The Beresford - Will Carver 2021-05-22

Everything stays the same for the tenants of The Beresford, a grand old apartment building just outside the city ... until the doorbell rings... Will Carver returns with an eerie, deliciously and uncomfortably dark standalone thriller. 'A gripping novel laced with humour and cutting character insight ... a thrill from start to finish. Expect the unexpected!' Sarah Pinborough 'Equally enthralling and appalling ... unlike anything I've read in a very long while' James Oswald 'Ridiculously addictive' S J Watson _____ Just outside the city - any city, every city - is a grand, spacious but affordable apartment building called The Beresford. There's a routine at The Beresford. For Mrs May, every day's the same: a cup of cold, black coffee in the morning, pruning roses, checking on her tenants, wine, prayer and an afternoon nap. She never leaves the building. Abe Schwartz also lives at The Beresford. His housemate, Sythe, no longer does. Because Abe just killed him. In exactly sixty seconds, Blair Conroy will ring the doorbell to her new home and Abe will answer the door. They will become friends. Perhaps lovers. And, when the time comes for one of them to die, as is always the case at The Beresford, there will be sixty seconds to move the body before the next unknowing soul arrives at the door. Because nothing changes at The Beresford, until the doorbell rings... Eerie, dark, superbly twisted and majestically plotted, The Beresford is the stunning standalone thriller from one of crime fiction's most exciting names. _____ 'Creepy and brilliant' Khurram Rahman 'Reminiscent of The Shining ... a creeping and perfectly crafted novel tinged with dark humour and malice' Victoria Selman 'A masterfully macabre tale' Louise Mumford 'I stepped into the

imagination of Will Carver and it swallowed me whole' Matt Wesolowski 'Magnificently, compulsively chilling' Margaret Kirk 'Fans of Chuck Palahniuk will adore Carver ... he is utterly brilliant' Christopher Hooley 'Devilishly dark and maniacally brilliant' Raven Crime Reads 'Slick, stylish ... a sharply crafted and delectable slice of entertaining darkness' The Tattooed Book Geek 'Intense, brilliant, horrific, humorous and everything in between' Liz Loves Books

When he unleashes her deepest, darkest fantasies, she finds herself in a position she doesn't want to get out of. Luke McCoy has run fast and hard from the demons that chase him. His Harlot - S. M. LaViolette 2020-05-05

What's the most ruinous mistake a harlot can make? Falling in love with

her client ... Edward Fanshawe is everything Nora Hudson wants in the bedroom--and everything she should avoid out of it. He gives her the pain, humiliation, and domination she craves from a sexual partner, but his search for the perfect, blue-blooded wife means the last thing Nora should do is fall for him. Except...it's too late. She already has. When Edward offers to make Nora his mistress, the idea of being utterly under his dominion is as terrifying as it is titillating. As much as she wants to stay with Edward forever, she worries that living with the man she loves--the man who takes everything her body has to give and wants nothing to do with her heart--will eventually destroy her. But then Nora meets the woman Edward intends to marry and her situation becomes considerably more complicated. And erotic... *** His Harlot is an angsty, dark, standalone historical erotic romance novel featuring consensual S&M, BDSM and both M/F, F/F, menage, voyeurism, exhibitionism, explicit love scenes, and YES, a happily ever after! The oldest of the Walker brothers opens a unique resort—catering to fetishes and fantasies—in this sizzling ebook from New York Times and USA TODAY bestselling author Nicole Edwards. Travis Walker, the oldest of the seven Walker brothers, has been referred to as moody and mysterious, and for the most part, he would agree. Until recently, he spent his days helping his brothers run the family business. Now, he dedicates his time and energy to building a resort, Alluring Indulgence, that caters to fetishes and fantasies. And despite his attempt to work himself into the ground, Travis has never denied—at least not to himself—that something is missing. Ten years ago, Travis made the hardest decision of his life, breaking his own heart in the process. A decade later, he is learning that life has a strange way of turning things upside down before placing the pieces exactly where they were meant to go.

The Anatomy of Jane - Amelia LeFay 2017-01-19

Jane I've always been on my own. My life used to consist of nothing but work, keeping Allen out of trouble, and if I had time, sleep. Then I became their maid. Max Every day more than half a million people tune in to watch my show. They trust me. I know it's because I'm the only son of the prominent Emerson family. However, I like to believe it because I'm honest no matter what story I report on. I'm honest about everything but the man I've been f**king for the last four years... and now her.

Wesley I want three things: First, Maxwell Emerson and Jane Chapman both in my bed. Second, to be the best bloody chef in the country. Third, to figure out how to simultaneously get the first and second things I want without any of us getting hurt. Three People One Love Story

The Nanny - Brandy Bush 2020-09-14

I know what people see when they look at me. I know what they assume. That I'm my kids's nanny. That my husbands are my employers. I don't know why it annoys me, but it does. It activates some primal part of me and makes me want to stake a claim on my place in my family. And what better way to do that, than to get pregnant again? Besides, trying to get pregnant is great for short-term stress relief and that's just what I need

right now.
