

Girl Get Kidnapped In New York

The Girl Who Wasn't There - Vincent Zandri 2020-06-30

New York Times and USA Today best-selling author Trust no one. Not your best friend, not your wife, not the police—and certainly not yourself. Sidney O'Keefe just wants to spend a peaceful weekend alone with his wife and daughter in the vacation paradise of Lake Placid, New York—now that he's been paroled after a ten year stretch in a maximum-security prison. But any illusion of a peaceful future is destroyed when his eleven-year-old daughter, Chloe, suddenly disappears from the iconic beach scene, leaving Sidney and his wife, Penny, stricken with fear and panic. When it's determined that his old crime boss, Mickey Rabuffo, might be behind the abduction, it becomes apparent that the past has not only come back to haunt Sidney, but it's come back to kill the entire family. With the village police assuming that Sidney, an ex-con with a history of prison violence, is responsible for his daughter's disappearance, Sidney is left with no choice—he needs to take the law into his own hands—not only to expose the truth about what's developing into a conspiracy of Biblical proportions, but also to render his own particular brand of rough justice. Perfect for fans of Gillian Flynn and Paula Hawkins

Little Girl Lost - Brian McGilloway 2020-11-19

A NEW YORK TIMES BESTSELLER 'Dazzling' The Guardian on Borderlands 'A clever web of intrigue that deepens and darkens as it twists' Peter James on Gallows Lane 'Some of the very best crime fiction being written today' Lee Child on Bad Blood Midwinter. A child is found wandering in an ancient woodland, her hands covered in blood. But it is not her own. Unwilling - or unable - to speak, the only person she seems to trust is the young officer who rescued her, Detective Sergeant Lucy Black. Soon afterwards, DS Black is baffled to find herself suddenly

moved from a high-profile case involving a kidnapping of another girl, a prominent businessman's teenage daughter. At home, Black is struggling with caring for her increasingly unstable father, and trying to avoid conflict with her frosty mother - who also happens to be the Assistant Chief Constable. As she tries to identify the unclaimed child, Black begins to realize that her case and the kidnapping may be linked by events from the grimmest days of the country's recent history - events that also defined her own troubled childhood. _____

The first in Brian McGilloway's thrilling DS Lucy Black series, *Little Girl Lost* is an addictive crime thriller set in Northern Ireland about corruption, greed and vengeance, and a father's love for his daughter. Praise for *Little Girl Lost* 'An assured and grittily realistic tale from an author who is being compared to Ian Rankin and James Lee Burke' Sunday Business Post [Roger Ebert's Movie Yearbook 2010](#) - Roger Ebert 2009-11-09

Roger Ebert's *Movie Yearbook 2010* is the ultimate source for movies, movie reviews, and much more. For nearly 25 years, Roger Ebert's annual collection has been recognized as the preeminent source for full-length critical movie reviews, and his 2010 yearbook does not disappoint. The yearbook includes every review Ebert has written from January 2007 to July 2009. It also includes interviews, essays, tributes, and all-new questions and answers from his Questions for the Movie Answer Man columns. Fans get a bonus feature, too, with new entries to Ebert's *Little Movie Glossary*. This is the must-have go-to guide for movie fanatics.

The Good Girl - Mary Kubica 2015-02-24

The daughter of a prominent Chicago judge and his socialite wife, inner-city art teacher Mia Dennett is taken hostage by her one-night stand, Colin Thatcher, who, instead of delivering her to his employers, hides her in a secluded cabin in rural Minnesota to keep her safe from harm.

[The Girl Who Disappeared Twice](#) - Andrea Kane 2012-05-29

A "New York Times"-bestselling author delivers the first novel in a new series centered on a team of unconventional private investigators called Forensic Instincts.

[Protocol for a Kidnapping](#) - Ross Thomas 2012-07-10

When his old boss is kidnapped, St. Ives reluctantly agrees to free him Philip St. Ives loses his first job in journalism as soon as he realizes he hates the man who gave it to him. Chicago Post editor Amfred Killingsworth is a pompous blowhard, and fires his newest reporter for failing to fawn over him. St. Ives goes to New York, where he lands a daily column and the close friendship of an assortment of crooks.

Killingsworth goes in a less respectable direction, becoming the US ambassador to Yugoslavia. By the time the ambassador gets himself kidnapped, the only man who can save him is his former cub reporter. The kidnapers demand the release of a Slavic poet in exchange for the ambassador, and St. Ives goes behind the Iron Curtain to arrange the hand-off. To protect a trove of ugly Washington secrets, he'll have to save the life of a universally disliked man.

