**The Popular Girls Book Series** - Raven Riley  
2011-07-26

My book is about three girls who are very mean and rich. They came from different states, and they also run the school. The three popular girls are so very rich and very spoiled to the bone. Each of the three girls have different personalities; they are always expressing their styles of clothes that all 3 of them wear to school everyday. Chloe tries to spend all of her money so she can buy clothes online. She does not get along with her sister Amy. Chloe hates going to school every day; she is mean to a lot of people at that school. Chloe never gets to spend any time with her beau because she is always working and also doing her homework after she

gets off from work. The two of them argue a lot. She does not have the perfect family. She is the hottest chick at school. Summer is just the sweetest person that you will ever meet. She does not always yell at people. Her favorite color is yellow. Summer has a sister named Naomi. Let me tell you something else, they never agree on anything with each other you could possibly name of. The two of them would definitely honestly fight about it. Summer used to have a boyfriend named Max, but I am not going to tell you what happened to their past relationship. Kaylee was the more fly chick and a hot, sexy chick. She was not always so sweet for looks can be so deceiving. She can stay mad at anyone for a very long time. It takes her a long time to get over something that made her very angry. I totally forgot where Kaylee lives anyway. Kaylee loves going to school; she is a straight A-student. She loves to party with her friends and drink all night long. Kaylee really does not have a curfew; she can come home anytime. She would never date any guys that have really bad breath. Kaylee's high school sweetheart is Jake Stanley. The two of them have been dating ever since middle school and now in high school. She fell head over heels for that guy. He rides motorcycles. He is basically the love of her life. Jake and Kaylee do everything together like going out dancing or hanging out with his friends. They make the perfect couple. He makes her laugh and smile. They both make each other happy. What they have is real love, not puppy love. So you need to read to find out what happens to these three girls in my book. It is a very interesting book, You are going to really like it. It is very funny at the same time and very sad too. There are a lot of funny parts in the book that make me laugh.

Lesbian Jokes of a Positive Nature - C. D. Overstreet 2016-08-22

Far too many jokes are written about lesbians and not nearly enough for them. And most of those treat being a woman who loves women as a bad thing. In this collection you will find hundreds of jokes, stories, and one liners that turn that on its head and a few quotes from famous people on the subject as well. If you are looking for humor to make you laugh, titillate you, and make you feel good about who you are, this is the book for you. It also includes a few games girls can play at sleepovers with their friends. Homophobes, bigots, religious persecutors, and most men on the other hand may be slightly offended.

fantastic laugh-a-minute must-read!!! Absolutely loved it!!!... Was absolutely unputdownable so make sure you clear your schedules before starting to read it!!!... Made me laugh out loud so many times I lost count... A HUGE success!!! I loved every page.' bookworm86, [REDACTED] When he proposed, I had to pinch myself. Up until then, his most romantic gesture was buying me a 128-piece tool kit. It's normal to get cold feet, right? But what about a case of frozen get-me-the-heck-out-of-here feet? When Natalie's boyfriend gets down on one knee (even if it's because he trips and drops the ring) it's meant to be the start of their happy ever after. But planning a wedding to Archie feels like she's competing in the Hunger Games... · She's up against a mother-in-law who enforces a pre-wedding diet with portions you need a microscope for. · She's cornered by a bridesmaid-zilla sister-in-law who forces her old wedding dress on Nat, featuring satin bows, way too much tulle and a bodice that Nat doesn't even have the boobs for. · She fends off a best man who tries to kiss her by kneeling him in the crotch. · And she has to defeat a pushy wedding planner who insists on peacocks, doves and pink flamingos at the ceremony. Nat would wear her battle scars with pride if Archie was by her side. But her fiancé is missing in action, refusing to help her deal with his diva family and going AWOL on the stag do. With just weeks to go, she might have to do the unthinkable... Is it too late to cancel? And if she's not Archie's bride-to-be then who on earth is she? A totally addictive romantic comedy for anyone who has a phobia of bridezillas and who makes the happiest memories during Happy Hour. Fans of rom coms by Sophie Kinsella, Shari Lowe and Lindsey Kelk, and TV shows like Emily in Paris will be glued to the pages of this feel-good page-turner.
