**Where Butterflies Go** - Debra Doxer 2020-09-04

IndieReader Discovery Award Winner for Best Historical Fiction IAN Book of the Year Awards Finalist for Outstanding Historical Fiction Meira Sokolow had the misfortune of being born to Jewish parents in Warsaw, Poland, in 1912. Before she took her first breath, her fate had been sealed. Residing in the Jewish Quarter of the city, Meira's early life was typical. She fell in love with a local boy, got married, and had a daughter. Then the German army marched into Warsaw and everything changed. Forced into the ghetto with her family, she found survival to be a daily struggle. Hunger, disease, and unimaginable cruelty were her stark realities. When the ghetto was purged and she was sent to a concentration camp, Meira still had her family, and that was all that mattered. Then the camp was liquidated, and only a handful of survivors remained out of thousands. Meira Sokolow was one of them. No longer a wife or mother, Meira emigrated to New York City. After World War II, the world wanted to move on and start a new chapter, but Meira couldn't turn the page so easily. She walked through her days alone, like a ghost with nothing to tether her to the earth. Then she met Max, a handsome American, who first mistook her for one of the boring socialites he encountered every day. He soon learned she

was unlike anyone he had met before, seeing her strength and resilience, even when she couldn't. Max knew he could breathe life into her again, if only she would let him. Where Butterflies Go is based on the harrowing true story of one woman's survival during the Nazi occupation of Poland, and her struggle to find meaning in the aftermath.

**Chasing Butterflies** - Vanessa Guignery 2011  
In 1951, Janet Frame published her first book *The Lagoon and Other Stories*, a collection which would win the most prestigious national literary award in New Zealand and launch her fascinating career. The essays collected in this volume examine the motifs at work in Frame's short stories and unravel a unique literary world which revisits the realist tradition and grants prose a poetic dimension. As much a reflexion about language, voice, modes of writing and narrative strategies as an analysis of Frame's recurrent concerns with identity, childhood, relationships between mothers and daughters, secrecy, marginality, community or death, *Chasing Butterflies* is a great tribute to one of the most famous New Zealand writers.

**Red Butterfly** - A.L. Sonnichsen 2015-02-03  
A young orphaned girl in modern-day China discovers the meaning of family in this "heartbreaking, heartwarming, and impressive debut" (Publishers Weekly, starred review) told in verse, in the tradition of *Inside Out and Back Again* and *Sold*. Kara never met her birth mother. Abandoned as an infant, she was taken in by an American woman living in China. Now eleven, Kara spends most of her time in their apartment, wondering why she and Mama cannot leave the city of Tianjin and go live with Daddy in Montana. Mama tells Kara to be content with what she has...but what if Kara secretly wants more? Told in lyrical, moving verse, *Red Butterfly* is the story of a girl learning to trust her own voice, discovering that love and family are limitless, and finding the wings she needs to reach new heights.

1888. A little girl called Mirror and her extraordinary shape-shifting guardian Goliath Honeyflower are washed up on the shores of Victorian England. Something has been wrong with Mirror since the day her grandfather locked her inside a mysterious clock that was painted all over with ladybirds. Mirror does not know what she is, but she knows she is no longer human. John Loveheart, meanwhile, was not born wicked. But after the sinister death of his parents, he was taken by Mr Fingers, the demon lord of the underworld. Some say he is mad. John would be inclined to agree. Now Mr. Fingers is determined to find the little girl called Mirror, whose flesh he intends to eat, and whose soul is the key to his eternal reign. And John Loveheart has been called by his otherworldly father to help him track Mirror down... An extraordinary dark fairytale for adults, for fans of Catherine Valente and Neil Gaiman.