[The Snatch Racket](#) - Carolyn Cox 2021-03

Although the 1932 kidnapping of aviator Charles Lindbergh's baby was a worldwide sensation, it was only one of an estimated three thousand ransom kidnappings that occurred in the United States that year. The epidemic hit America during the Great Depression and the last days of Prohibition as criminal gangs turned kidnapping into the highly lucrative "snatch racket." Wealthy families and celebrities purchased kidnap insurance, hired armed chauffeurs and bodyguards, and carried loaded handguns. Some sent their children to school or summer camp in Europe to get them out of harm's way. "Recent Kidnappings in America" was a regular feature in the New York Times, while Time magazine included kidnappings in its weekly list of notable births, deaths, and other milestones. The Snatch Racket is the story of a crime epidemic that so frightened families that it undermined confidence in law enforcement and government in general. In response, President Franklin D. Roosevelt waged a three-year War against Kidnappers with J. Edgar Hoover and his

G-men (newly empowered to carry weapons and make arrests) on the front lines. This first U.S. war against terrorism revolutionized and modernized law enforcement in the United States, dramatically expanding the powers of the federal government in the fight against not only kidnapping but many new types of interstate crime. At the heart of the narrative are some of the most iconic names of the twentieth century: Rockefeller, Ford, Lindbergh, Roosevelt, Hoover, Capone, Schwarzkopf, and Hearst, all caught up in the kidnapping frenzy. The Snatch Racket is a spellbinding account of terrifying abductions of prominent citizens, gangsters invading homes with machine guns, the struggles of law enforcement, and the courage of families doing whatever it took to bring home the ransomed.

The Lost Girls - John Glatt 2015-04-14

A New York Times Bestseller! New York Times bestselling crime writer John Glatt tells the true story behind the kidnappings and long-overdue rescue of three women found in a Cleveland basement. The Lost Girls tells the truly amazing story of Amanda Berry, Gina DeJesus and Michelle Knight, who were kidnapped, imprisoned, and repeatedly raped and beaten in a Cleveland house for over a decade by Ariel Castro, and their amazing escape in May 2013, which made headlines all over the world. The book has an exclusive interview and photographs of Ariel Castro's secret fiancé, who spent many romantic nights in his house of horror, without realizing he had bound and chained captives just a few feet away. There are also revealing interviews with several Castro family members, musician friends and several neighbors who witnessed the dramatic rescue.

[The Missing Girl](#) - Norma Fox Mazer 2010-01-19

This is the story of five sisters—Beauty, Mim, Stevie, Fancy, and Autumn—and the man who watches men. He could be any ordinary man . . . but he's not. Unaware of his scrutiny and his increasingly forbidden thoughts about them, the sisters go on with their ordinary lives—planning, arguing, laughing, and crying—as if nothing bad could ever breach the security of their family. In alternating points of view, Norma Fox Mazer manages to interweave the lives of predator and prey

in this unforgettable psychological thriller.

Five Days Gone - Laura Cumming 2019-08-27

NOMINATED FOR THE 2019 NATIONAL BOOK CRITICS CIRCLE AWARD ONE OF NPR'S BEST BOOKS OF 2019 INTERNATIONAL BESTSELLER Acclaimed New York Times bestselling author of *The Vanishing Velazquez* Laura Cumming shares the riveting story of her mother's mysterious kidnapping as a toddler in a small English coastal village—and how that event reverberated through her own family and her art for decades. In the fall of 1929, when Laura Cumming's mother was three years old, she was kidnapped from a beach on the Lincolnshire coast of England. There were no screams when she was taken, suggesting the culprit was someone familiar to her, and when she turned up again in a nearby village several days later, she was found in perfect health and happiness. No one was ever accused of a crime. The incident quickly faded from her memory, and her parents never discussed it. To the contrary, they deliberately hid it from her, and she did not learn of it for half a century. This was not the only secret her parents kept from her. For many years, while raising her in draconian isolation and protectiveness, they also hid the fact that she'd been adopted, and that shortly after the kidnapping, her name was changed from Grace to Betty. In *Five Days Gone*, Laura Cumming brilliantly unspools the tale of her mother's life and unravels the multiple mysteries at its core. Using photographs from the time, historical documents, and works of art, Cumming investigates this case of stolen identity with the toolset of a detective and the unique intimacy of a daughter trying to understand her family's past and its legacies. Compulsive, vivid, and profoundly touching, *Five Days Gone* is a masterful blend of memoir and history, an extraordinary personal narrative unlike any other.

The Kidnappers - Willo Davis Roberts 2016-01-26

No one believes eleven-year-old Joey, who has a reputation for telling tall tales, when he claims to have witnessed the kidnapping of the class bully outside their expensive New York City private school.

