

Do Kpop Idols Hook Up With Each Other

Sartorial Fandom Elizabeth Affuso 2023-04-03 In recent years, geeks have become chic, and the fashion and beauty industries have responded to this trend with a plethora of fashion-forward merchandise aimed at the increasingly lucrative fan demographic. This mainstreaming of fan identity is reflected in the glut of pop culture T-shirts lining the aisles of big box retailers as well as the proliferation of fan-focused lifestyle brands and digital retailers over the past decade. While fashion and beauty have long been integrated into the media industry with tie-in lines, franchise products, and other forms of merchandise, there has been limited study of fans' relationship to these items and industries. Sartorial Fandom shines a spotlight on the fashion and beauty cultures that undergird fandoms, considering the retailers, branded products, and fan-made objects that serve as forms of identity expression. This collection is invested in the subcultural and mainstream expression of style and in the spaces where the two intersect. Fan culture is, in many respects, an optimal space to situate a study of style because fandom itself is often situated between the subcultural and the mainstream. Collectively, the chapters in this anthology explore how various axes of lived identity interact with a growing movement to consider fandom as a lifestyle category, ultimately contending that sartorial practices are central to fan expression but also indicative of the primacy of fandom in contemporary taste cultures.

Seoulmates Susan Lee 2022-09-20 Her ex-boyfriend wants her back. Her former best friend is in town. When did Hannah's life become a K-drama? Hannah Cho had the next year all planned out—the perfect summer with her boyfriend, Nate, and then a fun senior year with their friends. But then Nate does what everyone else in Hannah's life seems to do—he leaves her, claiming they have nothing in common. He and all her friends are newly obsessed with K-pop and K-dramas, and Hannah is not. After years of trying to embrace the American part and shunning the Korean side of her Korean American identity to fit in, Hannah finds that's exactly what now has her on the outs. But someone who does know K-dramas—so well that he's actually starring in one—is Jacob Kim, Hannah's former best friend, whom she hasn't seen in years. He's desperate for a break from the fame, so a family trip back to San Diego might be just what he needs...that is, if he and Hannah can figure out what went wrong when they last parted and navigate the new feelings developing between them.

The Korean Wave Youna Kim 2013-11-12 Since the late 1990s South Korea has emerged as a new center for the production of transnational popular culture - the first instance of a major global circulation of Korean popular culture in history. Why popular (or not)? Why now? What does it mean socially, culturally and politically in a global context? This edited collection considers the Korean Wave in a global digital age and addresses the social, cultural and political implications in their complexity and paradox within the contexts of global inequalities and uneven power structures. The emerging consequences at multiple levels - both macro structures and micro processes that influence media production, distribution, representation and consumption - deserve to be analyzed and explored fully in an increasingly global media environment. This book argues for the Korean Wave's double capacity in the creation of new and complex spaces of identity that are both enabling

and disabling cultural diversity in a digital cosmopolitan world. The Korean Wave combines theoretical perspectives with grounded case studies in an up-to-date and accessible volume ideal for both undergraduate and postgraduate students of Media and Communications, Cultural Studies, Korean Studies and Asian Studies.

You are the cause of my Euphoria. Anjelina Gogoi Korean content grew in popularity as more people found the time and inclination to find the perfect mental escape from the anxiety of the times. The objective of this anthology is to give writers and readers a chance to express and relate to their thoughts towards K-POP & K-DRAMA.

K-pop Live Suk-Young Kim 2018 1990s South Korea saw the transition from a military dictatorship to a civilian government, from a manufacturing economy to a postindustrial hub, and from a cloistered society to a more dynamic transnational juncture. These seismic shifts had a profound impact on the media industry and the rise of K-pop. In *K-pop Live*, Suk-Young Kim investigates the meteoric ascent of Korean popular music in relation to the rise of personal technology and social media, situating a feverish cross-media partnership within the Korean historical context and broader questions about what it means to be "live" and "alive." Based on in-depth interviews with K-pop industry personnel, media experts, critics, and fans, as well as archival research, *K-pop Live* explores how the industry has managed the tough sell of live music in a marketplace in which virtually everything is available online. Teasing out digital media's courtship of "liveness" in the production and consumption of K-pop, Kim investigates the nuances of the affective mode in which human subjects interact with one another in the digital age. Observing performances online, in concert, and even through the use of holographic performers, Kim offers readers a step-by-step guide through the K-pop industry's variegated efforts to diversify media platforms as a way of reaching a wider global network of music

consumers. In an era when digital technology inserts itself into nearly all social relationships, Kim reveals how "what is live" becomes a question of how we exist as increasingly mediated subjects, fragmented and isolated by technological wonders while also longing for a sense of belonging and being alive through an interactive mode of exchange we often call "live."

Shine Jessica Jung 2022-05-10 Seventeen-year-old Rachel Kim confronts the dark underbelly of the K-pop world as she strives to become a K-pop star.

