

## How To Talk With Aquarius Woman

*SignMates* Bernie Ashman 2012-07-08 Somehow, your relationship that started out so wonderfully is having problems. Or perhaps you'd like to anticipate what problems could occur in a potential relationship. More importantly, you need to know how to resolve the problems. Problems of interpersonal relationships are most often caused because everyone has conscious and unconscious needs and behaviors that can conflict with those of another. Recognizing and dealing with them can save relationships. You'll find out how to do this in Bernie Ashman's *SignMates*. Contrary to what some people think, your astrological sign doesn't "force" you to do anything. It is simply an indicator of what you are. By understanding how the signs relate, you can better understand relationships and how to overcome problems that may arise. In a nutshell, that is what this book will do for you. The book relates potential problems in a relationship between every sign of the zodiac. For example, if you are a Virgo and your partner is a Scorpio, you may play the "Sabotage Game," where you make it difficult for your partner to reach goals because of unresolved anger or jealousy. To deal with this you need to become aware of negative, unproductive comments and support your partner. Two other games and coping strategies are given. Or perhaps you are a Libra and your partner is an Aquarius. You may experience the "Lovers and Strangers Game" where your sense of closeness vacillates between extremes. This is a test to see if you can handle emotional heat. You have to be willing to simply and honestly discuss your feelings. Again, two more games and strategies for dealing with the conflicts that cause them are given. No matter what sign you and your partner are, this book will pinpoint the potential pitfalls and how to deal with them. Also included for each pairing is the good news, a "rainbow" at the end of the difficulties, which indicates how great such a relationship can be. Ideal for both non-astrologers and astrological pros, this book can help save your relationship.

No one has approached the stars with her sass and class ever before! Her guide to astrology for lesbians is lively, revealing--and naughty! Sections include: in life, in bed, how to seduce her, doing her and dating her, how to last over the long haul, how to get rid of her, and the three faces of each sign. How to get rid of an Aquarius woman: Ms. Aquarius will pack her bags soon after you start invading her personal space and drowning her in too much nonstop and irrational emotion. Ms. Aquarius hates to feel trapped, so if you slowly take away all her freedoms, you will be watching her walk out the door faster than you can sing "This is the dawning of the..." The Cancer woman is intensely emotional...and her moods change with the tides. Not that you can every completely figure her out. Would you dare to assume you could understand the sea or fully absorb or comprehend a beautiful piece of music? Or course not, you silly lesbian. So don't patronize this lovely woman. But getting rid of a Cancer woman: Please don't be a cad and pull off the old "I'm going out for a pack of cigarettes (or a bag of Kitty Litter)" and never come back routine. She'll have your mother sitting with her and holding her hand, worrying, before you've made it past the border. And a complete compatibility profile of each astrological combination: Take Aries and Cancer: The best part? They can be fiercely loyal and protective of each other. The worst part? They instinctively know how to hurt each other's feelings and often do, in a most brutal way. Ms. Aries, ruled by fire strikes quickly and forcefully and without thinking. "Don't eat that doughnut! It'll make you fat!" Ms Cancer, ruled by water, knows how to create a mood of subtle emotional torture. "I don't feel like being touched...No, I don't want to be alone. Can't we just sit together in the same room and not talk and not touch and not make such a big deal about it?"

**Revelations of the Aquarian Age** Barbara Hand Clow 2018-02-13 A well-researched work of fiction from bestselling author Barbara Hand Clow • A contemporary spiritual and erotic thriller that reveals esoteric teachings on Jesus and Mary Magdalene, holy relics, sacred sexuality, and art • Contains hidden secrets on the use of crystals as well as extraordinary information about secret societies • Continues the story from Revelations of the Ruby Crystal • From the bestselling author of The Pleiadian Agenda (98,000 copies sold) and The Mayan Code (57,000 copies sold) Shortly after his wedding at his family's ancient castle in Tuscany, sophisticated and mysterious Armando Pierleoni reveals his richly symbolic painting of the love between Jesus and Mary Magdalene to his bride Jennifer. Deeply affecting all who view it, the alchemical portrayal leads Armando, Jennifer, and their friends on a contemporary journey into the esoteric mysteries of divine marriage, sacred sexuality, the Black Madonna, and the transformative power of holy relics. The group of friends--Jennifer's journalist brother Simon, his mystical wife Sarah, Jungian analyst Lorenzo, exotically beautiful and insightful Claudia, and Armando and Jennifer--discover past-life connections and the power of sacred sex as a path to the divine. They explore how the Knights Templar collected the bones of the Jesus family from the Talpiot tomb in Jerusalem and eventually placed them in reliquaries throughout the world--including within the Medici Chapel in Florence and in the Four Corners region of the American Southwest. When Armando's magical painting of Jesus and Mary Magdalene goes on display in the Medici Chapel and is viewed by thousands, the painting's power coalesces with Aquarian vibrations to trigger a mass kundalini rising within the Chapel, activating the sacred bones in the reliquaries. The activated bones enable the Light to flow into the world, awakening Christ Consciousness around the globe.

