The Complete Forging of Luke Stone and Luke Stone Thriller Bundle Jack Mars 2021-09-23 In a cat and mouse chase, Agent Luke Stone realizes he is up against a vast conspiracy, and that the target is even more high value than he could have imagined—leading all the way to the President of the United States. “Thriller writing at its best. Thriller enthusiasts who relish the precise execution of an international thriller, but who seek the psychological depth and believability of a protagonist who simultaneously fields professional and personal life challenges, will find this a gripping story that's hard to put down.” --Midwest Book Review, Diane Donovan (regarding Any Means Necessary) “One of the best thrillers I have read this year. The plot is intelligent and will keep you hooked from the beginning. The author did a superb job creating a set of characters who are fully developed and very much enjoyable. I can hardly wait for the sequel.” --Books and Movie Reviews, Roberto Mattos (re Any Means Necessary) A complete bundle of 13 books in THE FORGING OF LUKE STONE and the LUKE STONE THRILLER series by USA Today bestselling author Jack Mars, author of the critically-acclaimed Agent Zero series (with over 5,000 five-star reviews). In his explosive, action-packed thriller series, Jack Mars takes readers on a wild-ride across America and the world. In THE FORGING OF LUKE STONE, when elite Delta Force soldier Luke Stone, 29, joins a secretive government agency, he is dispatched on the mission of a lifetime: a whirlwind race across Europe and the Mid-East to save the President's daughter before she is beheaded by terrorists. Here, we see the forging of one of the world's toughest—and most lethal—soldiers: Luke Stone. A 29 year old veteran who has seen enough battle to last a lifetime, Luke is tapped by the Special Response Team, a secretive new FBI agency (led by his mentor Don Morris) to tackle the most high-stake terrorism operations in the world. Luke, still haunted by his wartime past and newly married to an expecting Becca, is dispatched on a mission to Iraq, with his new partner Ed Newsam, to bring in a rogue American contractor. But what begins as a routine mission mushrooms into something much, much bigger. When the President's teenage daughter, kidnapped in Europe, is ransomed by terrorists, Luke may be the only one in the world who can save her before it is too late. In the LUKE STONE THRILLER series, what begins it all is the theft of nuclear waste by jihadists from an unguarded New York City hospital. The police, in a frantic race against time, call in the FBI—and Luke Stone, head of an elite, secretive, department within the FBI, is the only man who can handle it. Luke realizes right away that the terrorists' aim is to create a dirty bomb, that they seek a high-value target, and that they will hit it within 48 hours. Caught in a chase that pits the world's most savvy government agents against its most sophisticated terrorists, Agent Stone peels back layer after layer. With Luke framed for the crime, his team threatened and his own family in danger, the stakes could not be higher. But as a former special forces commando, Luke has been in tough positions before, and he will not give up until he finds a way to stop them—using any means necessary. Twist follows twist as one man finds himself up against an army of obstacles and conspiracies, pushing even the limits of what he can handle—and culminating in a shocking climax. A political thriller with heart-pounding action, dramatic international settings, and non-stop suspense, THE FORGING OF LUKE STONE and the LUKE STONE THRILLER series will leave you turning pages late into the night.

Legendborn Tracy Deonn 2020-09-15 An Instant New York Times Bestseller! Winner of the Coretta Scott King - John Steptoe for New Talent Author Award Filled with mystery and an intriguingly rich magic system, Tracy Deonn's YA contemporary fantasy *Legendborn* offers the dark allure of *City of Bones* with a modern-day twist on a classic legend and a lot of Southern Black Girl Magic. After her mother dies in an accident, sixteen-year-old Bree Matthews wants nothing to do with her family memories or childhood home. A residential program for bright high schoolers at UNC-Chapel Hill seems like the perfect escape—until Bree witnesses a magical attack her very first night on campus. A flying demon feeding on human energies. A secret society of so called "Legendborn" students that hunt the creatures down. And a mysterious teenage mage who calls himself a "Merlin" and who attempts—and fails—to wipe Bree's memory of everything she saw. The mage's failure unlocks Bree's own unique magic and a buried memory with a hidden connection: the night her mother died, another Merlin was at the hospital. Now that Bree knows there's more to her mother's death than what's on the police report, she'll do whatever it takes to find out the truth, even if that means infiltrating the Legendborn as one of their initiates. She recruits Nick, a self-exiled Legendborn with his own grudge against the group, and their reluctant partnership pulls them deeper into the society's secrets—and closer to each other. But when the Legendborn reveal themselves as the descendants of King Arthur's knights and explain that a magical war is coming, Bree has to decide how far she'll go for the truth and whether she should use her magic to take the society down—or join the fight.