The Problematic People Robert L. Wagner 2021-02-26 The Corinthian church were continually called saints (1:2; 6:1-2; 14:35; 16:1, 15), the called (1:2, 9, 26), brethren (1:10, 26; 2:1; 3:1; 7:24) and sanctified (1:2; 6:11) yet their practice did not complement their position. As Stan Toussaint says, "Paul wrote the book with a special emphasis on sanctification." Ultimately, the letter exists to remind the Corinthian church and believers everywhere to make sure practice match their position, as they were sanctified positionally they must progress practically in sanctification. This inconsistency in the Corinthians' practice and position can be seen through seven major problems within the entire church: divisions, discipline, divorce, doctrine, doxology, dialect, and doubts.

Multilingual Youth Practices in Computer Mediated Communication Cecelia Cutler 2018-09-20 Explores how global youth push the boundaries of standard language and exploit the potential of their multilingual repertoires online.

Broken Idol David W. Rudlin 2015-12-14 Nikki Waters wanted to be a star. So she left her home in England, flew to Tokyo, and joined Japan's top girl group as the lead singer. She was well on her way to fame and fortune until the night she went to her boss's apartment and found him lying in a pool of blood. The weapon: a samurai sword. Nikki was thrown in jail, charged with murder, and forbidden to talk to anyone except the lawyer she didn't have. Given Japan's 99%+ conviction rate, there was

nothing standing between Nikki Waters and the gallows. Nothing except Inspector Ian McLean of Scotland Yard. Forced to work undercover, can McLean and his detectives Sally Chan and Thomas McMillan rescue Nikki from the terrifying jaws of the Japanese justice system? "Broken Idol" is the sixth Inspector McLean Mystery by David W. Rudlin.

Once Upon a K-Prom Kat Cho 2022-05-17 What would you do if the world's biggest K-pop star asked you to prom? Perfect for fans of Jenny Han and Sandhya Menon, this hilarious and heartfelt novel brings the glamour and drama of the K-pop world straight to high school. Elena Soo has always felt overshadowed. Whether by her more successful older sisters, her more popular twin brother, or her more outgoing best friend, everyone except Elena seems to know exactly who they are and what they want. But she is certain about one thing - she has no interest in going to prom. While the rest of the school is giddy over corsages and dresses, Elena would rather spend her time working to save the local community center, the one place that's always made her feel like she belonged. So when international K-pop superstar Robbie Choi shows up at her house to ask her to prom, Elena is more confused than ever. Because the one person who always accepted Elena as she is? Her childhood best friend, Robbie Choi. And the one thing she maybe, possibly, secretly wants more than anything? For the two of them to keep the promise they made each other as kids: to go to prom together. But that was seven years ago, and with this new K-pop persona, pink hair, and stylish clothes, Robbie is nothing like the sweet, goofy boy she remembers. The boy she shared all her secrets with. The boy she used to love. Besides, prom with a guy who comes with hordes of screaming fans, online haters, and relentless paparazzi is the last thing Elena wants - even if she can't stop thinking about Robbie's smile...right?

Contemporary Consumption, Consumers and Marketing Brendan Canavan 2020-12-28

Contemporary Consumption, Consumers and Marketing: Cases from Generations Y and Z explores current consumer, consumption and marketing cases and issues, posing questions that complement, extend and challenge established marketing theory while keeping in mind megatrends such as climate crisis, economic inequality and digital connectivity. It also considers how such major changes affect consumer societies, cultures and individuals, especially those from Generations Y and Z. Each chapter is built around a theme that encapsulates current theoretical and professional debates around consumption, consumers and marketing. Examples and up-to-date case studies throughout the book explore how brands are adapting to current circumstances across Generations X, Y and Z and investigate the state of marketing at a time of flux. This book is essential reading for undergraduates, postgraduates and practitioners interested in marketing and consumer behaviour.

I'll Be the One Lyla Lee 2021-12-21 Diverse book recommended by The Today Show * A Kirkus Reviews Best Book of 2020 The world of K-Pop has never met a star like this. Debut author Lyla Lee delivers a deliciously fun, thoughtful rom-com celebrating confidence and body positivity--perfect for fans of Jenny Han and Julie Murphy. Skye Shin has heard it all. Fat girls shouldn't dance. Wear bright colors. Shouldn't call attention to themselves. But Skye dreams of joining the glittering world of K-Pop, and to do that, she's about to break all the rules that society, the media, and even her own mother, have set for girls like her. She'll challenge thousands of other performers in an internationally televised competition looking for the next K-pop star, and she'll do it better than anyone else. When Skye nails her audition, she's immediately swept into a whirlwind of countless practices, shocking performances, and the drama that comes with reality TV. What she doesn't count on are the highly fat-phobic beauty standards of the Korean pop entertainment industry, her sudden media fame and scrutiny, or the sparks that soon fly with her fellow competitor, Henry Cho. But

Skye has her sights on becoming the world's first plus-sized K-pop star, and that means winning the competition--without losing herself.

