Becoming Myself - Stasi Eldredge 2013-08-01

God has dreams—just for you. *Becoming Myself* is a hope-filled book for anyone who wonders if her life will ever change—if she will ever change. In Stasi Eldredge's most intimate book yet, she shares her own struggles with self-worth, weight, and her past as she shows readers how God is faithfully unveiling who we truly are. Stasi urges you to lay down your past thoughts about yourself and receive God's incredible dreams for you instead. We cannot heal ourselves. We cannot become ourselves by ourselves. But we are not by ourselves. The King of love wants to help us become. God desires to restore us—the real us. As he heals our

inner life, he calls us to rise to the occasion of our lives. The most important journey any woman can take is the journey into becoming her true self through the love of God. It's a beautiful paradox. The more of God's you become, the more yourself you become—the "self" he had in mind when he thought of you before the creation of the world. Discover your truest self—the woman God created you to be—in *Becoming Myself*.

John Eldredge 2021-03-02

Sometime between the dreams of your youth and yesterday's to-do list, something precious has been lost: your priceless femininity. God has set within you a femininity that is powerful, tender, and fierce. No doubt it has been misunderstood, but it is there, and it is worth recovering. In this updated and expanded edition of their runaway bestseller, John and Stasi Eldredge vulnerably share their story and show you how to set your heart free and embrace life as a woman who is truly captivating. The mystery of the feminine heart was meant to be a good thing, a source of joy. But all too often, it becomes a source of shame. We almost universally feel that we are too much or

~~not enough. This book~~

combines timeless scripture with honest, heartfelt stories from women who have been there, too, giving you the encouragement you need to: Discover the glorious design of women that God originally intended Understand how Jesus restores the feminine heart Heal the trauma in your story Embrace the inherent power, freedom, and beauty that you already possess As we grow older and our dreams are slowly pushed aside, we're told that we have to settle for a life of efficiency and performance, striving to be the women we're told that we ought to be and still feeling like we're failing. But it doesn't have to be this way. Let Captivating help you discover the woman you were meant to be.

Captivating Study Guide, Updated Edition - Stasi Eldredge 2021-03-02

Do you feel like you have to settle for a life of duty? Many women feel pressure to strive to be the women they "ought" to be, often living with the sense that they've failed. Sadly, too many messages for Christian women do nothing but add to the pressure: "Do these ten things, and you will be a godly woman." The effect has not been good on the feminine soul. But her heart is still there. Every woman was once a little girl. And every little girl holds in her heart her most precious dreams. She longs to be swept up into a romance, to play an irreplaceable role in a great adventure, to be the beauty of the story. Those desires are far more than child's play. They are the secret to the feminine heart. Staci Eldredge wrote *Captivating* to share that your heart matters more than anything else in all creation. Throughout this study guide,

Wild at Heart - John Eldredge
2011-03-22

John Eldredge revises and updates his best-selling, renowned Christian classic. God designed men to be dangerous, says John Eldredge. Simply look at the dreams and desires written in the heart of every boy: To be a hero, to be a warrior, to live a life of adventure and risk. Sadly, most men abandon those dreams and desires-aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative book, Eldredge gives women a look inside the true heart of a man and gives men permission to be what God designed them to be- dangerous, passionate, alive, and free.

Captivating Study Guide with DVD Updated Edition - Stasi Eldredge 2021-03-16

Every woman was once a little girl. And every little girl holds in her heart her most precious dreams. She longs to be swept up into a romance, to play an irreplaceable role in a great adventure, to be the beauty of the story. Those desires are far more than child's play. They are the secret to the feminine heart. And yet, how many women ever find that life? As the years pass by, the heart of a woman gets pushed aside, wounded, buried. She finds no romance except in novels, no adventure except on television, and she doubts very much that she will ever be the Beauty in

any tale. Most women think they have to settle for a life of efficiency and duty, striving to be the women they "ought" to be, but often feeling they have failed. Sadly, too many messages for Christian women add to the pressure. "Do these ten things, and you will be a godly woman." The effect has not been good on the feminine soul. But her heart is still there. Sometimes when she watches a movie, sometimes in the wee hours of the night, her heart begins to speak again. A thirst rises within her to find the life she was meant to live, the life she dreamed of as a little girl. In this video Bible study, the message of Captivating is that your heart matters more than anything else in all creation. The desires you had as a little girl and the longings you still feel are telling you of the life God created you to live. He offers to come now, as the Hero of your story--to rescue your heart and release you to live as a fully alive and feminine woman. A woman who is truly captivating. Sessions include:

What Wild at Heart did for

for married couples
everywhere. John and Stasi
Eldredge have contributed
quintessential works on
Christian spirituality for men
and women separately but now
they turn their focus to the
incredible union between those
two forces - marriage. With
refreshing openness, the
Eldredges discuss their own
marriage and the insights
they've gained from the
challenges they've faced. Both
speak independently to the
reader about what they've
learnt, giving their guidance
personal immediacy and
balanced male and female
perspectives. John and Stasi
begin LOVE & WAR with an

~~obvious but necessary~~
acknowledgement: marriage is
fabulously hard. For every
minute of happy delirium, there
are equal amounts of
disappointment and frustration
and a sense that we've been
deluded, that this isn't the
marriage we dreamed of. Once
we admit this, we are free to
accept the great adventure of
marriage; working together
through strength gained from
our own individual
relationships with God, rather
than looking to each other for
happiness.

The Sacred Romance - Brent Curtis 2001-04-01

If you're feeling lost, disconnected, or longing for something more, join bestselling authors John Eldredge and Brent Curtis as they explore the greatest love of our lives: our faith. The Sacred Romance invites us to find the peace and purpose we

crave by slowing down, asking questions, and deepening our relationship with God.

Eldredge and Curtis believe that modern Christians have lost touch with our hearts.

We've left that essential part of ourselves behind in the pursuit of efficiency, success, and the busyness of our lives. The Sacred Romance will guide you through a journey to getting to know yourself and your creator even better, asking you: What is this restlessness and emptiness I feel, sometimes after years into my Christian journey? How will my spiritual life touch the rest of my life? What is it that is set so deeply in my heart, that simply will not leave me alone? When did I stop listening to God's leading?

The Sacred Romance is a journey of the heart. It is a journey full of intimacy, adventure, and beauty, that will guide you to your fondest memories, your greatest loves, your noblest achievements, and even your deepest hurts--but the reward is worth the risk.