The Love Hypothesis Ali Hazelwood 2021-09-14 The Instant New York Times Bestseller and TikTok Sensation! As seen on THE VIEW! A BuzzFeed Best Summer Read of 2021 When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman's carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships--but her best friend does, and that's what got her into this situation. Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor--and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope.

Attached Amir Levine 2012-01-05 "Over a decade after its publication, one book on dating has people firmly in its grip." —The New York Times We already rely on science to tell us what to eat, when to exercise, and how long to sleep. Why not use science to help us improve our relationships? In this revolutionary book, psychiatrist and neuroscientist Dr. Amir Levine and Rachel Heller scientifically explain why some people seem to navigate relationships effortlessly, while others struggle. Discover how an understanding of adult attachment—the most advanced relationship science in existence today—can help us find and sustain love. Pioneered by psychologist John Bowlby in the 1950s, the field of attachment posits that each of us behaves in relationships in one of three distinct ways: • Anxious people are often preoccupied with their relationships and tend to worry about their partner's ability to love them back • Avoidant people equate intimacy with a loss of independence and constantly try to minimize closeness. • Secure people feel comfortable with intimacy and are usually warm and loving. Attached guides readers in determining what attachment style they and their mate (or potential mate) follow, offering a road map for building stronger, more fulfilling connections with the people they love.

Zombiemandias David J. Lovato 2015-10-20 Zombiemandias: In the Zombie Apocalypse Collection brings together three zombie apocalypse books. After the Bite - Short stories and poems set before, during, and after the zombie apocalypse detailed in the main series. It's June 21st, 2013. People are living their lives: Garrett is driving home from the grocery store. Captain Trent Hampton is welcoming a visiting crew to the International Space Station. Nine-months-pregnant Deraan is eating dinner with her mother-in-law from Hell. A young Mexican boy is sneaking across the border into America to find his brother. They're all about to be interrupted by zombies. After the Bite is the zombie apocalypse from the point of view of the everyday people who will experience it. From the mountains of Colorado to the highways of the American Midwest, from the front lines of Afghanistan to the reaches of space, everything changes when people start attacking each other. And killing each other. And eating each other. In the midst of chaos, people find enemies and allies in the most unlikely places. They'll need all the help they can get to survive, because after the bite, everything changes. In the Lone and Level Sands - When the zombie apocalypse begins, Layne is on a plane flying 30,000 feet above the northwestern United States. Recently divorced Evan and Cynthia are at their daughter's ballet recital. Jordan is working as a cashier at a grocery store. Max is at the carnival with his tightly knit family. Ben and Charlotte have just survived a car crash. Zoe is all alone on her way home from school. Martha is at her husband's funeral. On June 21st, 2013, a random selection of the world's population changes. People who were once friends and family turn into murderous zombies, and people who were once strangers or enemies turn into allies. Seven groups of survivors across America will have to struggle to escape, survive, or learn what caused people to turn into monsters—or else become one of them. In the Year of Our Death - It's been two years since the zombies first appeared and changed the world forever. Keely and her friends escaped the hell of Seattle and settled down near an abandoned radio station. Bailey finds herself caught up with a ravenous group of survivors. Georgie has set up a courier system to move mail across the remains of America. Will and his friends—all of them orphans now—are out of water and have to leave their quiet suburb for the first time in their lives. Nelson, the engineer charged with running Hoover Dam and powering the American Southwest, breaks his glasses and must wander the wasteland nearly blind looking for a replacement. Adam, however, knows the truth about the zombies: They aren't monsters, they're angels, sent by God to cleanse

the world of the survivors, and Adam and his Church of Lesser Humans were put here to help them do it. Armed only with faith, a bus, and the steadfast rule to never allow harm to come to the zombies, Adam knows Judgment Day is coming, and will stop at nothing to herald its arrival.