Global Glam and Popular Music Ian Chapman 2016-02-12 This book is the first to explore style and spectacle in glam popular music performance from the 1970s to the present day, and from an international perspective. Focus is given to a number of representative artists, bands, and movements, as well as national, regional, and cultural contexts from around the globe. Approaching glam music performance and style broadly, and using the glam/glitter rock genre of the early 1970s as a foundation for case studies and comparisons, the volume engages with subjects that help in defining the glam phenomenon in its many manifestations and contexts. Glam rock, in its original, term-defining inception, had its birth in the UK in 1970/71, and featured at its forefront acts such as David Bowie, T. Rex, Slade, and Roxy Music. Termed "glitter rock" in the US, stateside artists included Alice Cooper, Suzi Quatro, The New York Dolls, and Kiss. In a global context, glam is represented in many other cultures, where the influences of early glam rock can be seen clearly. In this book, glam exists at the intersections of glam rock and other styles (e.g., punk, metal, disco, goth). Its performers are characterized by their flamboyant and theatrical appearance (clothes, costumes, makeup, hairstyles), they often challenge gender stereotypes and sexuality (androgyny), and they create spectacle in popular music performance, fandom, and fashion. The essays in this collection comprise theoretically-informed contributions that address the diversity of the world's popular music via artists, bands, and movements, with special attention given to the ways glam has been influential not only as a music genre, but also in fashion, design, and other visual culture.

Digital Mediascapes of Transnational Korean Youth Culture Kyong Yoon 2019-10-28 Drawing on vivid ethnographic field studies of youth on the transnational move, across Seoul, Toronto, and

Vancouver, this book examines transnational flows of Korean youth and their digital media practices. This book explores how digital media are integrated into various forms of transnational life and imagination, focusing on young Koreans and their digital media practices. By combining theoretical discussion and in depth empirical analysis, the book provides engaging narratives of transnational media fans, sojourners, and migrants. Each chapter illustrates a form of mediascape, in which transnational Korean youth culture and digital media are uniquely articulated. This perceptive research offers new insights into the transnationalization of youth cultural practices, from K-pop fandom to smartphone-driven storytelling. A transnational and ethnographic focus makes this book the first of its kind, with an interdisciplinary approach that goes beyond the scope of existing digital media studies, youth culture studies, and Asian studies. It will be essential reading for scholars and students in media studies, migration studies, popular culture studies, and Asian studies.

Pop City Youjeong Oh 2018-12-15 *Pop City* examines the use of Korean television dramas and K-pop music to promote urban and rural places in South Korea. Building on the phenomenon of Korean pop culture, Youjeong Oh argues that pop culture-featured place selling mediates two separate domains: political decentralization and the globalization of Korean popular culture. The local election system introduced in the mid 90s has stimulated strong desires among city mayors and county and district governors to develop and promote their areas. Riding on the Korean Wave—the overseas popularity of Korean entertainment, also called Hallyu—Korean cities have actively used K-dramas and K-pop idols in advertisements designed to attract foreign tourists to their regions. Hallyu, meanwhile, has turned the Korean entertainment industry into a speculative field into which numerous players venture by attracting cities as sponsors. By analyzing the process of culture-featured place marketing, *Pop City* shows that urban spaces are produced and sold just like TV dramas and pop

idols by promoting spectacular images rather than substantial physical and cultural qualities. Popular culture-associated urban promotion also uses the emotional engagement of its users in advertising urban space, just as pop culture draws on fans' and audiences' affective commitments to sell its products. Oh demonstrates how the speculative, image-based, and consumer-exploitive nature of popular culture shapes the commodification of urban space and ultimately argues that pop culture-mediated place promotion entails the domination of urban space by capital in more sophisticated and fetishized ways.

From Factory Girls to K-Pop Idol Girls Gooyong Kim 2018-12-17 Kim combines historical contextualization with political economy of the media and critical textual analysis to investigate the socio-ideological effects of K-Pop in the existing networks of power and domination in gender relations. He examines K-Pop female idols' individualism and identity formation through the lens of Korea's cultural politics.

[Polish K-Pop Fandom](#) Julia Trzcńska 2018-01-01 This book was written for people who would like to learn more about Polish K-Pop fandom, but it can also be of help for those who are looking for some basic information about fan studies or K-Pop in general. Korean music has only recently started to gain popularity in Poland (as well as in other European countries). Some may affiliate K-Pop with Psy's Gangnam Style, a track which was virtually inescapable in the summer of 2012, but around that time the European K-Pop fandom was already well-developed, as evidenced by the Korean group Big Bang winning MTV European Music Award in 2011, or the flashmob fans organized in front of the Louvre museum that forced one of the biggest Korean entertainment companies to organize one more concert of their artists in the same year. Nevertheless, K-Pop's international popularity peak is often being connected to BTS' success, when they were awarded the Top Social Artist Award and

successfully performed during the Billboard Music Awards in 2017. It would be difficult to say how many K-Pop fans there are in Poland now and how the number changed over the years, but it is still undoubtedly growing.