**To Have, to Hold, and to Never Let Go** Cattina C. Coleman 2012-12-28 I am a woman of many attributes and as impressive as my background is I too find it hard to juggle a relationship, family, friends, and my career. With a two year old son, a new found relationship with a handsome young man who is just a year younger than me but so much wisdom he could teach a teacher; still pursuing my Doctorate Degree in Business, and building a company from the ground up; has definitely put my life in the fast lane. The inspiration to my book was having seen male friends of mine who are battling their own love lives and or the family. I wanted to create a book to help guide them in a path where they too can understand where we women are coming from when we ask them a million and one questions about relationships and family. So in my book To Have, To Hold, and To Never Let Go, I am letting men know the inner thoughts and acts of women and show how we are not that much different from you guys in the sense of commitment. The same thoughts you men have us women have too; we just go about them a little differently. So in this book allow these chapters to guide you men on how To Have a Woman, Hold a Woman, and To Never Let Her Go.

**Apollo in the Age of Aquarius** Neil M. Maher 2017-03-27 Winner of the Eugene M. Emme Astronautical Literature Award A Bloomberg View Must-Read Book of the Year A Choice Outstanding Academic Title of the Year "A substance-rich, original on every page exploration of how the space program interacted with the environmental movement, and also with the peace and 'Whole Earth' movements of the 1960s." —Tyler Cowen, *Marginal Revolution* The summer of 1969 saw astronauts land on the moon for the first time and hippie hordes descend on Woodstock. This lively and original account of the space race makes the case that the conjunction of these two era-defining events was not entirely coincidental. With its lavishly funded mandate to put a man on the moon, the Apollo mission promised to reinvigorate a country that had lost its way. But a new breed of activists denounced it as a colossal waste of resources needed to solve pressing problems at home. Neil Maher reveals that there were actually unexpected synergies between the space program and the budding environmental, feminist and civil rights movements as photos from space galvanized environmentalists, women challenged the astronauts' boys club and NASA's engineers helped tackle inner city housing problems. Against a backdrop of Saturn V moonshots and Neil Armstrong's giant leap for mankind, *Apollo in the Age of Aquarius* brings the cultural politics of the space race back down to planet Earth. "As a child in the 1960s, I was aware of both NASA's achievements and social unrest, but unaware of the clashes between those two historical currents. Maher [captures] the maelstrom of the 1960s and 1970s as it collided with NASA's program for human spaceflight." —George Zamka, Colonel USMC (Ret.) and former NASA astronaut "NASA and Woodstock may now seem polarized, but this illuminating, original chronicle...traces multiple crosscurrents between them." —Nature

**The Waiting Eyes** Evelyn Bond 1976

The F\*ckhead Guide to Astrology Fckhead 2005-05 The F\*ckhead Guide to Astrology is the ultimate antidote for all you boring yuppies, neo-hipsters and punk wannabes who think there might be some validity to spirituality/western philosophy/astrology but are just too fed up with the WE-ARE-ONE, GOD-IS-LOVE, WE-ARE-ALL-GOD-N-WE-ARE-ALL-LOVE post-hippie claptrap still controlling the market, and all who wanna barf at the mention of L. Ron Hubbard (we feel you). In under 200 pages, underground author/Tourette's Syndrome survivor F\*CKHEAD lovingly yet ruthlessly dissects the pop psychology dumping ground that is Astrology: signs are described, signs are decried, signs are dismantled, F\*ckhead tells you how to pick up chicks (assuming, of course, you somehow know their signs to begin with, in which case you probably wouldn't need his help) and Tom Hanks is made fun of. HILARITY ENSUES. The F\*ckhead Guide to Astrology is absolutely guaranteed to heal marriages, tame children, cure lepers, end hunger, establish world peace etc. (though we are still waiting on endorsement from Dr. Phil). Literarily, kinda bullshit but a helluva lot better than blowing your money on "How to Spot A Bastard By His Star Sign". So buy it now, suckers, 'cause if you keep standing in the New Age section the clerks are gonna stare at you.