**The Butterflies Above My Bed** - Mya Mia Happy Michael 2014-02

A dog's life is more than just tail-wagging, treat-begging and squirrel-chasing. In *The Butterflies Above My Bed*, Mya Mia Happy Michael (as told to her beloved human companion Samantha Michael), chronicles the joys, frustrations and general puzzlement's of a dog's life. And though a glass window separates Mya's sunny perch inside from the wild, untamed world of the forest into which she gazes daily with full attention, the boundary between nature and civilization can be torn at any moment, as Mya learns when her world collides unexpectedly with that of a wandering monarch butterfly. She'll soon be endearingly duped into "punishment" for her unintentional error but even that trick offers a few treats of its own. Mya navigates a human-dominated landscape filled with inexplicable gadgets, simple pleasures and strange holidays, unafraid to assert her "dogness" at every turn. The friendly beagle reminds her human audience that the length of a leash is an oh-so-surmountable limitation for a well-meaning dog with an appetite for adventure. Samantha's own experience writing her memoir *The Beauty of my Shadow* aided Mya in composing hers. Together, they've helped each other power through the ups and downs of a world with a propensity for unexpected happenings, reminding each other

that beauty is fleeting and fragile but it is nonetheless everywhere, ready to reveal itself to those willing to look. A percentage of author royalties from the sale of this book are donated to charity of Mya's choice. Please see [www.anaid.org](http://www.anaid.org) for details. Donated royalties are net of commissions.

Girl Get the Wine - Em Rina 2021-04-15

Hi! I'm Em. I've been happily single for about five and a half years. Okay, I know what you're thinking...happily single? Yes. Five years and three months of glorious, albeit sometimes exhausting, adventures in the world of London dating. Besides the normal moments of butterflies in my stomach, sadness from disappointment, and embarrassing moments where you just want the world to swallow you whole there have been moments that deserve to be immortalised. Maybe not the guys...but the moments definitely. The moments when his dad was the chauffeur when I cried because he only left me a can of tuna, when the fire exit was the quickest way out, or when I tripped over flat pavement while racing down the street of Central London in heels at twilight. Yes, I've met some interesting characters but the moments that have starred them are the stories that have kept me and my friends in stitches. What can I

say? My life was meant to be a book. So when I say that I am happy, I truly mean I am happy. Dating just to date is fun. Someone might say my London dating life has been pretty chaotic. Chaotic but entertaining.

**The Fall of Butterflies** - Andrea Portes 2016-05-10

We Were Liars meets Looking for Alaska in a uniquely funny and heartbreaking teen novel about a passionate-yet-doomed friendship set against a backdrop of wealth and glamour. Willa Parker, 646th and least-popular resident of What Cheer, Iowa, is headed east to start a new life. Did she choose this life? No, because that would be too easy—and nothing in Willa's life is easy. It's her famous genius mother's idea to send her to ultra-expensive, ultra-exclusive Pembroke Prep, and Willa has no intention of fitting in. But when she meets peculiar, glittering Remy Taft, the richest, most mysterious girl on campus, she starts to see a foothold in this foreign world—a place where she could maybe, possibly, sort of fit in. When Willa looks at Remy, she sees a girl who has everything. But for Remy, having everything comes at a price. And as she spirals out of control, Willa can feel Remy spinning right out of her grasp. Andrea Portes, author of the hilarious, heartbreaking *Anatomy of a Misfit*, spins a similarly incandescent, heartfelt story that explores the meaning of friendship, new beginnings, and the precarious joy and devastating pain of finding home in a place—a person—with wings.

**Butterfly's Tongue** - Manuel Rivas 2000  
'Butterfly's Tongue' tells of the friendship between a schoolboy and an anarchist schoolmaster, born of a shared interest in animal and insect life, which is destroyed by the eruption of the Spanish Civil War in the summer of 1936. Other stories are woven around characters who appear in this central story. In 'A Saxophone in the Mist', a young musician discovers the meaning of music and of love in the face of a girl he meets one foggy night at a fair. In 'Carmina' a boy listens as a man relates how a dog frustrated him in his attempts to woo his beloved. Each of these magical stories by the Galician writer Manuel Rivas, the basis for the memorable film by Jos Luis Cerda, evokes the wonder of a young boy's first encounter with the adult world and his first experiences of human

passion and the mysteries of unrequited love.