Routledge Handbook of Celebrity Studies Anthony Elliott 2018-03-05 Ours is the age of celebrity. An inescapable aspect of daily life in our media-saturated societies of the twenty-first century, celebrity is celebrated for its infinite plasticity and glossy seductions. But there is also a darker side. Celebrity culture is littered from end to end with addictions, pathologies, neuroses, even suicides. Why, as a society, are we held in thrall to celebrity? What is the power of celebrity in a world of increasing consumerism, individualism and globalization? Routledge Handbook of Celebrity Studies, edited by acclaimed social theorist Anthony Elliott, offers a remarkably clear overview of the analysis of celebrity in the social sciences and humanities, and in so doing seeks to develop a new agenda for celebrity studies. The key theories of celebrity, ranging from classical sociological accounts to critical theory, and from media studies to postmodern approaches, are drawn together and critically appraised. There are substantive chapters looking at fame, renown and celebrity in terms of the media industries, pop music, the makeover industries, soap stars, fans and fandom as well as the rise of non-Western forms of celebrity. The Handbook also explores in detail the institutional aspects of celebrity, and especially new forms of mediated action and interaction. From Web 3.0 to social media, the culture of celebrity is fast redefining the public political sphere. Throughout this volume, there is a strong emphasis on interdisciplinarity with chapters covering sociology, cultural studies, psychology, politics and history. Written in a clear and direct style, this handbook will appeal to a wide undergraduate audience. The extensive references and sources will direct students to areas of further study.

The Dark Side of a K-POP Idol -The Untold Truth- S. C. Leon 2019-07-15 We all love K-pop for what they are, but few of us actually know the whole truth behind it! Since the early '90s, K-pop has slowly grown. In the mid-2000s more appealing and international bands came to life as a result of the Korean Hallyu Wave. Boybands like Super Junior followed by girl groups like Girls Generation. Now with the bigger groups like BTS and Black Pink more than 15 years later the game has changed and the competition for each new idol is harsh. Today there are many groups, idols and musicians in South Korea willing to do life-changing risks in order to become the next big hit. Young boys and girls are believed to live the dreams that we all see on the internet, YouTube and TV. With this glamorous lifestyle comes a price. A dark side we hoped never existed. With overwork, strict diets and evil contracts. Inside this book, you'll learn more about K-pop history. How Kpop idols are today, what challenges and lifestyles and sacrifices they are forced to take in order to remain their image and to continue growing the popularity and fame in South Korea and worldwide.

Every Reason We Shouldn't Sara Fujimura 2020-03-03 *Every Reason We Shouldn't* by Sara Fujimura is a charming multicultural romance perfect for the many fans of Jenny Han and Rainbow Rowell. Warning: Contains family expectations, delightful banter, great romantic tension, skating (all kinds!), Korean pastries, and all the feels. Sixteen-year-old figure skater Olivia Kennedy's Olympic dreams have ended. She's bitter, but enjoying life as a regular teenager instead of trying to live up to expectations of being the daughter of Olympians Michael Kennedy and Midori Nakashima...until Jonah Choi starts training at her family's struggling rink. Jonah's driven, talented, going for the Olympics in speed skating, completely annoying... and totally gorgeous. Between teasing Jonah, helping her best friend try out for roller derby, figuring out life as a normal teen and keeping the family business running, Olivia's got her hands full. But will rivalry bring her closer to Jonah, or

Globalization and Popular Music in South Korea Michael Fuhr 2015-06-12 This book offers an in-depth study of the globalization of contemporary South Korean idol pop music, or K-Pop, visiting K-Pop and its multiple intersections with political, economic, and cultural formations and transformations. It provides detailed insights into the transformative process in and around the field of Korean pop music since the 1990s, which paved the way for the recent international rise of K-Pop and the Korean Wave. Fuhr examines the conditions and effects of transnational flows, asymmetrical power relations, and the role of the imaginary "other" in K-Pop production and consumption, relating them to the specific aesthetic dimensions and material conditions of K-Pop stars, songs, and videos. Further, the book reveals how K-Pop is deployed for strategies of national identity construction in connection with Korean cultural politics, with transnational music production circuits, and with the transnational mobility of immigrant pop idols. The volume argues that K-Pop is a highly productive cultural arena in which South Korea's globalizing and nationalizing forces and imaginations coincide, intermingle, and counteract with each other and in which the tension between both of these poles is played out musically, visually, and discursively. This book examines a vibrant example of contemporary popular music from the non-Anglophone world and provides deeper insight into the structure of popular music and the dynamics of cultural globalization through a combined set of ethnographic, musicological, and cultural analysis. Widening the regional scope of Western-dominated popular music studies and enhancing new areas of ethnomusicology, anthropology, and cultural studies, this book will also be of interest to those studying East Asian popular culture, music globalization, and popular music.

