How to Get Your Ex Girlfriend Back - C. Powell 2012-01-24

The answer to the question 'can i get my girlfriend back?' is yes... probably. You see if your girl still loves you, no matter how much you've messed up in the past, she will more than likely be receptive to you if you can prove to her that she won't be wasting her time and that she won't get hurt again. No one wants to be hurt and no one wants to set themselves up to be hurt by trusting someone who has already proven they can't be trusted. For this reason you will probably be able to win her back but you had better expect an uphill climb. The first step is to give her a little time and space. Don't rush her or expect everything to happen quickly. It takes a lot longer to rebuild trust than it took to tear it apart. More than likely by the time you've gotten to this point you've let her down more than once. Please don't think that all that past hurt and all those mistakes will go away and she'll forget about them just because you say 'I'm sorry' or you tell her that 'I've changed'. She'll probably need to see some proof that that is true. It's important for you to concentrate on yourself instead of just trying to convince her you've changed. It will take you time to truly change the person that you are and you don't want to make the mistake of thinking you can somehow 'trick' her into believing you are a different man.

The Married Man Sex Life Primer 2011 - Athol Kay 2011-03-30

The author of the innovative sex and marriage blog "Married Man Sex Life" brings together his edgy and brilliant advice in a single volume primer delivering the motherload of substance. The Married Man Sex Life Primer 2011 cherry picks the best ideas of books like "The Mystery Method," "No More Mr. Nice Guy," and the volatile online world of the Pickup Artist a.k.a. "Game" community and merges them with a solid grounding in evolutionary psychology, sociology, biology and behavior modification. The result is a simple, effective plan for men to create sexually exciting marriages for themselves and their wives. The opening covers the underlying ancient "hard-wired" biological and modern social reasons women find men attractive. Athol pulls no punches here and the sexual motivations of women are laid bare. Though rather than framing women as sexually devious and seeking to advantage themselves over men, he explains how their sexual behavior is entirely rational in nature and once understood as such, it becomes very useful information. The second part of the book takes the framework developed in the first part and offers a wealth of tools to put it to practical use. The most important tool is The Male Action Plan, which charges the husband with the task of becoming a better, sexier man and thereby leveraging his increased attractiveness for a better sex life with his wife. As Athol says, "whoever is the most attractive in the relationship is in charge." The third part of the book is a treasure trove of playful sexy and romantic moves women will find charming and engaging. It's clear that Athol could have a harem of young ladies, but here he displays an endless variety of playful instigation to continually charm just one. The final section is a catchall of serious topics on what not to do, how to choose a wife, the current state of marriage law and a crushingly simple approach to dealing with being cheated on. (Want a better man? Leave it where he can find it.)

Putting Her in Her Place - Ryan Hale 2016-10-24

Girls are hardwired to obey and submit. The problem is men and women have reversed gender roles. This is causing men to become feminized and women to become masculinized. I can prove this. You don't see many girls wearing dresses any more, do you (?), because they are all out wearing what men wear; namely: pants, teeshirts, etc. I mean come on, SERIOUSLY! If you want to have the best possible relationship with a girl, where she obeys and submits like a good little girl, then you have to train her back to childhood obedience. You must instill the fear of God in her, letting her know that you are in control of her, and that she must obey you. The more you train her, the more she will start to fall in love with you. The more she will start to accept you as her dominant master. The more she will submit to you and obey you in everything you tell her to do. The less she will try and make decisions on her own. The more she will accept your punishments when she has wronged you. I am not a misogynistic man. I don't want you reading this thinking I am. I am a man who has a wonderfully loving relationship with my girl, who learned this secret and now want to share it with you. I watch too man of my

male friends go through the pain and torment of relationships with girls. They don't know how to train a girlfriend, so they keep getting hurt, fucked, and you whatever other adjective you want to fill in the blank with. It doesn't have to be this way. It should not be this way. This book will help you fix it. I don't let my girl do anything adult. She has to play and do childlike activities. I am the adult, she is the little girl. I make her color, fingerpaint, journal in a diary (that I get to read), make her stand in a corner when she acts up, make her take a nap when she's tired, and withhold privileges from her when she doesn't want to comply with my instructions. She loves me, let me assure you. She will never leave me, because she knows I am her answer and have her best interest at heart. She yearns to be taken care of and protected by me. She loves submitting and being dominated. The sex is amazing, let me share. You can have the same. Read this book. Do what it instructs you to do. Start training your girl today. You will win in the end, I promise. Start reading and taking notes! This is more than a book, it's a course! Grab Your Copy Now