The Missing Girl - 2010

In Mallory, New York, as five sisters, aged eleven to seventeen, deal with

assorted problems, conflicts, fears, and yearnings, a mysterious middle-aged man watches them, fascinated, deciding which one he likes the best. This is the story of five sisters—Beauty, Mim, Stevie, Fancy, and Autumn—and the man who watches them. He could be any ordinary man... But he's not. Unaware of his scrutiny and his increasingly forbidden thoughts about them, the sisters go on with their ordinary lives—planning, arguing, laughing, and crying—as if nothing bad could ever breach the security of their family. In alternating points of view, Norma Fox Mazer manages to interweave the lives of predator and prey in this unforgettable psychological thriller.

The Good Girl's Guide to Getting Kidnapped - Yxta Maya Murray 2010-01-07

Kiki and Mish are best friends, but what Kiki doesn't know is that Michelle Pena was born a gang princess. 'Princess P?' grew up destined to inherit leadership of the Snakes: a future filled with crime and fear. Michelle, on the other hand, is a nationally ranked athlete and academic superstar. This is her new life, and she's finally put her past—and her childhood love for Silver—to rest. Then Silver helps kidnap both girls, and Michelle has to figure out how to free them both—and reconnect with a future that might now be beyond her reach.

Lady Joker - Kaoru Takamura 2022-02-17

THE JAPANESE CRIME CLASSIC - ONE MILLION COPIES SOLD 'One of the great masterpieces of Japanese crime fiction and one of the must-read books of this or any year' David Peace Tokyo, 1995. Five men meet at the racetrack every Sunday to bet on horses. They have little in common except a deep disaffection with their lives, but together they represent the social struggles and griefs of post-War Japan: a poorly socialized genius stuck working as a welder; a demoted detective with a chip on his shoulder; a Zainichi Korean banker sick of being ostracized for his ethnicity; a struggling single dad of a teenage girl with Down syndrome. The fifth man bringing them all together is an elderly drugstore owner grieving his grandson, who died in suspicious circumstances. Intent on revenge against a society that values corporate behemoths more than human life, the five conspirators decide to carry

out a heist: kidnap the CEO of Japan's largest beer conglomerate and extract blood money from the company's corrupt financiers. Inspired by the unsolved true-crime kidnapping case perpetrated by "the Monster with 21 Faces," *Lady Joker* has become a cultural touchstone since its 1997 publication, acknowledged as the magnum opus by one of Japan's literary masters. 'A novel that portrays with devastating immensity how those on the dark fringes of society can be consumed by the darkness of their own hearts' Yoko Ogawa, author of *The Memory Police* 'Takamura's prismatic heist novel offers a broad indictment of capitalist society' New York Times 'Lady Joker is a work you get immersed in, like a sprawling 19th century novel or a TV series like *The Wire*' NPR

Safe - S. K. Barnett 2021-06-24

The One That Got Away - Joe Clifford 2018

In the early 2000s, a string of abductions rocked the small upstate town of Reine, New York. Only one girl survived: Alex Salerno. The killer, Ken Parsons, was sent away. Life returned to normal. No more girls would have to die. Until another one did. It's been seven years since Kira Shanks was reported missing and presumed dead. Alex Salerno has been living in New York City, piecemealing paychecks to earn a livable wage, trying to forget those three days locked underground and her affair with Sean Riley, the married detective who rescued her. When Noah Lee, hometown reporter with a journalistic pedigree, requests an interview, Alex returns to Reine and Riley, reopening old wounds. What begins as a Q&A for a newspaper article soon turns into an opportunity for money, closure and--justice. The disappearance of Kira Shanks has long been hung on Benny Brudzienski, a hulking man-child who is currently a brain-addled guest at the Galloway State Mental Hospital. But after Alex reconnects with ex-classmates and frenemies, doubts are cast on that guilt. Alex is drawn into a dangerous game of show and tell in an insular town where everyone has a secret to hide. And as more details emerge about the night Kira Shanks went missing, Alex discovers there are some willing to kill to protect the horrific truth. In the modern vein of *Dark Places* and *Mystic River*, *The One That Got Away* is a dark, psychological

