Beyond the Breakup - Andrew Aitken 2015-04-21

Written by a man with extensive experience on the topic, Beyond the Breakup explains how men think about breakups, their ex-girlfriend, and how they perceive her behavior in the wake of a relationship's end. It also explains the implications this has for girls who are going through a breakup: what will and won't have an emotional effect on him, how to maximize your chances of getting him back, how and when you should contact him, what you should (and shouldn't) say, how to deal with seeing him again, and much more. The list of the chapter titles below give a good overview of the content. This book is not written for women with a weak spirit. It isn't going to tell you how to mitigate the pain you feel in the wake of a breakup, and it isn't going to tell you that everything is going to be fine. And while it will tell you how to maximize your chances of getting your ex back, it isn't going to pretend that there are any 'tricks' to make that outcome likely. However, it will do something much more important: it will give you a strong insight into your ex's state of mind and male psychology in general. This will give you the foundation you need to navigate the breakup and - more importantly - propel yourself into honest and successful relationships with the men in your future. Chapter List: Introduction PART I - UNDERSTANDING WHAT HAPPENED Men Don't Fall in Love the Same Way Women Do The Analogy Between Sex and Commitment Why This Always Happens to You Changing Your Perspective Why You Didn't See It Coming Men Don't Have "Commitment Problems" The Difference Between Liking You and Liking You Enough Why Men "Fade Out" You Weren't Dating Him in the First Place The Small Things Didn't Matter Anyway Why Your Ex (Who Dumped You) Is Still Contacting You Your Ex and Guilt Your Ex and Pride Your Ex and Decisiveness Interpreting His Emotions What's Going

Get Your Ex Back Strategy - Oguz Tiras 2018-10-30

GET YOUR EX BACK STRATEGY STEP BY STEP STRATEGY The worst pain imaginable is having someone that you love tell you that they don't want to see you anymore. I, personally, would rather have my legs amputated without anesthesia than go through this type of pain. It's happened to me, it's happened to you and just about anyone else who has ever been fortunate enough to fall in love. As you are sitting around with your heart feeling like it's been ripped out of your chest and fried up with liver and bacon, like something Hannibal Lector would eat, people will be telling you the following: You will get over it He/She was no good for you Time heals all wounds Move on (my personal favorite) It is his loss - you were way too good for him (or her, however the case may be). These are all tried and true things that people say to try to make you feel better. Some people will be bold enough to start trash talking your ex lover and telling you how they never liked his ears, how he was always burping in front of people and how he made a play for them when he was drunk at last year's Christmas party. This does not make you feel better. As a matter of fact, nothing that anyone says can make you feel better. Let's face it - your heart has been ripped out and trampled on. And no one can say anything to change that except me. I can tell you something that can make you feel better because I can tell you how to get your ex lover back. The first time I tried this, I was 19 years old. I had a boyfriend who I liked but I could tell that his interest in me was waning. I immediately felt that this was because of the fact that I wouldn't put out. But the truth of the matter was that I was too clingy. I began by liking him a little, started to like him a lot and started to show my feelings. 1.Introduction 2.The Break Up 3.Signs That Your Ex Wants You Back 4.The Post Breakup Phone Call 5.Should You Date Your Ex? 6.The Coffee Date 7.The Post Breakup Meeting Date 8.How To Get Your Ex To Rekindle The Love For You Again 9.Avoid The Friendship Trap 10.Avoid Being Desperate 11.How To Get Confidence 12.Why You Should Not Be Needy With Your Ex 13.Elements Of Love 14.Playing Hard To Get 15.Tips For Playing Hard To Get 16.Why You Should Not Play Mind Games With Your Ex 17.Doing The Little And Simple Things For And With Your Ex 18.What Does Your Ex Want From A Relationship? 19.Behaviors To Avoid 20.A True Success Story 21.Conclusion "True love doesn't happen right away; it's an ever-growing process. How to Get Your Ex Girlfriend Back - C. Powell 2012-01-24

The answer to the question 'can i get my girlfriend back?' is yes...

probably. You see if your girl still loves you, no matter how much you've messed up in the past, she will more than likely be receptive to you if you can prove to her that she won't be wasting her time and that she won't get hurt again. No one wants to be hurt and no one wants to set themselves up to be hurt by trusting someone who has already proven they can't be trusted. For this reason you will probably be able to win her back but you had better expect an uphill climb. The first step is to give her a little time and space. Don't rush her or expect everything to happen quickly. It takes a lot longer to rebuild trust than it took to tear it apart. More than likely by the time you've gotten to this point you've let her down more than once. Please don't think that all that past hurt and all those mistakes will go away and she'll forget about them just because you say 'I'm sorry' or you tell her that 'I've changed'. She'll probably need to see some proof that that is true. It's important for you to concentrate on yourself instead of just trying to convince her you've changed. It will take you time to truly change the person that you are and you don't want to make the mistake of thinking you can somehow 'trick' her into believing you are a different man.

Professor Kelli's Guide to Finding a Husband - M. S. W. Kelli Miller
2010-05-22

I know what you're thinking. You hate me. You got a glimpse of my ring and you're pissed. I know your kind because I was once your kind. Every time I saw a happy couple I could feel last night's dinner coming up. When I saw wedding magazines I wanted to take a blowtorch to each one of them. Engagement rings? The only way you could talk to me about Okarats was if you were going to feed one to your pet rabbit. Yes, I was sick. Sick of set-ups, match-ups, and break-ups. I'd been on blind dates and I've been on dates where I wish I were blind. But I finally did find Mr. Right. And I'm going to show you how. Through humor, empowerment, and basic common sense clinical social worker ""Professor Kelli"" instills confidence in women, makes them laugh at

their situation (or the men they've dated), and teaches them the process of letting go and staying present. Sure, it's about finding a husband but it's more about finding you first.
