She's driving him crazy. While he'd love to dump her on some planet, the best way to keep her safe might be to marry her, but that doesn't fit into his plans. But it would be kind of fun, especially since she can't stand him. ♦♦♦ A Warrior For Every Bride Alien Found is a steamy Mail Order Bride Romance with a Bossy Alien, Stuck Together, Enemies to Lovers trope and a few twists along the way. Dragon's Protection Miranda Martin 2020-05-10 Sometimes your greatest fears bring you where you need to be, no matter how hard the road is. Victoria I was stupid. Scared and stupid when I followed the racist leader of the anti-Zmaj into the desert. We were exiled from the rest of the human survivors but hey, at least I was getting away from the huge and intimidating, dragon-like Zmaj warriors. A plus right? Then I was kidnapped by alien space pirates, stolen from the planet and forced to be their slave. Now I'm scared and alone, but I'm surviving. Somehow. I would never in a million years have imagined missing the desert hell-hole Tajss, the ruined planet that became humanity's home after our generation ship crashed. But I do miss it. When the pirates finally return to Tajss, a hint of the one thing I've denied myself blossoms. Hope. There are other humans here. Others like me. Could I escape? Before I can act on the idea I'm kidnapped. Again. This time it's not the creepy space pirates. No, it's worse. This time it's one of the primitive, domineering alien-dragons. He's massive and scarier than any pirate. He steals me from them and makes off into the desert with me. I'm scared and confused to discover that the man I thought was a brutish alien is actually confident and kind. The way the light shimmers on his scales is utterly fascinating and he's dedicated to taking care of me. The longer I'm with him the less I'm worried about surviving. Now I have to worry about losing my heart to a Zmaj. Lothor The moment I see her my inner dragon decides. She's perfect and she has to be mine. I've been alone for so long. I don't know how to talk to her, I don't understand her language, and I barely remember my own. I haven't spoken to another in longer than I can remember. Somehow I have to make her understand that I'm not dangerous. I'm her protector. I'll stand for her against every enemy. I'll care for her and even though I can't speak to her, my actions will win her over. In time. As long as I can carve out enough of it and defeat every threat that fate has in store for us. She'll learn to love me, eventually, because she is the one. The one I'm fated to find, the one my dragon has claimed. My treasure.

Dragon's Temptation Miranda Martin 2020-05-10 It's a simple mission, right? Not a thing. Go, meet the new group of massive alien-dragon Zmaj warriors who call themselves 'The Order', make friendly and come home with everyone on good terms and willing to work together. Survival on Tajss is hard, everyone needs more allies, it's a no-brainer. Easy. No problem whatsoever. The perfect opportunity to put my natural skills to work! Except nothing could have prepared me for him. Big. His muscles have muscles. Wings, that tail, colorful scales but more than anything those eyes! The way they burn when he looks at me, smoldering, calling to every dirty instinct my body has. If that was all maybe I'd be okay, but he's cracking the shields of my heart too. I'm in trouble in a lot more ways than one.

Training Sasha Becca Jameson 2018-01-23 His friend's little sister... Sasha Easton has had her eye on Lincoln Walsh—the owner of Club Zodiac—for five years. Unfortunately, he does nothing but scowl at her and reject her every shy advance. She's not right for him... Lincoln doesn't have a choice but to discourage Sasha because the truth is that he's a sadist. And Sasha is no masochist. No matter

how much he might want her in his bed, he can't change the type of Dom he is. She's not as innocent as he thinks... Determined to get Lincoln to see her as more than his business partner's little sister, Sasha delivers an ultimatum--let her join Club Zodiac or she'll explore her submission elsewhere. Can he train her and let her go? Watching the only woman he's ever wanted play with another Dom is more than Lincoln can bear, so he finds himself agreeing to train her himself. After all, he's confident if he pushes her hard enough, he can protect her from the lifestyle and himself from admitting the truth about his feelings. See why the Romance Studio said, "Time and time again, Ms. Jameson infuses her talent for creating pleasurable and entertaining love stories with wonderful characters, a depth of passion and the joy at discovering your soul mate."

He must find a way to distance McKenna from the Brotherhood, all while using her to save Zyan.... McKenna There are no humans on Zyan, but the world is peaceful. She could find a small house, sew and sell clothes to make a living. Except for the Brotherhood and their hold over her. They want her to lure a warrior to their ranks. Not just any warrior either. A tall, handsome warrior whose honor is above reproach. If Remmikov's not careful, he'll find himself caught in the Brotherhood's web of lies and destruction, just like her. She likes this warrior. Out from Under You Sophie Swift 2013 "Love is an earthquake. It comes when you least expect it. It rips the ground clear away. Right out from under you." The day Lia Smart met Grayson Walker, eight years ago, was the day she fell helplessly in love with him. Coincidentally, it was the same day Grayson fell in love with someone else: Lia's smarter, sexier, superior-in-every-way older sister, Alex. Now, nearly a decade later, Alex and Grayson are long over and twenty-two-year-old Lia has finally managed to forget all those lonely nights she spent pining after her sister's boyfriend. But when Grayson unexpectedly arrives back in town with Alex for Labor Day weekend and the two announce that they're not only back together but engaged, all the feelings that Lia buried suddenly come bubbling back to the surface. But Lia is no longer the awkward, gangly tomboy she was at fourteen. Far from it. And Grayson is conflicted by the lustful thoughts he's now having for her. He knows he could never act on those thoughts, however. Grayson has always prided himself on being one of the "good guys." But as the weekend wears on, he's finding this new grown-up version of Lia more and more impossible to resist.

our planet. For the first time in many years, we have females in our midst. But some of the new humans fear our species. One of them, a quiet, dark-haired beauty with a fierce spirit, awakens my dragon. When I catch her scent, lust heats my blood.
