Pretty Rude - Rebecca Elliott 2021-04-15

I feel a thought forming in my head like a fart brewing in my stomach. And my thought fart is... I'm gonna start a YouTube channel! We have a plan. Hopefully nothing will randomly decide to mess with that plan like, oh I dunno, MY COMPLETE BUM HOLE OF A DAD COMING BACK AND FILLING OUR LIVES WITH CHAOS. You know Haylah Swinton - she's big, bold and funnier than a cat in a onesie playing the bagpipes. She's been busy proving she's as a kick-butt comedian, she's got herself a fab boyfriend called Dylan, the best girl crew in the world totally have her back, her little brother isn't driving her totally nuts, and did she mention she has a boyfriend called Dylan? Yes, THAT Dylan. But this proving-she's-funny thing is kind of tough sometimes. And come to think of it,

Dylan isn't acting particularly boyfriendly at the moment. Plus her pathetic excuse for a dad has decided to turn up and make everything confusing. As if real life wasn't complicated enough, when Haylah sets up her own comedy YouTube channel, she finds out that online life can be a whole other can of trolls... Prepare to snort, guffaw (and cringe) your way through the second hilarious story about pretty funny Haylah Swinton!

Mean Girls Grown Up - Cheryl Dellasega 2007-10-05

Almost every woman has experienced bullying. Whether her role was that of victim, aggressor, or bystander, the pain of relational aggression (female bullying) lasts long after the incident has passed. In *Mean Girls Grown Up*, Cheryl Dellasega explores why women are often their own worst enemies, offering practical advice for a variety of situations. Drawing upon extensive research and interviews, she shares real-life stories from women as well as the knowledge of experts who have helped women overcome the negative effects of aggression. Readers will hear how adult women can be just as vicious as their younger counterparts, learn strategies for dealing with adult bullies, how to avoid being involved in relational aggression, and more. Dellasega outlines how women can change their behavior successfully by shifting away from aggression and embracing a spirit of cooperation in interactions with others.

His past haunts him. Broken and destroyed, keep him silent and withdrawn. Vice-One is the family he had always needed but it isn't enough. Shadows of a nightmare threaten to take back the control he craves until Brogan Tapp unknowingly puts him in his rightful place. She pretends to be happy. Smile. Laugh. Repeat. Going through the emotions of everyday life when really, she's a scared little girl on the inside. She tries hard to be what society considers as normal when Coby Porter helps her embrace the darkness within. He shows her it's okay to be different. Their souls collide, giving them the comfort they need when an unknown source takes pleasure in trying to rip them apart. *Can be read as a standalone*

Pretty Rude for a Girl - Rebecca Elliott 2022-06-07

Fifteen-year-old Haylah Swinton is gaining popularity on her comedy YouTube channel, but the jokes she's telling are starting to ruffle feathers in real life. Prepare to snort, guffaw, and cringe through Rebecca Elliott's hilarious companion to *Pretty Funny for a Girl*. Big, bold, and funnier than a cat in a onesie playing bagpipes, Haylah's been busy with her online comedy material. But life on the internet comes with its own can of trolls and proving she's funny is tougher than Haylah thought it'd be! Plus, her new boyfriend Dylan hasn't even tried kissing her yet, and when her deadbeat dad decides to turn up, life as she's known it is tossed into one big, colossal mess. So, what better way to vent, than to spill the tea to her newly found audience? But when friends and family discover Haylah's ranting videos on the web, Haylah finds herself with a lot of explaining to do. Rebecca Elliott's contemporary YA rom-com stars a strong, memorable heroine and features a story full of heart, humor, and relatable themes of body image, self-esteem, relationship building, and taking ownership of mistakes. A laugh-out-loud, binge-worthy read.

The Heathen Woman's Friend - 1878

A Bloke's Guide to Sex - Blake Denbigh 2019-06-26

Are you a man who knows how to satisfy a woman in bed? If you were lucky, when you were 18, some 35-year-old woman who looked like Jennifer Lopez seduced you and spent a summer teaching you everything you needed to know. More likely, you had no sex at all until you were in your 20s and that was with a "nice" girl who knew even less than you did. So you've had to make do with the embarrassed mumblings of your father when you were a teenager (who basically told you nothing), some sex education in school about how to avoid infections and not get a girl pregnant, the enthusiastic but ill-informed bragging of your mates in the locker room, and a misleading array of porn. You're still stuck trying to figure out how this sex thing actually works. You've had plenty of affairs or not so many, maybe been married or still are, and sometimes it's been good, sometimes not so good, and you're not sure why. What do women actually want? The man is supposed to just know. There are books, of course, but they're mostly instructions manuals with techniques, which may or may not work with the woman you're actually with (how are you supposed to know?--half the time, even she doesn't know), or they're by female doctors largely for women, with a few remarks thrown in for men. It's time, therefore, for some frank talk about sex from a male perspective, and that's what this book is about.
