guy you're dating in any way. Taking time to be honest with him and showing him every side of your personality is important. None of the recommendations in this book will suggest that you change any aspect of your natural-born personality. On the contrary, I'll explain how to show him that you are a perfect match for him exactly as you are. Let's get started!

I wish someone had told me all the things I discovered throughout my struggles in understanding women-it would've saved me time and energy. Imagine the shame and pains you feel emotionally, but you have no one to run to for help except Google, yet there are too many inaccurate info by "acclaimed gurus" trying to fill your brain with pickup lines.
