

How To Get Your Girl In The Mood Fast

Lady Jail John Farrow 2021-01-01 Welcome to Lady Jail: a nest of killers, and not all of them are getting out alive . . . Quebec, 1994. Fraud artist Abigail, the newest arrival at the Joliette Institution for Women, is struggling to adjust to the prison's communal quarters. Her fellow inmates only give out the bare bones of their crimes, and it's quite the roll call. Doi took a hatchet to her own daughter. Malka poisoned her husband. And that's just for starters. Abigail keeps her head down, does her best to make friends with the band of killers, tries to survive. But on an ordinary, quiet day, the extraordinary happens: a prisoner is found face-down in a toilet stall, a strangulation wire around her neck. Trouble, Abigail realizes, is ahead. Sergeant-Detective Émile Cinq-Mars is summoned from Montreal to investigate. He put Abigail away - and now she's the prime suspect. But other, darker, forces are interested in Abigail, and Émile interferes at his own peril. For as he'll soon discover, in Lady Jail, nothing is as it seems . . .

This Is as Big as It Gets Michael R. Whitcomb 2016-07-29 This book is fiction and could fill several niches in the marketplace. Reluctant readers, those learning English as a second language, trivia buffs, and fans of Beatles spring to mind. *This Is as Big as It Gets* tells the story of two boys who meet and pair up with two girls. The four of them then banter as they try to put the world to rights while coping with stepparents, sexism, abused parents, sick parents, a plague of rats, death, suicide, and a terrorist attack but not necessarily in that order. Interspersed with these dramas is an offbeat modern fairy tale told by one of the boys; it is so well received that he decides to write a book. His friends try to help

him with ideas, and they get sidetracked by idioms, song lyrics, jokes, palindromes, and trivia. However, the book is never penned, not in this story anyway. The entire text of the story is told using no words longer than four letters because it began life as a teaching exercise for primary school children in Australia. The language is not your average American English, and for that reason, a glossary is attached by way of a translation from the Australian and English idioms and vocabulary that the story is punctuated with. This Is as Big as It Gets will, hopefully, be followed by A Bit of This and a Bit of That and then, to complete the trilogy, Amen to All That. The pattern of using no words longer than four letters in the telling of the story will continue.

thought you would spend your life with...what else is there? It's such a cliché—country boy moves to the big city to follow his dreams, leaving his girl and everything he loves behind—but that's exactly what Gareth Andrews has done. Playing rugby league is Gareth's dream, and he's signed with one of the best teams in the competition, the Sydney Jets. Of course, that has meant a move to the big city and leaving Emily Mackenzie and everything he loves behind. Not that Gareth hasn't begged her to join him in the city—he has, on bended knee—but Emily needs to stay in Gunnedah and help her father on the family farm until her brother's stint in the armed forces is over. But Gareth knows it's more than that. Emily is hiding away, embarrassed by the scars that mar her body in a constant reminder of the bushfire that nearly took her life. Can love give Emily the courage to face strangers again when her father is badly injured and Gareth shows up at the hospital to support her? Or will she let her fear and shame get the better of her, and break her one true love's heart for a second time?

Captain Troy Nolan and Sally Brightson, honeymooning in the Bahamas for a month, are blissfully unaware of the homicides and arsons that plague Riverdale. Investigative reporter Joel Hickman thinks not, and Hickman pressures the mayor and Chief of Police Roger Elway to fire Andy Sinnott. When evidence points to Harvey Fredriks, Rat's friend "George" from the novel *Pickaxe*, being the Icepick Killer, Rat teams up with Andy, Linda, and Pathologist Earl Stowe to prove Harvey's innocence and track down the real killer. But even the best laid plans of Rat and men often go awry, and the killer targets Stowe, Linda, Lorraine Evangelista, Andy, and Rat as his next victims. *Icepick* is the eagerly-awaited sequel to *Pickaxe* and an exciting part of The Instruments of Death series of forensic mysteries by Paul Dale Anderson.