Foe J M Coetzee 2015-05-28 Nobel Laureate and two-time Booker prize-winning author of *Disgrace* and *The Life and Times of Michael K*, J. M. Coetzee reimagines Daniel DeFoe's classic novel *Robinson Crusoe* in *Foe*. Published as a Penguin Essential for the first time. In an act of breathtaking imagination, J.M Coetzee radically reinvents the story of *Robinson Crusoe*. In the early eighteenth century, Susan Barton finds herself adrift from a mutinous ship and cast ashore on a remote desert island. There she finds shelter with its only other inhabitants: a man named Cruso and his tongueless slave, Friday. In time, she builds a life for herself as Cruso's companion and, eventually, his lover. At last they are rescued by a passing ship, but only she and Friday survive the journey back to London. Determined to have her story told, she pursues the eminent man of letters Daniel Foe in the hope that he will relate truthfully her memories to the world. But with Cruso dead, Friday incapable of speech and Foe himself intent on reshaping her narrative, Barton struggles to maintain her grip on the past, only to fall victim to the seduction of storytelling itself. Treacherous, elegant and unexpectedly moving, *Foe* remains one of the most exquisitely composed of this pre-eminent author's works. 'A small miracle of a book. . . of marvellous intricacy and overwhelming power' *Washington Post* 'A superb novel' *The New York Times*

The Way Of Shadows Brent Weeks 2009-06-11 The razor-sharp first novel in the *Night Angel* trilogy, from international bestseller Brent Weeks The perfect killer has no friends. Only targets. For Durzo Blint, assassination is an art. And he is the city's most accomplished artist, his talents required from alleyway to courtly boudoir. For Azoth, survival is precarious. Something you never take for granted. As a guild rat, he's grown up in the slums, and learned the hard way to judge people quickly - and to take risks. Risks like apprenticing himself to Durzo Blint. But to be accepted, Azoth must turn his back on his old life and embrace a new identity and name. As Kylar Stern, he must learn to navigate the assassins' world of dangerous politics and strange magics - and cultivate a flair for death. 'Brent Weeks is so good it's beginning to tick me off' Peter V. Brett 'Weeks has a style of immediacy and detail that pulls the reader relentlessly into the story. He doesn't allow you to look away' Robin Hobb 'I was mesmerised from start to finish. Unforgettable characters, a plot that kept me guessing, non-stop action and the kind of in-depth storytelling that makes me admire a writers' work' Terry Brooks 'Weeks has truly cemented his place among the great epic fantasy writers of our time' *British Fantasy Society* Books by Brent Weeks *Night Angel* *The Way of Shadows* *Shadow's Edge* *Beyond the Shadows* *Perfect Shadow* (novella) *Lightbringer* *The Black Prism* *The Blinding Knife* *The Broken Eye* *The Blood Mirror* *The Burning White*

The Spanish Love Deception Elena Armas 2022-02-08 A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. *The Spanish Love Deception* is an enemies-to-lovers, fake-dating.

Once Upon a River Diane Setterfield 2019-07-02 From the instant #1 *New York Times* bestselling author of the "eerie and fascinating" (*USA TODAY*) *The Thirteenth Tale* comes a "swift and entrancing, profound and beautiful" (Madeline Miller, internationally bestselling author of *Circe*) novel about how we explain the world to ourselves, ourselves to others, and the meaning of our lives in a universe that remains impenetrably mysterious. On a dark midwinter's night in an ancient inn on the river Thames, an extraordinary event takes place. The regulars are telling stories to while away the dark hours, when the door bursts open on a grievously wounded stranger. In his arms is the lifeless body of a small child. Hours later, the girl stirs, takes a breath and returns to life. Is it a miracle? Is it magic? Or can science provide an explanation? These questions have many answers, some of them quite dark indeed. Those who dwell on the river bank apply all their ingenuity to solving the puzzle of the girl who died and lived again, yet as the days pass the mystery only deepens. The child herself is mute and unable to answer the essential questions: Who is she? Where did she come from? And to whom does she belong? But answers proliferate nonetheless. Three families are keen to claim her. A wealthy young mother knows the girl is her kidnapped daughter, missing for two years. A farming family reeling from the discovery of their son's secret liaison stand ready to welcome their granddaughter. The parson's housekeeper, humble and isolated, sees in the child the image of her younger sister. But the return of a lost child is not without complications and no matter how heartbreaking the past losses, no matter how precious the child herself, this girl cannot be everyone's. Each family has mysteries of its own, and many secrets must be revealed before the girl's identity can be known. *Once Upon a River* is a glorious tapestry of

a book that combines folklore and science, magic and myth. Suspenseful, romantic, and richly atmospheric, this is "a beguiling tale, full of twists and turns like the river at its heart, and just as rich and intriguing" (M.L. Stedman, #1 New York Times bestselling author of *The Light Between Oceans*).

