Armored of Lyonesse - Walter Besant

2022-09-15

'Armored of Lyonesse' is a romance novel that begins on the evening of a fine September day. Through the square window, built out so as to form another room almost as large as that which had been thus enlarged, the autumn sun, now fast declining to the west, poured in warm and strong; but not too warm or too strong for the girl on whose head it fell as she sat leaning back in the low chair, her face turned towards the window. The sun of Scilly is never too fierce or too burning in summer, nor in winter does it ever lose its force; in July, when the people of the adjacent islands of Great Britain and Ireland venture not forth into the glare of the sun, here the soft sea mists and the strong sea air temper the heat; and in December the sun still shines with a lingering warmth, as if he loved the place. This girl lived in the sunshine all the year round; rowed in it; lay in it; basked in it bare-headed, summer and winter; in the winter she would sit

sheltered from the wind in some warm corner of the rocks; in summer she would lie on the hillside or stand upon the high headlands and the sea-beat crags, while the breezes, which in the Land of Lyonesse do never cease, played with her long tresses and kept her soft cheek cool.

Dear Bob, Dear Betty: Love and Marriage During the Great Depression - Elizabeth C Wright

2009-11-23

In 1932, at the height of the Great Depression, two young people meet and fall in love.

Llewellyn Wright (Bob), Frank Lloyd Wright's youngest child, whose adolescence was marked by the public scandals surrounding his father's private life, is struggling to begin a private law practice in Chicago. Elizabeth Kehler (Betty), daughter of a Chicago artist who abandoned the family when she was still in the womb, is working as an intake counselor at the Milwaukee

Vocational School. Their fervent correspondence over a 10-month courtship period is witty, sassy and poignant, as they grapple with their passionate feelings and try to create a financially stable marriage in the midst of the 20th century's most serious economic crisis. The couple's daughter, a scholar of French literature, has written an Introduction telling their story before and after the courtship. 35 illustrations, extensive footnotes and an Index illuminate the family and social history behind the letters.

Possessed / The Devil Fyodor Dostoevsky
(1821-1881) was a Russian novelist and short-
story writer. His writing is steeped in deep
psychology and the exploration of human nature,
while it also accurately depicts the Russian
reality of his times. Dostoyevsky is usually
regarded as one of the finest novelists who ever
lived. In his time he was also renowned for his
activity as a journalist. Each of Dostoevsky's
works is famous for its psychological profundity,
and, indeed, Dostoyevsky is commonly regarded
as one of the greatest psychologists in the
history of literature. He specialized in the

to insanity, murder, and suicide and in the exploration of the emotions of humiliation, self-destruction, tyrannical domination, and murderous rage. These major works are also renowned as great “novels of ideas” that treat timeless and timely issues in philosophy and politics. Psychology and philosophy are closely linked in Dostoyevsky’s portrayals of intellectuals, who “feel ideas” in the depths of

their souls.