With full color photos, spotlights on each member, and a play-by-play of their discography, this book is a celebration of all things BTS and a must-have for fans worldwide! -- VIZ Media

Idol Thoughts (a K-Pop Romance) Ji Soo Lee 2018-11-24 Whatever my plans were after graduating college, they didn't include managing a K-Pop group. They also didn't include falling in love with all of its members... After a father I never knew appeared in my life, claiming I was an heir to a Korean entertainment company, I was summoned to Seoul, given a job, and told to keep my identity a secret. The only person who knows who I am is my devil-spawn half-brother, and Sejin's doing his best to make sure I don't inherit any of it. With no help from the company, and no experience in the industry, I've got exactly three months to turn failed boy K-Pop group, H3RO, into number one stars. At first, I wanted to spite that devil-spawn. And then I met H3RO. Until now, Tae, Dante, Nate, Minhyuk, Kyun and Jun have been seen as nothing other than a commodity. Forgotten about and prevented from doing the one thing they've spent their lives training for: performing. The more time I spend with them, the more I can't help but save their broken dreams and get them back on the stage. And the more I can't stop myself from falling for them. ** IDOL THOUGHTS is a full-length, medium-burn Reverse Harem novel. There are steamy scenes intended for a mature audience, super hot Korean idols, and there may or may not be a cliff-hanger. ** Read the completed series now:

IDOL THOUGHTS IDOL WORSHIP IDOL GOSSIP

K-pop - The International Rise of the Korean Music Industry JungBong Choi 2014-09-15 K-pop, described by Time Magazine in 2012 as "South Korea's greatest export", has rapidly achieved a large worldwide audience of devoted fans largely through distribution over the Internet. This book examines the phenomenon, and discusses the reasons for its success. It considers the national and transnational conditions that have played a role in K-pop's ascendancy, and explores how they relate to post-colonial modernisation, post-Cold War politics in East Asia, connections with the Korean diaspora, and the state-initiated campaign to accumulate soft power. As it is particularly concerned with fandom and cultural agency, it analyses fan practices, discourses, and underlying psychologies within their local habitus as well as in expanding topographies of online networks. Overall, the book addresses the question of how far "Asian culture" can be global in a truly meaningful way, and how popular culture from a "marginal" nation has become a global phenomenon.

My Summer In Seoul Rachel Van Dyken 2021-12-14 From #1 New York Times bestselling author Rachel Van Dyken comes a standalone new adult romance set in the competitive world of K-pop. It's not all K-dramas and happily ever afters. Intern with Korea's number one record label? Yes, please. Find out there's a huge scandal I need to help "manage"... not so much. Add in the fact that I don't recognize the "superstars" of the label and think they're interns... And my dream job quickly becomes more of a nightmare. But I'm in Seoul, the one place that is beginning to feel more and more like home... Except it isn't home, and the drama surrounding the biggest K-pop group in the world, SWT, is consuming my every moment. Spoiler alert. They hate me. Everything I do is wrong: wrong clothes, wrong honorifics, wrong manners. Till the leader of SWT takes pity on me. But pity is dangerous when it comes from someone as beautiful as him. Every SWT member is gorgeous,

perfect, and cultivated to be an idol... lethal to a girl's heart. And sanity. But fame plus a perfect face and voice don't equal an easy life. As their comeback nears, the stakes rise higher. Suicide watch... Angry fans... Threats... All I want to do is survive. But the price for survival might mean losing my heart. And like a character in a K-drama, I'm not sure if there will be an actual happily ever after... Or simply a lesson learned.

Sugar Love Victoria H. Smith 2016-04-01 Sugar... That's some kind of name, isn't it? It wasn't any type of name I'd heard of, but across the world, it seemed I was the only one. You see, he's an international superstar, talented, sexy, and one day, he comes walking into my record store. He tells me he wants to buy some music, and later on, wants to get to know me a little better. I had no idea he was here for his American debut, nor that he was one of the most successful rappers South Korean music had ever seen. If I had, I might not have been so frazzled when I found out and accidentally kidnapped him. But then again... Maybe that wouldn't have mattered anyway.

[Hello, I Love You](#) Katie M. Stout 2015-06-09 Grace Wilde is running—from the multi-million dollar mansion her record producer father bought, the famous older brother who's topped the country music charts five years in a row, and the mother who blames her for her brother's breakdown. Grace escapes to the farthest place from home she can think of, a boarding school in Korea, hoping for a fresh start. She wants nothing to do with music, but when her roommate Sophie's twin brother Jason turns out to be the newest Korean pop music superstar, Grace is thrust back into the world of fame. She can't stand Jason, whose celebrity status is only outmatched by his oversized ego, but they form a tenuous alliance for the sake of her friendship with Sophie. As the months go by and Grace adjusts to her new life in Korea, even she can't deny the sparks flying between her and the KPOP idol. Soon,

Grace realizes that her feelings for Jason threaten her promise to herself that she'll leave behind the music industry that destroyed her family. But can Grace ignore her attraction to Jason and her undeniable pull of the music she was born to write? Sweet, fun, and romantic, Katie M. Stout's *Hello, I Love You* explores what it means to experience first love and discover who you really are in the process.