Models Mark Manson 2017-09-11 "You can become irresistibly attractive to women without changing who you are." So says Mark Manson, superstar blogger and author of the international bestseller, *The Subtle Art of Not Giving a F*ck*, a self help book that packs a punch. Mark brings the same approach to teaching men what they need to know about attracting women. In *Models* he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, *Models* is a mature and honest guide on how a man can attract women by giving up the bullsh*t and becoming an honest broker. "A detailed guide to modern sexual ethics" Sydney Morning Herald "There's nothing subtle about Mark Manson. He's crude and vulgar and doesn't give a f*ck . . . He's as painfully honest as he is outrageously funny" Huffington Post

Personal Development for Smart People Steve Pavlina 2009-10-15 Despite promises of "fast and easy" results from slick marketers, real personal growth is neither fast nor easy. The truth is that hard work, courage, and self-discipline are required to achieve meaningful results—results that are not attained by those who cling to the fantasy of achievement without effort. *Personal Development for Smart People* reveals the unvarnished truth about what it takes to consciously grow as a human being. As you read, you'll learn the seven universal principles behind all successful growth efforts (truth, love, power, oneness, authority, courage, and intelligence); as well as practical, insightful methods for improving your health, relationships, career, finances, and more. You'll see how to become the conscious creator of your life instead of feeling hopelessly adrift, enjoy a fulfilling career that honors your unique self-expression, attract empowering relationships with loving, compatible partners, wake up early feeling motivated, energized, and enthusiastic, achieve inspiring goals with disciplined daily habits and much more! With its refreshingly honest yet highly motivating style, this fascinating book will help you courageously explore, creatively express, and consciously embrace your extraordinary human journey.

Principia Amoris John Mordechai Gottman 2014-10-10 Stereotypically, science and emotion are diametric opposites: one is cold and unfeeling, the other soft and nebulous; one is based on proven facts while the other is based on inexplicable feelings and "never the twain shall meet," until now. John Gottman delves into the unquantifiable realm of love, armed with science and logic, and emerges with the knowledge that relationships can be not only understood, but also predicted as well. Based on research done at his Love Lab and other laboratories, Gottman has discovered that the future of love relationships can be predicted with a startling 91% success rate. These predictions can help couples to prevent disasters in their relationships, recognize the signs of a promising relationship, and perhaps more importantly, recognize the signs of a doomed one. *Principia Amoris* also introduces Love Equations, a mathematical modeling of relationships that helps understand predictions. Love Equations are powerful tools that can prevent relationship distress and heal ailing relationships. Readers learn about the various research and studies that were done to discover the science behind love, and are treated to a history of the people, ideas, and events that shaped our current understanding. They also learn about: • The "Four Horsemen of the Apocalypse" • 45 natural principles of love • 5 couple types • 5 recipes for good relationships • And much more! Just as science helped us to understand the physical world, it is helping us to understand the emotional world as well. Using the insights in this book, mental health professionals can meaningfully help their distressed clients, as well as better understand why a relationship is failing or succeeding. Appropriate for the curious non-mental health professional as well, *Principia Amoris* is a must-have on any bookshelf!

The Guyde Howie Reith 2016-11-19 *The Guyde* is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. *The Guyde* is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of *The Guyde* deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. *The Guyde* is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Tips To Attract Any Man Dexter Zaibel 2021-07-12 Are you wondering whether a specific man has lost interest in you? What will you learn inside to always be pursued? -How killing him with kindness will backfire on you. -How to eliminate clinginess. -Why the "nice girl" doesn't get guys. -What "bitches" do to attract men and why it is so effective. -How to never be taken for granted. In addition to the following... -The slippery slope of being thoughtful. -How to use anticipation to your advantage. -How to take back your life and get out of your rut. -The single most unattractive mindset towards men.

Never Chase Men Again Bruce Bryans 2015-06-06 Discover How to Get the Guy You Want and Avoid Dead-End Relationships If a man doesn't take you seriously he may feel compelled to have a good time with you. Unfortunately, this good time will last until you finally realize you're being taken for a ride or until Mr. Time-Waster moves on to the woman he REALLY wants. In cases like this, what a woman really requires are two things: a healthy amount of self-respect and a set of "player-proof" dating rules that will allow her to make wise dating decisions as she navigates the treacherous territory of finding Mr. Right. How to Keep a Man Interested Without Playing Games or Becoming His Doormat Many dating advice books for women tout the idea that a high level of confidence is key when dealing with men. However, while this is partially true, being confident, at least in regards to making a man pursue you, is pointless without understanding how to apply that confidence in various dating situations when dealing with men. A woman's confidence is communicated to a man by what she stands for and what she doesn't. Being able to confidently socialize with men, having confident body language, and illustrating confidence in your femininity will only go so far if you still allow men to have their way with your emotions, time, affections, body, and anything else for that matter. Self-confidence makes a woman more attractive, but unless it effects how she enforces her personal boundaries it won't do anything to keep a man interested in her for the long-term. How to Date a Man to Keep Him Calling and Falling For You Women with strong personal boundaries are principle-centered, not men-centered or romance-

