Men Don't Love Women Like You! - G. L. Lambert  
2015-12-04

Most men don't want you, they want to f\*\*k you, know the difference. Most men don't love you, they love what you do for them, know the difference. Men Don't Love Women Like You! is a Step-By-Step manual on how to stop manipulation, command attention, and be seen as a must have by any man! \*\*\*\*\* You are the type of woman that men grow bored with and replace. Your beauty, your brains, your perceived uniqueness is hype. In your bias world, a man would be lucky to have a woman like you because you aren't like every other female. The brutal truth that we men refuse to tell you, is that you are painfully typical. You flirt

like every other woman. You hold the same conversations as every other woman. You read the same typical relationship advice and try the same tricks as every other woman. All because you are obsessed with being loved like every other woman. Men play along but they don't play for long. You are the woman we date and then dump. Sleep with then forget. Get into a relationship with, then eventually grow bored of. You will never work out because you don't stand out! The men you want the most, want you the least because you are just as ordinary as the women you claim to be better than. No man is hard to figure out. No man is emotionally unavailable. No man is unready to settle down. When a man tells you he's not looking for anything serious, he means "with you!" There are two types of women

The Placeholder & The Game Changer. You are The Placeholder, that girl who fills a man's needs until The Game Changer arrives. A man will date you, sleep with you, even enter into a relationship, but you are not what he really wants. You are a practice woman, preparing him for his future wife. Aren't you tired of being just another seat filler? Will you become yet another mediocre woman that ends up settling for average because great men don't see her as anything special? Or are you ready to Spartan Up and learn how to become his Game Changer... *Men Don't Love Women Like You*, is a brutally honest manual that will transform you from typical to priceless. The secrets in this book will guide you step by step as you learn what men think, how to counter their Bullsh\*t, and the exact ways to turn the table in your favor. No matter who the man is, how young, old, rich, or popular he may be, this book will show you how to attain power over him. From the first meeting to the

first date. From a new relationship hitting its first bump to an old relationship on its last legs. You will learn to dominate men in ways you never dreamed of. You will become what you were always meant to be A Goddess in the flesh. Typical bitches get Typical results! Empowered women get powerful results! Open this book and learn how to get away with Pu\$\$y Power at a level never before seen and change your life.

-Maya Angelou Renowned visionary bell hooks explored the meaning of love in American culture with the critically acclaimed bestseller *All About Love: New Visions*. She continued her national dialogue with the bestselling *Salvation: Black People and Love*. Now hooks culminates her triumphant trilogy of love with *Communion: The Female Search for Love*. Intimate, revealing, provocative, *Communion* challenges every woman to courageously claim the search for love as the heroic journey we must all choose to be truly free. In her trademark commanding and lucid language, hooks explores the ways ideas about women and love were changed by the feminist movement, by women's full participation in the workforce, and by the culture of self-help, and reveals how women of all ages can bring love into every aspect of their lives, for all the years of their lives. *Communion* is the heart-to-heart talk every

woman -- mother, daughter, friend, and lover -- needs to have.

people are very sincere in  
trying to find their perfect

while they could have had  
more, or they give up and don't

give up too easily. Maybe  
they're not sure what they  
want, or they don't know how  
to be the best they can be to

And sometimes they just didn't

rule works in every area of life  
including dating. The author  
will show you how to spend  
20% of your time to get 80%  
results. Who wouldn't want this  
kind of success? The principles  
shared in this book have been  
tried and used and Michael is  
100% sure it will transform  
your love life just as it has  
transformed many others' for  
the better... In the many years  
that Michael has worked with  
individuals and couples, there  
are many things he has learned  
that are highly valuable to the  
person who honestly wants to  
find their ideal partner. He is  
sharing with you valuable  
resources in this book to help  
you become one of the GREAT  
SUCCESS STORIES in your

Work. His new book, written with wife Julie Gottman, a clinical psychologist, and Doug Abrams and Rachel Carlton Abrams, MD, is based on 40 years of scientific study, much of it gleaned from the Gottman's popular couple's workshops and the "love lab" at the University of Washington. It's written primarily for men because new research suggests that it is the man in a relationship who wields the most influence to make it great or screw it up beyond repair. The Man's Guide to Women offers the science-based answers to the question: What do women really want in a man? The book explains the hallmarks of manhood that most women find attractive, and helps men hone those skills to be the man she desires.

'I couldn't sleep that night; our conversation was like a trapped bird flying around inside my head. The next morning, I texted to say I wouldn't be coming back. I lied about having to return to my country to nurse a sick relative. I couldn't bear to see my story mirrored in his eyes, and to see what we never had. I knew he'd understand.' Women and Love is a thought-provoking collection of seventeen tightly woven tales about the power of love, all its trials and complications, and the shattered lives it can leave in its wake. The stories explore a huge variety of sorts of love surrounding women in wildly differing settings, and features an unforgettable cast including GPs, burglars, inmates, emigrant cleaners, carers, young professionals, and many more. Navigating heavy themes, with a particular focus on LGBTQ+ experiences, including gender dysphoria and searching for a sperm donor, the stories leave the reader burning with indignation, full

of empathy and wonder.
