Jaws - Sandra Kahn 2020-03-03

There's a silent epidemic in western civilization, and it is right under our noses. Our jaws are getting smaller and our teeth crooked and crowded, creating not only aesthetic challenges but also difficulties with breathing. Modern orthodontics has persuaded us that braces and oral devices can correct these problems. While teeth can certainly be straightened, what about the underlying causes of this rapid shift in oral evolution and the health risks posed by obstructed airways? Sandra Kahn and Paul R. Ehrlich, a pioneering orthodontist and a world-renowned evolutionist, respectively, present the biological, dietary, and cultural changes that

have driven us toward this major health challenge. They propose simple adjustments that can alleviate this developing crisis, as well as a major alternative to orthodontics that promises more significant long-term relief. Jaws will change your life. Every parent should read this book.

Claimed by a Billionaire on Christmas Eve, Bought by My Bully's Dad, Wanted by My Ex-Boyfriend's Dad, Caught by My Dad's Boss, and A Billionaire for Lunar New Year! Claimed by a Billionaire on Christmas Eve I'm such a moron. I consider begging him for mercy, but frankly, I'm too tired to attempt to appeal to a rich guy's forgiving side. "So...are you going to hand me over to the cops?" He strokes my cheek, making a shiver climb down my spine. To be honest, the shiver isn't entirely out of fear. He's handsome, a partially silver fox with silky waves of brown and gray hair, dark eyes that possess panty-melting heat, and a sexy five o'clock shadow on his strong jawline. Jesus Christ, Krystal, this guy is old enough to be your dad, a voice in my head hisses. The reminder does nothing to lessen my attraction. Then the voice reminds me that this guy is going to have me arrested, and that reminder is like a cold shower. He murmurs, "That depends on how agreeable you are."

his hands, absolutely delighted. "Marvelous! Do I have \$130,000? Going once, going twice--!" "One million dollars." I nearly faint when a man with streaks of gray in his chestnut hair stands up. He is gorgeous, the owner of brilliant green eyes, a bone structure that looks like it was sculpted by Donatello, and a muscular body that is complemented by his tailored black suit. And he is Henry Lucas, the father of my bully. Wanted by My Ex-Boyfriend's Dad I swallow, my mouth turning dry. Stupidly, I think, Wow, Mr. Radell is hot. My ex-boyfriend's good looks didn't come out of nowhere. Like Geoff Radell III, Geoff Radell II has a mesmerizing green eye and an equally mesmerizing blue eye, messy and luscious auburn hair, and a five o'clock shadow on his impossibly defined jawline. "Um, hi, I'm Lan Wu, your son's girlfriend," I say. To my horror, I begin babbling: "Well, ex-girlfriend. He cheated on me with a girl who thinks Helen Keller wasn't a real person. I only came here to get my laptop, not to do any revenge vandalism

or anything." The corner of his mouth quirks up. "Now I think you did come here to do some revenge vandalism." Caught by My Dad's Boss "What are you doing?" I yelp, dropping the book. I cringe when the novel lands with a thud. He clicks his tongue. "You shouldn't be so careless with that book. It's worth quite a bit of money." My fear nearly strangles me as I turn around... And see Stephen Cohen smirking at me. Although I've never formally met my dad's boss, I recognize him from seeing him in magazines. Like an idiot, I squeak, "Hi."

*Master of the Two Left Feet* - Richard Meyer  
2022-09-13

An account of the life and work of a once-famous self-taught American artist of the 1940s, and a study of how artists go missing from public memory. A garment worker and slipper manufacturer with no training in art, Morris Hirshfield was never expected to make history. Against all odds, his wildly stylized paintings of female figures, often nude, animals, and landscapes became internationally known in the 1940s. Admired by Pablo Picasso, Piet Mondrian, and the French surrealists, his peak moment of visibility occurred in 1943, when the Museum of Modern Art mounted a one-man show of his

work. The exhibition was widely reviewed—though mostly reviled—by the press, who jeeringly crowned Hirshfield “Master of the Two Left Feet” for his tendency to display the female body in that unorthodox fashion. After the artist’s death in 1946, his work was largely forgotten, but in *Master of the Two Left Feet*, art historian Richard Meyer rediscovers Hirshfield for twenty-first-century audiences, offering full-color reproductions that capture the vibrant imagination and sheer visual pleasure of Hirshfield’s paintings. The book also features a catalog of works compiled by curator Susan Davidson which provides the most comprehensive documentation of the artist’s work ever assembled. Ten years in the making, *Master of the Two Left Feet* presents Hirshfield’s unlikely career as a painter not only as a missing episode in the history of twentieth-century art but as a case study of the ways in which artists go missing from historical knowledge and public memory. By looking

closely at Hirshfield and his milieu in 1940s Brooklyn, Meyer demonstrates how much we have yet to learn, and to see, of the visual past. The book accompanies the exhibition “Morris Hirshfield Rediscovered,” at the American Folk Art Museum, New York City, September 22, 2022–January 27, 2023.

A heart-warming and atmospheric Christmas novella set in the heart of wartime London, from the Queen of East End sagas Jean Fullerton It's December 1940 and East London is expecting snow. But after months of nightly visits from the Luftwaffe, it will take more than a white Christmas to turn the bombed streets of Stepney festive. Young Eleanor Jolly, newly widowed after her husband stopped a German bullet on Dunkirk beach, is trying to pull through for the sake of her baby James. Her mother-in-law - the deceptively-named Ruby Jolly - isn't helping. Klaus Wagner is the loneliest German in London. Having narrowly escaped imprisonment by the Gestapo for his work on an anti-fascist newspaper, he signs up for the British armed forces, hoping to save his beloved country from Nazi rule. But the holiday season is making him homesick for the family and friends he left behind. However, Prue and Fliss Carmichael have a plan to boost morale: a surprise

Christmas pantomime. When Ella comes on board, she wasn't expecting to find a German dissenter roped into the cast. Especially not an undeniably handsome German dissenter, with cornflower eyes and a mischievous smile. Will the Stepney girls rally in time for Christmas and put on a show to rival the air raid sirens? And will Klaus and Ella manage to find a way to each other's hearts before the New Year? **Dirty Verse** - Cassidy London

A swoon-worthy, grunge meets pop, Rockstar Romance! Jax Mesmerized by her beauty, I watched as she swayed to the music.

Incomparable and exotic, her call to every cell in my body was louder than the 120 decibels of our last concert. Winning her should have been easy. But Aria Winters was unphased by stardom and

looked at me with disdain. She was the only girl I'd ever met who didn't like rock stars.

Challenge accepted. Aria With his chiseled jawline, piercing black eyes and international fame, Jax Andersson had a voice that made women everywhere swoon. Except for me. I couldn't have cared less about the alternative rock world. It wasn't my jam—and neither were junkie rock stars with massive egos. I was only there to do my job and move on with my life. But when Jax offered me the one thing I was desperate for, I couldn't refuse. I should have stood my ground. He should have kept his distance. Because now, I was going to have to beat him at his own game. "Fans of AL Jackson and Kristen Ashley will devour this! I love a good rockstar romance and Cassidy London didn't disappoint.