centered. To them, their personal values, such as giving and receiving unconditional love, are more important to them than needing to be with any one particular guy. When a woman has strong personal boundaries she doesn't make excuses because of a man's handsomeness, status, wealth, race, background, promises, sexual chemistry, etc. She sticks to her guns and refuses to settle for dating situations that might cause her distress or jeopardize her future happiness. This book was designed to show women how men appraise female behavior in order to determine a woman's level of self-respect and therefore, her value as a romantic partner. In it, you'll discover the timeless seduction secrets and dating rules for women that will help you avoid those dating mistakes that could make a woman appear desperate, needy, commonplace, or even "unqualified" for a serious commitment to a great guy. Here's what you're going to learn inside: The most powerful form of male seduction that can KEEP a woman helplessly "addicted" to chasing a man. How to keep a man interested by doing the one thing MOST women are terrified of doing when they find a great guy. An irritating habit that causes high-quality men to stop pursuing a woman almost INSTANTLY. How to "rebuff" undesirable male behavior and get the guy you want to either take you seriously or take a HIKE! A simple "Ego-Popping" phrase that burns into a man's memory, keeps you STUCK on his mind, and makes him DESPERATE to see you again. How to seduce a man and MELT his heart by overwhelming him with the ONE THING only the RIGHT woman can give him. A dangerous and common dating mistake that FORCES a man to disappear or "log out" of a relationship...for GOOD. Foolproof dating rules for women (the "Nice Girls") who feel that men CONSTANTLY take advantage of their love and kindness. And much, much more... Would You Like to Know More? Get started right away and discover how to get the guy and keep him interested in you without playing games. Scroll to the top of the page and select the "buy button" now.

Unfriending My Ex Kim Stolz 2015-01-06 The author presents a humorous look at her obsession with the Internet and her cellular phone, arguing that her dependence is a sign of how social media has made it difficult for her and her peers to have meaningful connections to others.

Get the Guy Matthew Hussey 2013-01-31 In this book, Matthew Hussey - the world's leading relationship coach and New York Times bestselling author - offers advice on how to find your ideal partner - and, importantly, how to keep them. Using simple steps, Matthew guides us through the complex maze of dating and shows just how to find the right man, get the right man and keep the right man. What readers are saying 'This is not a book about getting a man. Is more about how loving yourself first can open the doors to someone special in your life. I love it' -- ***** Reader review 'A must-read' -- ***** Reader review 'Positive and empowering' -- ***** Reader review 'Absolutely fantastic' -- ***** Reader review 'Great read, interesting and funny. This is also helpful and challenging in the right way' -- ***** Reader review 'Best book ever! It's worked for me :-)' -- ***** Reader review ***** GET MORE THAN JUST DATING ADVICE. FALL IN LOVE WITH YOUR LIFE. In *Get the Guy*, Matthew shares his dating secrets and provides women with the toolkit they need to approach men, and to create and maintain relationships. Along the way, he explodes some commonly held myths about what it is that guys really want, shares strategies on how women can take control of their dating destinies and empowers them to go out there and find an exhilarating, adventurous love life. LEARN THE SECRETS OF THE MALE MIND TO FIND THE MAN YOU WANT AND THE LOVE YOU DESERVE...

Medical Heroes and Heretics Wayne Martin 1977 Orthodox science -- particularly in the medical profession -- has for centuries resisted change. It traces back at least as far as Socrates who was done to death for corrupting youth with his innovative ideas. In recent times, practically all the great advances in medicine have been made against a powerfully entrenched orthodoxy. Wayne Martin's book is about some of the men involved -- then and now: Oliver Wendell Holmes, Sr., who made physicians wash their hands; Louis Pasteur, who postulated the connection between bacteria and certain diseases; Frederick Banting, who discovered insulin; Jonas Salk, who solved the mystery of polio, to mention but a few. These men all braved the wrath of the medical establishment of their day. Heretics they were, but Heroes they became. Similarly, today a group of brave pioneers are fighting the same fight. They are, says the author, the heroes of tomorrow: Ernst Krebs, Jr., Evan Shute, Dean Burk, Denis Burkitt, Virginia Livingston and a dozen others, all of whose careers and findings are described here by a man who has pursued his topic for the past ten years.
