Yesterday he was the hot stranger who made her dizzy from desire. Today, she discovers he's her mysterious new boss. Dr. Ross learns that the stranger she shared a brief connection with the other day is not only a top surgeon at the hospital where she works but her new boss. And now everybody wants to know who is Dr. Jake Sparrow and from what part of heaven the handsome doctor fell. However, Dr. Ross knows that if she's smart, she'll stay far away from Jake Sparrow--if that's even his real name. She has an unfortunate habit of attracting and falling for the wrong kind of guy, and that's precisely what the secretive doctor feels like to her. Yet at times, she catches him gazing at her from across a crowded room, and when their eyes meet, her heart races like the wind. According to the chief, he's one of the world's most brilliant neurosurgeons. Why hasn't she ever heard of him if that's the case? Also, she's supposed to learn from him, but he refuses to let her scrub in on his surgeries. Even though she thinks Dr. Sparrow is a grump and a jerk, Dr. Ross finds it hard to resist his seductive ways. Then, one day he surprises her by making her an offer that she doesn't refuse. Will their sparks ignite into flames, or will Dr. Sparrow's secret

unexpectedly come back to haunt the both of them? Seduction is book one of The Secret Billionaire Asher Blackstone duet. The unputdownable elements are enemies to lovers, close proximity bonding, a billionaire in disguise, and passionate romance with an engaging plot. *The Living Age* - 1879

*The Shade of Night* - Allysson Fugitt 2015-03-10 Mary Shane comes home from school one day to find her mother beaten to unconsciousness, this leads her on a perilous journey to find her father, the man that has spent her entire life on the run, always nothing more than a shadow. She must play his deadly game, become the very darkness he hides in, if she ever wants to have a chance at the love she found and the normal life she used to take for granted. As Mary Shane makes her way into the deadly world her father lives in, a world where people have seemingly magical powers and always seem to be one step ahead of you, she discovers that maybe his frequent disappearances and constant paranoia were justified. She finds herself forced to make dangerous decisions and do things she never in her worst nightmare had to face. With the government chasing her every footstep, she must find her father before they do if she ever hopes to survive this wild ride and earn the right to live. She discovers that everything she's ever experienced is because of her father and as she begins to put the pieces together she wonders if there is more to this story than anyone else knows.

strong as ever. He can make her respond to him sexually but is it enough to make her forgive him and rebuild their marriage? "You say you want me back as your wife but you haven't said what you're willing to do to get me. Flowers, toys. these things are trivial. You're a dealmaker, Lucas. Deals are not made on trivial items." Joanna loved Lucas with all her heart, but his betrayal of their marriage broke her heart. Now he's back, claiming that he wants to be her husband again. The all-consuming passion is as strong as ever, but will the strong, independent woman she's become kick him to the curb or take him back? It's a battle of wills to see which of them will survive. **Get Over Yourself!** - Patti Novak 2008-12-30  
True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it-and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable,

and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you've always wanted and deserve.

**The Last One** - A. S. Kelly 2022-07-25

Anya Allow me to introduce myself. My name is Anya O'Donnell, and I'd like to declare myself guilty beyond all reasonable doubt. Guilty of what, you ask? Well, for starters, I'm guilty of lying to everyone for years; of pretending when I should have been showing them all who I really was, what I really wanted. I'm guilty of pushing away the only person who wanted to stay, convinced that, one day, he'd have left, anyway. I told him we were a mistake. I told him I was better off without him. I told him that I didn't love him. And now I miss him. I miss his cups of tea and his stupid cheese crackers. I miss his clothes, strewn about the house. I miss the way he would watch me sleep. I miss his arms, holding me tightly each night, making me feel at home. But now we're both alone. And I'm scared. I'm scared that he believed everything I told him; that he has no intention of coming back. Owen Allow me to introduce myself. My name is Owen McKenna, and I'm furious. Why, you ask? Well, because I decided to follow my heart and not my head. Because I didn't listen to my friends or to their far-fetched theories. Because I left anyway - even when everyone was telling me to stay. And now she doesn't want me back. But I want her, desperately. She's the woman I've been waiting for. She's incredibly sexy, and can make you laugh, even when you least want to. She's never let anyone in, apart from me; and when she crumbles into my arms, it makes me feel like the only guy in the world. But I ruined everything. I let the L-word slip, and she panicked. She told me things she didn't even think - I know that. I know her. I know that she's scared, that she doesn't want to take this risk. But I do. I'm ready. I'm her exception. I just need to make her see that, too. Each book in the Love At Last Series is standalone: - Last Call - About Last Night - One Last Kiss - The Last One The Gunman - Shauna Allen 2017-06-22
