[How Women Think](#) - Hannah Timothy 2023-08-07

About the Book This is a clerical understanding on the behavioral activities of women. How they think, act, interact and express. A woman has many shades of attitude which you need to know or learn to have a good and healthy relationship with them. They have fundamentally opposed grounding for value judgments. This is because of the way both sexes approach social hierarchies, successful males co-operate with each other in reverse dominance hierarchies, while women seek and sexually select for an absolute approach to social dominance, a phenomenon called hyper gamy. This means not only at a cellular level men and women are different, but also in their behavioral approaches to value judgement. So while somatic demands for survival are near identical, the returns on investment for genetic survival and social valuation couldn't be more opposed. Women are an amazing creature created by God, whereby they think and behave differently. Women see Relationship as a Dedication, Commitment, and selfless Sacrificial Zone. Men always want to be a woman's first love - women like to be a man's last romance. - Oscar Wilde What women want in a relationship has never been an easy question to answer. Men assume women are difficult to understand, but it's a combination of little things that make all the difference. Women love having all your attention on them. Being the most important person in your life makes them feel secure and happy. They want you to love them forever and be by their side. Although love is important, women want and expect more than that. So, we have curated some information and tips regarding what makes women happy and the things you can do to make them feel special and deepen your relationship. You can try and apply them in your life to see the difference.

High Yellow...But a Black Woman Forever More! - Deborah Cofer 2006-09

"Boy, has this been one heck of a spiritual journey! Little did I know that the path leading to the Kingdom of God would take me into and through the bowels of hell, but I made it there and back. All I can say is thank God for God, His goodness, grace and mercy." -From the Introduction to "High Yellow".But A Black Woman Forever More! A Poetic Anthology of a Spiritual Journey It is said that to know one's self is the key to reaching new horizons and maximizing human potential-and it's true. But, truly knowing one's self without knowing one's spiritual identity is akin to a person who is physically blind driving a car. It's absolutely impossible. In "High Yellow".But A Black Woman Forever More! A Poetic Anthology of a Spiritual Journey, author Deborah M. Cofer highlights her efforts and sacrifices as she explores her inner self, others, and the world around her. Every poem is its own unique story of "bringing to the surface, hashing out, understanding, and making peace with" struggle in order to arrive at new heights in her evolution, both as a woman and as a member of the human race. Cofer's poetic accounts are both powerful and deeply profound.

[Loving Him..... Written by Her](#) - Lady K 2016-11-23

When women love, they love from the depths. Of their heart and with the intention of loving forever. But are you frustrated with giving all you have in a relationship only for it to seem as if he is not taking your relationship seriously? Or maybe it's your father, and you haven't been able to reach him now that his little girl is grown. He still sees you as his baby. He will always be your daddy, but you need to understand him from a woman's point of view now that you are a woman. Or, maybe it's your son. Seems as if since he has hit that age he now all of a sudden knows everything about being a man, making money and having a relationship. And the more you try and tell him what he doesn't know, the more he seems to ignore you. If you find yourself in any scenario such as this or similar to one of these, this book will shed light on the real issues and help you to develop a course of action that will take you from where you are now, to where you want to be in these relationships! It is a must read! Make the choice!