K-Pop Revolution Stephan Lee 2022-04-05 She thought that debuting in a K-Pop band was the finish line, but it was only the beginning. Because now it's not only her company judging her—it's the entire world. If *K-Pop Confidential* was about finding your voice, *K-pop Revolution* is about finding the courage to stand by your beliefs, even when powerful forces are trying to shame and silence you. In the sequel to *K-Pop Confidential*, Candace is a Rookie idol. Her life is suddenly filled with the fans, cameras, and glamor of stardom: She and her boyfriend, YoungBae, are a K-Pop power couple; she's a walking icon at Brandt Foreign School; and her new girl group, known simply as THE GIRLS, is poised to break records across the industry. With her status as the industry's K-Pop Warrior, she has all the clout at her disposal to make waves. Right? Her label, S.A.Y., promises to help make the sweeping changes for the industry to become a more humane and compassionate place for artists. But what will happen when the road to a record-breaking debut isn't as smooth as they'd planned? When a rival girl group emerges to steal the spotlight, carrying the message of change better than Candace ever could, she'll have to decide what it'll cost her and her bandmates to stand up for their beliefs. And as the world turns against her, with online bullies scrutinizing her every word, there's only so much that one person can take. From the top of the world to the brink of disaster, Candace is going to have to figure out why the world is out to get her. And she's not going to be able to do it alone. How far does one girl need to be pushed to start a *K-Pop Revolution*?

XOXO Axie Oh 2021-07-13 Jenny's never had much time for boys, K-pop, or really anything besides her dream of being a professional cellist. But when she finds herself falling for a K-pop idol, she has to decide whether their love is worth the risk. A modern forbidden romance wrapped in the glamorous and exclusive world of K-pop, XOXO is perfect for fans of Jenny Han and Maurene Goo. Jenny didn't get to be an award-winning, classically trained cellist without choosing practice over fun. That is, until the night she meets Jaewoo. Mysterious, handsome, and just a little bit tormented, Jaewoo is exactly the kind of distraction Jenny would normally avoid. And yet, she finds herself pulled into spending an unforgettable evening wandering Los Angeles with him on the night before his flight home to South Korea. With Jaewoo an ocean away, there's no use in dreaming of what could have been. But when Jenny and her mother move to Seoul to take care of her ailing grandmother, who does she meet at the elite arts academy she's just been accepted to? Jaewoo. Finding the dreamy stranger who swept you off your feet in your homeroom is one thing, but Jaewoo isn't just any student. Turns out, Jaewoo is a member of one of the biggest K-pop bands in the world. And like most K-pop idols, Jaewoo is strictly forbidden from dating anyone. When a relationship means not only jeopardizing her place at her dream music school but also endangering everything Jaewoo's worked for, Jenny has to decide once and for all just how much she's willing to risk for love. XOXO is a new romance that proves chasing your dreams doesn't have to mean sacrificing your heart, from acclaimed author Axie Oh. Indigo Best Teen Books of 2021

Idols of K-Pop Egmont Egmont UK 2019-04 K-Pop is a multi-billion dollar industry and the Korean Wave has never been bigger. Korean bands are breaking YouTube records, selling out the O2 and basically winning social media. Bands with huge followings like BLACKPINK, EXO and TWICE are making waves across the globe and then there's BIG BANG, NCT, Red Velvet, and WANNA ONE

following close behind. Whether you're new to K-Pop or a die-hard super stan, 100% Unofficial Idols of K-Pop is your essential guide to the current K-Pop scene - packed with profiles, pictures, facts, stats and gossip. Meet the idols breaking the internet and pushing fashion boundaries, learn the language and go heart-eyes emoji over the cutest ageyo moments from your fave maknae. Whatever your bias, you need this book.

Idol Limerence Wallea Eaglehawk 2020-03-28 When an idol and fan stand face to face and the idol's mask comes off, is it simply the fan staring into a mirror, admiring their own reflection? Idol Limerence explores the mass phenomena of the Korean idol, in particular, BTS and how it intersects with the psychological experience of limerence, as originated by Dorothy Tennov. Further phenomena will be introduced with an exploration of persona as a link to a fantasy realm accessed by both idol and fan. Culminating in the exploration of the revolutionary capacity of BTS and their fan base, ARMY, who were created in their image. Echo's narrative spans from her first love as a child to falling in love with BTS as an adult, an experience she feels is largely out of her control. Idol Limerence is a love story wrapped in social theory that spans this universe and the next. Insperence is the space where the revolution can begin to take hold; insperence is where we can all become revolutionaries. In many ways, we already are. Idol Limerence: The Art of Loving BTS as Phenomena by Wallea Eaglehawk is a scholarly and literary work on the phenomenon that is BTS, the most popular and influential music group of our generation. Idol Limerence is a cognitive and emotional state of loving adoration and attachment to an Idol or celebrity. Echo, a young millennial woman, finds herself falling deeply in love with a group of blouse-wearing Korean men who sing, dance and dish out uncommon potent eye contact like it's a period drama. This book joins Echo on her journey from first love as a child to falling in love with K-pop group BTS as an adult. Echo learns just how

