**Maybe He Just Likes You** Barbara Dee 2020-09-15 2019 The Washington Post Best Children's Book of the Year (Erin Entrada Kelly Pick) A 2020 ALA Notable Children's Book "The novel's all-too-familiar scenario offers a springboard for discussion among middle schoolers...Easily grasped scenarios and short chapters help make this timely #MeToo story accessible to a wide audience." —Publishers Weekly (starred review) "Realistic and heartbreaking." —BCCB Barbara Dee explores the subject of #MeToo for the middle grade audience in this heart-wrenching—and ultimately uplifting—novel about experiencing harassment and unwanted attention from classmates. For seventh-grader Mila, it starts with some boys giving her an unwanted hug on the school blacktop. A few days later, at recess, one of the boys (and fellow trumpet player) Callum tells Mila it's his birthday, and asks her for a "birthday hug." He's just being friendly, isn't he? And how can she say no? But Callum's hug lasts a few seconds too long, and feels...weird. According to her friend, Zara, Mila is being immature and overreacting. Doesn't she know what flirting looks like? But the boys don't leave Mila alone. On the bus. In the halls. During band practice—the one place Mila could always escape. It doesn't feel like flirting—so what is it? Thanks to a chance meeting, Mila begins to find solace in a new place: karate class. Slowly, with the help of a fellow classmate, Mila learns how to stand her ground and how to respect others—and herself. From the author of Everything I Know About You, Halfway Normal, and Star-Crossed comes this timely story of a middle school girl standing up and finding her voice.

**Love Party of One** Kevin Hunter 2016-09-15 Love Party of One examines the current love and dating world and what to expect for anyone struggling with being single and longing for love. Author, Kevin Hunter, is a love expert in love with all things surrounding the word love since he arrived on this planet. He has been out in the field studying the human condition since he was a teenager. This has included conducting social experiments as well as diving head first into the areas of love and dating in his own personal life. One of the ways of surviving modern day dating and relationships in a loveless world is by armoring yourself with knowledge. This includes knowledge over the way things currently are. You've went to psychic readers, you've cast spells, you put yourself out there, did the vision boards, the crystal meditations, and other love rituals presented to you, but you still find you're desperately wishing the person of your dreams was here already. You grow cynical as if it will never happen and that you just have to accept the fact that perhaps it's not in the cards. Dating is a battlefield, be prepared to get dirty. Kevin Hunter is best known for his endless array of spiritually based books. In Love Party of One, he answers some of the practical issues that readers posed

regarding their personal conflicts in the current dating market. This is a non-denominational book with some light spiritual slang for anyone struggling as a single person in a loveless world. This is regardless of age, background, or whether you are straight, bi, gay, male, or female. The dating market is an equal opportunity killer and no soul is exempt from the challenges they face when it comes to love. Some of the topics discussed surround technological dating, falling in love with someone you've never met, codependency, exes, communicating, compromise, sex, marriage, monogamy vs. adultery, ageism, and more! What Readers Have Said: "As much as the author's personality seems to be the work of Picasso, I read the intro and first chapter of "Love Party of One". I was glued to it, because I really can relate. The things Kevin Hunter touches on in this book are right-on." - A Reader "Loved this book. This line really stood out to me: "Desiring a love partner is not co-dependent...to equate a basic human need with desperation is absurd." - A Reader "An amazing read. Realistic. The book touches upon confusions, thoughts, and emotions in one's journey to the find the one. Also relevant were a focus on couples issues after they are together. Issues such as infidelity and monogamy which is so significant in today's age. It was good to see the author reinstate the old school belief that true love is about that commitment." - A Reader "Quite a bit of my dating struggles in my own consciousness I found to be already written down in this book. Love Party of One really vibes with me. Loved it. Thank you." - A Reader "I have been reading this book and can't put it down! It's soooo good!!! Fantastic work Kevin Hunter! He should be a teacher in a school or college, or a counselor! This stuff he wrote in 'Love Party of One' is right to the point and on the mark! Damn he's good! His Archangel team guided him to a best seller in my opinion! I'm just about to start chapter 8 and each chapter is like, "Damn, he's so right! He is good! Great job with this! What a gifted Angel and Wise One he is. A true Warrior for sharing the right stuff! Thank you!" - A Reader

**The 48 Laws of Power** Robert Greene 2000-09-01 Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

**Easy Way to Recognize Your Crush** Jessica King 2023-02-07 Do you find yourself wondering who has a crush on you? If so, don't worry, you're not alone. In fact, according to a recent study, almost half of all people have wondered this at some point in their lives. So, if you're looking for a way to figure out who has a crush on you, here are ten best ways to do it. 1. Look out for signs that someone might be interested in you. This might include sending you romantic messages, being overly affectionate, or pursuing you in a way that seems out of the ordinary. 2. Ask someone out. This might be the easiest way to figure out who has a crush on you, especially if the person is someone you know well. Just be sure to take things slow and be prepared for a response. 3. Watch for subtle clues. If someone repeatedly compliments you or pays attention to you in a way that seems too friendly, it might be a sign that they have a crush on you. 4. Be observant. If someone seems to be watching you or following you around, it might be a sign that they have a crush on you. 5. Check your social media profiles. If someone you know has been posting a lot of pictures or videos of you, it might be a sign that they have a crush on you. 6. Ask your friends. If they know who the person with a crush on you is, they might be able to give you a hint. 7. Pay attention to your feelings. If you're not sure whether the person with a crush on you is serious about them or not, it might be a good idea to take things slow. 8. Talk to a therapist. If you're not sure what to do or how to proceed, talking to a therapist might be a good idea. 9. Get a love reading. If you're feeling lost or unsure about what to do, getting a love reading might be a good solution. 10. Trust your gut. If you're certain that the person with a crush on you is interested in you, go ahead and let them know. After all, it might be the best thing for both of you.

So what's a bit of harmless flirting, when one is taken and the other is straight? It's just a bit of fun. That is until Demi is suddenly single, and Nick is not looking as straight and scary as he was before.

Along the way, he explodes some commonly held myths about what it is that guys really want, shares strategies on how women can take control of their dating destinies and empowers them to go out there and find an exhilarating, adventurous love life. LEARN THE SECRETS OF THE MALE MIND TO FIND THE MAN YOU WANT AND THE LOVE YOU DESERVE...

**The Guyde** Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