Fuel for the Flame Alec Waugh 2011-10-28 First published in 1960, this is a tale of an imaginary island on the Equator that has suddenly achieved importance through the discovery of oil - what will happen to the men and women living under the tensions of life on this island? At one end of this island is the oil refinery where the members of the staff live in constant proximity to one another, and where emotions are heightened by the lack of privacy. The men are goaded by ambitions for power, while the women are drawn into affairs of love and passion. At the other end of the island is a hotbed of politics where a British diplomat is attempting to retain the island under Britain's sphere of influence; where an ailing king is fearful of what will happen when he is succeeded by a young and untrained prince; where a nationalist group is plotting to overthrow the monarchy and seize the oil fields. Waugh handles brilliantly his political plots, but always interwoven with them are the personal dramas of love and fear, of cowardice and courage. Rich in detail and characterisation, and in the exotic colours and customs of this strange land, the novel has constant suspense and variety.

Media Advocacy and Public Health 1993-10-07 Using the media to promote public health is an innovative and valuable approach. Media Advocacy and Public Health develops the concept of media advocacy as a central strategy for the prevention of public health problems. How we think about health problems, and what we do about them, is largely determined by how they are reported on television, radio, and in the newspaper. Often, crucial issues of public health policy are discussed and decided only after they are made visible by the media. A traditional communication strategy like social marketing focuses on giving people a message. Media advocacy gives people a voice. The first book of its kind, Media Advocacy and Public Health lays out the theoretical framework and practical guidelines to successful media advocacy strategies. Eight case studies, ranging from alcohol to AIDS, vividly illustrate how media advocacy has been successfully applied.

wife and mother. The lessons in this book are biblical, doable, and affordable!"--Margaret B. Buchanan From advertisements to mommy blogs to Pinterest, scenes of domestic bliss abound, painting a picture of perfection and expectation nearly impossible to live up to. Why can't you work a full-time job, stylishly clothe yourself and your children, plan a party for twelve with handmade decorations, keep your house sparkling clean without chemicals, and bake a gourmet meal in the same day? Everyone else is doing it! For many women, housework has become more than chores that need to be done; it is a symbol of identity. Sheila Wray Gregoire wants to stop that thinking in its tracks and help women back to a life of balance--for their sakes and for their families. She encourages women to shift their focus from housekeeping to relationships and shows them how to foster responsibility and respect in all family members. The second edition retains the helpful, concrete advice on everyday situations such as strategies for tackling chores and budgets and tips on effective communication, while incorporating the wisdom Sheila has gained through her interaction with thousands of readers of her blog and through her speaking ministry over the past ten years. Through the principles in *To Love, Honor, and Vacuum*, Gregoire promises readers they can grow and thrive in the midst of their hectic lives--even if their circumstances stay the same.

Holding Her Close Lexi Ryan 2016-01-19 An actress in danger. A bodyguard on a mission. A passion neither can resist. She's everything he detests about Hollywood. After spending my entire acting career being cast as the airhead, I finally have the serious role I've been dying for, and I screw it all up during a four martini dinner with my ex. Now, thanks to the morality clause in my contract, I might lose the role of a lifetime. My only hope is to convince the media (and my eccentrically conservative director) that I've entered a committed relationship. But when I use my brother's costume party to launch Operation Fake Fiancé, I end up in front of the camera with the wrong guy, leaving my reputation—and the fate of my career—at his mercy. Any other guy I could sweet talk into playing the supporting role I need, but not Officer Cade Watts. Not the man who hates everything about me. Not the man who would most revel in seeing me fail. He's everything she needs. I don't care how good it felt to have her in my arms. I don't care that I can't close my eyes without remembering the way she tastes or the sound of her moan. I want nothing to do with Janelle Crane. Her scheme to fake an engagement to save her own career is exactly the kind of manipulative Hollywood crap I left LA to escape. But when her fan mail turns threatening and the tragedies befalling her former co-stars seem to be anything but coincidence, everything changes. Now I don't just want to play the part of Janelle's fake fiancé, I demand it. I won't let my jaded heart cost me another case. I may not trust Janelle but I do care, and the only way I know she's safe is if I'm holding her close.