*Downloaded from
legacy.opendemocracy.net on 2023-04-19
by guest*

and why she can't control her feelings towards BTS, not that she really wants to; and this is not an isolated experience, she is not alone but part of BTS' fan base, ARMY. The theory of Idol Limerence is developed from the psychological idea of limerence and linked to sociological concepts of identity, persona, parasocial relationships, love and celebrity. The theory development is interwoven with the love narrative of Echo which shows how Idol Limerence can be a 'safe-love' alternative for millennials overwhelmed by loving and dating in a world on the brink of collapse. If the question is 'Why can't I stop thinking about what my life with BTS would look like?' Idol Limerence is the answer and becoming a revolutionary to save the world is the result.

Fanocracy David Meerman Scott 2020-01-07 A Wall Street Journal bestseller From the author of *New Rules of Marketing & PR*, a bold guide to converting customer passion into marketing power. How do some brands attract word-of-mouth buzz and radical devotion around products as everyday as car insurance, b2b software, and underwear? They embody the most powerful marketing force in the world: die-hard fans. In this essential book, leading business growth strategist David Meerman Scott and fandom expert Reiko Scott explore the neuroscience of fandom and interview young entrepreneurs, veteran business owners, startup founders, nonprofits, and companies big and small to pinpoint which practices separate organizations that flourish from those stuck in stagnation. They lay out a road map for converting customers' ardor into buying power, pulling one-of-a-kind examples from a wide range of organizations, including: · MeUndies, the subscription company that's revolutionizing underwear · HeadCount, the nonprofit that registers voters at music concerts · Grain Surfboards, the board-building studio that willingly reveals its trade secrets with customers · Hagerty, the classic-car insurance provider with over 600,000 premier club members · HubSpot, the software company that draws 25,000 attendees to its annual conference For anyone who seeks to

K-Pop Confidential Stephan Lee 2020-09-03 A Korean-American girl travels to Seoul in hopes of debuting in a girl group at the same K-pop company behind the most popular boy band on the planet, in this romantic coming-of-age novel perfect for K-pop fans everywhere! Candace Park knows a lot about playing a role. For most of her life, she's been playing the role of the quiet Korean-American girl who takes advanced classes and plays a classical instrument, keeping her love of K-pop to herself. But she has a secret that she's been keeping from the world: she can sing. Like, really sing. So when Candace enters a global audition held by the biggest K-pop label in the world, she doesn't expect to actually win. And convincing her parents to go against everything they believe in is nothing compared to what's next. Under the strict supervision of her instructors at the label's headquarters in Seoul, South Korea, Candace must hone her performance skills to within an inch of her life, learn to fluently speak Korean, and navigate the complex hierarchies of her teammates. And the number-one rule? NO DATING - which proves almost impossible after she meets superstar idol One.J and fellow Korean-American trainee YoungBae. And when Candace finds herself in the middle of an international K-pop scandal, she must decide whether a spot in the most hyped K-pop girl group of all time is really worth risking everything ...

incredible fanbase, EXO-L. As any EXO-L knows, EXO come from an alien planet and possess superpowers - not hard to believe when you see how talented they are! They record their songs in Korean, Mandarin and Japanese, they have millions of fans all over the world, their music videos clock up hundreds of millions of views, and a captivated global audience watched this Korean-Chinese band close the 2018 Winter Olympics in South Korea. No wonder Dazed magazine called them the 'biggest Korean boyband in the world'. Featuring biographies of each of the nine current members - Suho, Xiumin, Lay, Baekhyun, Chen, Chanyeol, D.O., Kai and Sehun - as well as previous members Luhan, Kris and Tao, and taking an in-depth look at what makes them stand out from the K-pop crowd, this accessible and upbeat book is a must for any fan of one of the biggest bands on the planet.

You'll learn how to choose the best eBook format, where to find your favorite titles, and how to ensure that your eBook reading experience is both enjoyable and ethical.

Whether you're new to eBooks or a seasoned digital reader, this Do Kpop Idols Hook Up With Each Other eBook has something for everyone. So, let's dive into the exciting world of eBooks and discover how to access a world of literary wonders with ease and convenience.