thriller featuring a compelling, conflicted heroine and a page-turning narrative that races toward its final, shocking conclusion. Praise for *THE ONE THAT GOT AWAY*: "A great book! I devoured it. Taut, pacey and with a powerful sense of place, Joe Clifford's *The One Got Away* is an intelligent and astutely observed piece of American small town noir." -- Paula Hawkins, New York Times bestselling author of *The Girl on the Train* and *Into the Water* "Joe Clifford is a gifted storyteller with a knack for crafting characters who are entirely human. *The One That Got Away* is dark and unforgiving, a chilling crime novel with the perfect touch of tenderness that will keep readers turning the pages with haste. This is one book you won't be able to put down. --Mary Kubica, New York Times bestselling author of *The Good Girl* and *Every Last Lie* "The mystery of *The One That Got Away* sucked me in, but it was the emotional punch of Alex Salerno's return home that broke my heart. With its sharply observed characters and setting and crime-thriller pace, its tough exterior belies a vast, unexpected tenderness. I cannot not quit thinking about this book." --Emily Carpenter, author of *Burying the Honeysuckle Girls* and *The Weight of Lies* "It's not often that I read a top-notch thriller with layers of emotion buried within each page. On the surface, Joe Clifford's story of a young woman who survived a kidnapping and returns to her hometown to investigate a seemingly similar disappearance is compulsively readable, but when you dig a little deeper, you discover there's so much more to unpack. *The On That Got Away* is by far Clifford's best and most fully realized novel to date, and might well be the most rewarding thriller I've read this year." --Jennifer Hillier, author of *Jar of Hearts*

Burned Alive - Kieran Crowley 2007-04-01

Ash Wednesday Beautiful, bubbly, 20-year-old Kim Antonakos was returning to her New York City apartment after a night of clubbing with a friend. A business major with wild black hair, long polished fingernails, and a new Honda her loving father had bought her, Kim took good care of herself and looked forward to a bright future. But on her way home in the early morning darkness of that Ash Wednesday, Kim was abducted--and her mysterious kidnapers would be the last people to see her alive.

Scorching Betrayal As Kim's father, wealthy computer executive Tommy Antonakos, launched a widespread, feverish search for his daughter, he had no idea that her abductors were right under his nose. A cold mastermind had ordered Kim to be bound, gagged and left in the freezing basement of an abandoned house, hoping to extract ransom from her father. When the plans fell through, he and his henchman panicked, returned to the basement and doused a near-frozen Kim with gasoline, setting her on fire. Burned Alive When the fire was extinguished, all that was left of the lovely coed were her charred, lifeless remains. What would drive the kidnapers to commit such a cruel and senseless murder? How did their plans to cover their tracks result in another killing? And how were the murderers finally snared? Read all of the fascinating facts in a startling expose of extortion, murder, and ultimate justice.

Goddess of War - SLMN 2020-09-08

A strong...tale of operatic moral corrosion.-Kirkus Reviews on Gods & Gangsters Faith Newkirk has it all-a loving husband, beautiful daughter, and a thriving luxury shoe boutique in Washington D.C. Yet a part of her feels as though she's a stranger in her own life and that she's living a lie. When Faith gets kidnapped by a group of goons while walking to her car, she is forced, brutally to remember who she is-and it's not the suburban wife and mother she's been pretending to be, but Achilleia, the daughter of one of the most ruthless killers and drug dealers in New York City, who went missing and was presumed dead years prior. As the memories begin to flood back in, she remembers why she ran from her past and why, if she wants to stay alive, she has to keep running from the men she thought loved her who want her dead...

Help Me - Carolyn Gusoff 2013-08-29

In December 1992, a nine-year-old girl was kidnapped and locked in a secret underground dungeon. She was chained by the neck in a coffin-shaped box. She was regularly raped. She thought she would die in that dank, dark hole. But, somehow, she survived to tell the tale. Virgin Books is proud to publish HELP ME by Katie Beers, an extraordinary true story which has already shot straight into the Top Ten in The New York Times. But perhaps what's most troubling about Katie's tale is that, as the world started hunting for this lost little girl, it uncovered a horrific scale of abuse carried out by her godparents before she was taken. Katie was neglected. She was treated like a slave. She was sexually abused from the age of two. And no one had ever noticed, or cared, or helped. Katie needed to be rescued ... instead, she was groomed by another paedophile and taken to a dungeon hell. In HELP ME, Katie recalls memories long since buried, writing together with the journalist who uncovered the awful crimes against her, to create a unique book: part crime thriller as the search for Katie intensifies; part inspiring memoir, as Katie frankly describes the horror of facing your own death, and tells us how she survived to build a new life.

The Exile of Time - Ray Cummings 2021-04-21

When a girl who said she had been kidnapped from the year 1777 appeared in modern New York, she was either deluded or the victim of an incredible time-spanning plot. And when it turned out the strange man with a mechanical servant who had kidnapped her had been seen in other centuries, it became clear that a super-scientific plot was afoot that must reach far into the unknown cities of the future. The Exile Of Time is a novel of adventure and wonder such as only the hand of a classic master of science-fiction could have written.
