[Homosexuality: A Research Guide \(1987\)](#) - Wayne R. Dynes 2017-02-17

First published in 1987, this book encompasses a broad range interdisciplinary research into homosexuality — displaying a full spectrum of points of view — and, given that the major traditions of modern homosexual research began in Europe, is not restricted to works in English.. In general topics that are densely covered in the literature are presented in this

guide selectively, with some less studied topics, such as Economics and Music, fleshed out with signposts to more comprehensive research. It seeks to not only mirror existing publications, but also to stimulate new work by pinpointing neglected themes and methods. This book will be of interest to students of sociology.

Lesbianism and the Criminal Law - Caroline Derry
2020-01-11

This book offers a comprehensive examination of the ways in which the criminal justice system of England and Wales has regulated, and failed or refused to regulate, lesbianism. It identifies the overarching approach as one of silencing: lesbianism has not only been ignored or regarded as unimaginable, but was deliberately excluded from legal discourses. A series of case studies ranging from 1746 to 2013 from parliamentary debates to individual prosecutions shed light on the complex process of regulation through silencing. They

illuminate its evolution over three centuries and explore when and why it has been breached. The answers Derry uncovers can be fully understood only in the context of surrounding social and legal developments which are also considered. Lesbianism and the Criminal Law makes an important contribution to the growing bodies of literature on feminism, sexuality and the law and the legal history of sexual offences.

"Lady Butler and Miss Ponsonby were certainly an odd pair. Born to noble Irish families in the mid Eighteenth

Chase Of The Wild Goose Homosexuality By Gordon Mary Louisa Gordon

Century, they departed in 1778 ~~—flew away like wild geese to~~ Wales where they settled together in a three-bay stone-built cottage in Llangollen which they re-named Plas Newydd ('the New Mansion'). Professedly living in retirement from the world, they moved in local society, received successions of distinguished visitors, espoused eccentricity, and made it their business to become a legend in their lifetime. They transformed their house, adding a Gothic library and much else. The porch and door are a riot of fragments, and the tiny entrance hall and the staircase are indescribably encrusted. So too is the Oak Room, with its Spanish leather, dated 1814 above the fireplace. They installed a great deal of stained glass. They had a mania for collecting carved oak. The grand house, Plas Newydd, is in a fine state of preservation, care of the County Council, and is well worth exploring, inside and out. It stands in memory of two of the most peculiar and interesting people ever to be

part of the long and varied ~~history of North Wales"~~ ^{Mary} Amazon.com.

Gay and Lesbian Literary Heritage - Claude J. Summers
2014-02-25

The revised edition of The Gay and Lesbian Literary Heritage is a reader's companion to this impressive body of work. It provides overviews of gay and lesbian presence in a variety of literatures and historical periods; in-depth critical essays on major gay and lesbian authors in world literature; and briefer treatments of other topics and figures important in appreciating the rich and varied gay and lesbian literary traditions. Included are nearly 400 alphabetically arranged articles by more than 175 scholars from around the world. New articles in this volume feature authors such as Michael Cunningham, Tony Kushner, Anne Lister, Kate Millet, Jan Morris, Terrence McNally, and Sarah Waters; essays on topics such as Comedy of Manners and Autobiography; and overviews of Danish, Norwegian,

Philippines, and Swedish literatures; as well as updated and revised articles and bibliographies.

Re-presenting the Past - Ann-Marie Gallagher 2014-06-11
Feminist history continues to change the way history is written, and in doing so changes our view of the past. The authors of this collection explore how issues of sexuality, class, nationalism and colonialism informed the ways in which women were represented and continue to be represented in history. They show the ways in which women have been excluded, silenced and misrepresented in stories of the past, and how women's lives have been distorted or simplified in conventional historical accounts. Together, they suggest fresh ways of approaching women's history, and use examples of work in new areas of research such as women's health and leisure in order to demonstrate the effectiveness of the various methodologies being proposed.

The Ladies of Llangollen - Fiona Brideoake 2017-04-06
The Ladies of Llangollen is the first book length critical study of Lady Eleanor Butler and Miss Sarah Ponsonby, whose 1778 elopement and five decades of "retirement" turned them into eighteenth century celebrities and pivotal figures in the historiography of female same-sex desire. Debates within the history of sexuality have long foundered over questions of what constitutes "proof" of past sexual desires and practices, and the nature of Butler and Ponsonby's intimacy has been deemed inimical to productive critical consideration. In this groundbreaking study Fiona Brideoake attends to the archive of their shared life—written, performed, and enacted in the vernacular of the everyday—to argue that they embodied an early iteration of female celebrity in which their queerness registered less as the mark of

Chase Of The Wild Goose Homosexuality By Gordon Mary Louisa Gordon

some specified non-normativity than as the effect of their very public, very visible resistance to sexual legibility. Throughout their lives and afterlives, Butler and Ponsonby have been figured as chaste romantic friends, prototypical lesbians, Bluestockings, Romantic domestic archetypes, and proleptically feminist modernists. The Ladies of

Langollen demonstrates that ^{Mary} this heterogeneous legacy discloses the queerness of their performatively instantiated identities.