Understanding Do Kpop Idols Hook Up With Each Other

Before you embark on your journey to find Do Kpop Idols Hook Up With Each Other online, it's essential to grasp the concept of Do Kpop Idols Hook Up With Each Other eBook formats. Do Kpop Idols Hook Up With Each Other come in

various formats, each with its own unique features and compatibility. Understanding these formats will help you choose the right one for your device and preferences.

Different Do Kpop Idols Hook Up With Each Other eBook Formats Explained

1. EPUB (Electronic Publication):

EPUB is one of the most common eBook formats, known for its versatility and compatibility across a wide range of eReaders and devices.

Features include reflowable text, adjustable font sizes, and support for images and multimedia.

EPUB3, an updated version, offers enhanced interactivity and multimedia support.

2. MOBI (Mobipocket):

MOBI was originally developed for Mobipocket

*Downloaded from
legacy.opendemocracy.net on 2023-04-19
by guest*

Reader but is also supported by Amazon Kindle devices.

It features a proprietary format and may have limitations compared to EPUB, such as fewer font options.

3. PDF (Portable Document Format):

PDFs are a popular format for eBooks, known for their fixed layout, preserving the book's original design and formatting.

While great for textbooks and graphic-heavy books, PDFs may not be as adaptable to various screen sizes.

4. AZW/AZW3 (Amazon Kindle):

These formats are exclusive to Amazon Kindle devices and apps.

AZW3, also known as KF8, is an enhanced

version that supports advanced formatting and features.

5. HTML (Hypertext Markup Language):

HTML eBooks are essentially web pages formatted for reading.

They offer interactivity, multimedia support, and the ability to access online content, making them suitable for textbooks and reference materials.

6. TXT (Plain Text):

Plain text eBooks are the simplest format, containing only unformatted text.

They are highly compatible but lack advanced formatting features.

Choosing the right Do Kpop Idols Hook Up With Each Other eBook format is crucial for a seamless reading experience on your device.

Project Gutenberg offers its search engine, allowing you to explore its extensive collection of free Do Kpop Idols Hook Up With Each Other.

You can search by title Do Kpop Idols Hook Up With Each Other, author, language, and more.

Internet Archive's eBook Search:

The Internet Archive's eBook search provides access to a vast digital library.

You can search for Do Kpop Idols Hook Up With Each Other and borrow them for a specified period.

Library Genesis (LibGen):

Library Genesis is known for hosting an extensive collection of Do Kpop Idols Hook Up With Each Other, including academic and scientific texts.

It's a valuable resource for researchers and students.

eBook Search Engines vs. eBook Websites

It's essential to distinguish between eBook search engines and eBook websites:

Search Engines: These tools help you discover eBooks across various platforms and websites. They provide links to where you can access the eBooks but may not host the content themselves.

Websites: eBook websites host eBooks directly, offering downloadable links. Some websites specialize in specific genres or types of eBooks.

Using eBook search engines allows you to cast a

Library, to ensure you're downloading Do Kpop Idols Hook Up With Each Other eBooks legally.

Staying Safe Online to download Do Kpop Idols Hook Up With Each Other

When exploring Do Kpop Idols Hook Up With Each Other eBook torrenting and sharing sites, it's crucial to prioritize your safety and follow best practices:

1. Use a VPN:

To protect your identity and online activities, consider using a Virtual Private Network (VPN). This helps anonymize your online presence.

2. Verify Do Kpop Idols Hook Up With Each Other eBook Sources:

Be cautious when downloading Do Kpop Idols Hook Up With Each Other from torrent sites. Verify the source and comments to ensure you're

downloading a safe and legitimate eBook.

3. Update Your Antivirus Software:

Ensure your antivirus software is up-to-date to protect your device from potential threats.

4. Prioritize Legal Downloads:

Whenever possible, opt for legal alternatives or public domain eBooks to avoid legal complications.

5. Respect Copyright Laws:

Be aware of copyright laws in your region and only download Do Kpop Idols Hook Up With Each Other eBooks that you have the right to access.

Do Kpop Idols Hook Up With Each Other eBook
Torrenting and Sharing Sites

Here are some popular Do Kpop Idols Hook Up With Each Other eBook torrenting and sharing sites:

1. The Pirate Bay:

The Pirate Bay is one of the most well-known torrent sites, hosting a vast collection of Do Kpop Idols Hook Up With Each Other eBooks, including fiction, non-fiction, and more.

2. 1337x:

1337x is a torrent site that provides a variety of eBooks in different genres.

3. Zooqle:

Zooqle offers a wide range of eBooks and is

known for its user-friendly interface.

4. LimeTorrents:

LimeTorrents features a section dedicated to eBooks, making it easy to find and download your desired reading material.

A Note of Caution

While Do Kpop Idols Hook Up With Each Other eBook torrenting and sharing sites offer access to a vast library of reading material, it's important to be cautious and use them responsibly. Prioritize legal downloads and protect your online safety. In the next chapter, we'll explore eBook subscription services, which offer legitimate access to Do Kpop Idols Hook Up With Each Other eBooks.
