Everything is perfect until he's charged with murder. Callie Fletcher just wanted to sit on the terrace of her favorite hot spot and watch the sunset over the Texas Hill Country. Months of sunsets later, their affection blooms into love, with dreams of a future together. Never does Callie imagine that this caring and tender man might hide a secret or that he might be a criminal. But then he walks through the doors of her courtroom, charged with a crime. Murder. As a court reporter, Callie knows her way around the legal system, and she's certain Dominic isn't guilty. But can she uncover the clues to prove his innocence, or have she and her handsome cowboy shared their last Texas sunset? *Renegade Romance* (Book 2) A woman whose life is crumbling with every tick of the clock. An ocean and thousands of miles away, the budding romance between Callie Fletcher, a Texas court reporter, and her very romantic cowboy, Dominic, continues to flourish. Not so fast, says Dominic. He isn't happy that the new love of his life is putting herself in extreme peril. Notwithstanding Dom's concerns, however, Callie feels that uncovering the truth outweighs any risk put in her path. The two agree to disagree. Sort of. Are these unspeakable allegations true? Will the romance between Callie and her cowboy survive? Will Callie? *Hand in Hand* (Book 3) A father desperate to find his daughter. A woman's forgotten past and a captor who's always watching. Unfortunately, her husband tracks her every move... and she doesn't know what, or who, to trust. Enter Callie and Dom. After recovering from a close call with a human trafficking ring, they step back in to help a new friend find his abducted daughter. But even if they find Emily, she may not let them help. The search leads Callie and Dom to places they never expected — in both their mission and their romance. New Classic Desserts - Andrew MacLauchlan 1995

New Classic Desserts Andrew MacLauchlan Andrew MacLauchlan, Corporate Executive Pastry Chef for Mark Millers Coyote Cafe in Santa Fe and Las Vegas, and Red Sage in Washington D.C., (formerly the Executive Pastry Chef at Charlie Trotters) reinvents the art of classical dessert making in *New Classic Desserts*. Chef MacLauchlan believes that desserts not only complement a meal but are critical to ensuring the ultimate satisfaction of ones dinner guests. Whether the meal is a romantic dinner for two, a gathering of good friends, or a strictly business affair, *New Classic Desserts* will capture attention. These desserts are vibrant in flavor, individually crafted, and consist of several harmonious components displaying pleasant contrasts in temperature and texture. Each dessert may retain some reference to classical French and European pastries, such as an ice cream or custard with a warm fruit compote, or the idea of a napoleon whose cream

and puff pastry layers have been replaced with oven-dried pineapple slices, juicy mango, luscious starfruit, and coconut-infused custard. Maintaining timeless flavor combinations enjoyed throughout the ages, these new classic desserts illustrate that using less butter, cream, and sugar challenges chefs to create desserts that are irresistible indulgences for health-conscious diners. The desserts evolve from classical pastry techniques, but focus on flavor and the artistry of composition. The recipes incorporate the working principles of restaurant kitchen line cooking, techniques of the french patissier, and general bakery procedure. The use of flavorful organic fruits and nuts when available and observation of fruits natural growing seasons contributes to the quality, flavor, and appeal of these visionary recipes. Organized seasonally with an emphasis on modern ingredients and techniques that will lead pastry chefs into the 21st century, *New Classic Desserts* introduces mouthwatering desserts such as: Lemon Tart with Blackberries and Peppered Blackberry Coulis Creme Brulee Napoleon with Green Tea Sauce and Peach Coulis Warm Date Pithiviers with Cardamom Ice Cream Mascarpone and Brown-Buttered Apple Cheesecake with Rum Raisin Sorbet Caramelized Apple and Chevre in Phyllo with Red WineBlack Pepper Sorbet Unlike other pastry cookbooks, *New Classic Desserts* breaks the rules of traditional dessert making with Chef MacLauchlans premise that desserts should be food that complement savory courses rather than just being sweet and pretty. The desserts in *New Classic Desserts* create harmonious endings to the dining experience: light and not overly sweet, allowing diners to linger over fresh sensations instead of feeling over-indulged. Stunning, bold, and resourceful, *New Classic Desserts* will inspire many new cooking adventures in both professional and epicurean kitchens. The vibrant photography of the desserts, and their graceful simplicity of flavor combinations, place *New Classic Desserts* in an artistic realm which will stir the imagination and spur the creativity of chefs everywhere.

Just Desserts - Stephen McFarland 2012-04

This book has been developed from my first few years as a pastry chef and while on my travels around the world, creating new recipes and desserts. So many people ask me where they should start with pastry. My motto is if you want to learn the real art of pastry, you start from the beginning. Many people think pastry is a

science, but it's all about understanding the basics. For me, it's where my passion for pastry first began. As a young kid, I'd watch my grandfather make bread every Saturday morning. Then during the week, make pastry for tarts. His pastry was the best pastry I've ever tasted, and it's down to the way the fat was incorporated into the flour. You wouldn't think that a small thing like that would make such a difference, but it does. Follow my recipes in the Basics chapter, and you can master the not-so-difficult tasks of pastry making.

Fitness guru and local journalist, Brennen Peters jumps at the chance to participate in a bake-off supporting a

charity that means a lot to his family. The Taste of Sweet - Joanne Chen 2008-03-18 Dismissed as déclassé by gourmands, blamed for the scourge of obesity, and yet loved by all, the taste of sweet has long been at the center of both controversy and celebration. For anyone who has ever felt conflicted about a cupcake, this is a book to sink your teeth into. In The Taste of Sweet, unabashed dessert lover Joanne Chen takes us on an unexpected adventure into the nature of a taste you thought you knew and reveals a world you never imagined. Sweet is complicated, our individual relationships with it shaped as much by childhood memories and clever marketing as the actual sensation of the confection on the tongue. How did organic honey become a luxury while high-fructose corn syrup has been demonized? Why do Americans think of sweets as a guilty pleasure when other cultures just enjoy them? What new sweetener, destined to change the very definition of the word sweet, is being perfected right now in labs around the world? Chen finds the answers by visiting sensory scientists who study taste buds, horticulturalists who are out to breed the perfect strawberry, and educators who are researching the link between class and obesity. Along the way she sheds new light on a familiar taste by exploring the historical sweetscape through the banquet tables of emperors, the pie safes of American pioneers, the corporate giants that exist to fulfill our every sweet wish, and the

desserts that have delighted her throughout the years. This fabulously entertaining story of sweet will change the way you think about your next cookie.
