Equal Protection - Darien Auburn McWhirter 1995

This book discusses the major equal protection issues that the Supreme Court has addressed. In addition to excerpts of the actual texts of some of the most important Supreme Court decisions in this area, this book provides discussions that place those decisions into their historical context.

Four Fresh Firsts - June Stevens 2020-08-20

In this scorching collection from the leading publisher of hardcore erotic shorts, Mmmmore Productions, four incredible erotic firsts are presented for your enjoyment. Explore college lesbian experimentation in Making Mary Moan by June Stevens, and see how Chynna has her first lesbian sex encounter. In Francine Forthright's Just a Peek, a girl gets far more than she bargains for when she offers some boys a peek at her panties...five hard cocks more in a blisteringly hot first gangbang! In Hunted in the Park, Scarlett Stevens explores her character's rape fantasy in

a hardcore reluctant public encounter. She pretends to be afraid while all the while she's loving the rough sex and intimidation! Finally, the very intelligent Sally Whitley presents an episode from her life as a college call girl in *The First Ring*. Her client is kindly and sweet, but when the clothes come off, Sally is in for some rough treatment in every hole, and her first anal sex is an experience she'll never forget! Here is a preview from *Just a Peek* Sissy smiled and then she realized that his showing up with three other guys meant something. They thought they were going to get something out of her. Well, she might be willing to give them a little show if it meant she'd have an in to get closer to Ross. "That sounds great. If you point me in the right direction, I'll go wait." "Oh, no need for you to try to get through this mess alone, we'll take you." She sighed, knowing exactly what they were thinking. "Look, I know you think I'm going to be easy once you get me in that room, but

I'm not here for you. So, I tell you horndogs what. I'll go upstairs to Ross' room with you, and I'll even let you have a peek of my sweet little pink panties, but, in return, you're going to make sure that Ross gets to that room and I get some time with him alone." "So, we're supposed to lead you to Ross and then we get a peek of undies?" She smiled. "Yep, just a peek, but I'm worth it." He frowned for a moment, but he was already too drunk to argue. "Alright, deal. Come on." The four guys led her up the stairs and to a small room with two beds against opposite walls. Everything else was just a scattered mess. She stepped in and the guys followed, taking seats on one of the beds. Once they were settled, they all turned expectant faces in her direction. She nodded. "Okay then, go head and take a peek." She grabbed the bottom of her dress and flipped it up, giving them a good view of her pink bikini panties. She heard a lot of giggling and she sighed. God, they acted like such little boys, but when the first one got

up and grabbed her, the feel of his strong hands was nothing like a little boy. "Hey, I said just a peek." The one who had grabbed her pulled her closer. "Yeah, but we want a peek of some other things, too." Then, there were hands on her everywhere, grabbing her breasts, sliding under her dress and grabbing at her panties, in her hair pulling her head back.

Managing Public Safety Technology - Jeffrey A. Rose
2016-12-08

Divided into four sections—public safety agencies, key issues like interoperability and cybercrime, management skills, and emerging trends like the transfer of military technologies to civilian agencies, *Managing Public Safety Technology* illustrates how essential managing technology is to the success of any project. Based on the authors' years of experience dealing with information systems and other tools, this book offers guidance for line

personnel, supervisors, managers, and anyone dealing with public safety technology. Designed for current or future public safety personnel, especially those in management, *Managing Public Safety Technology* can also be used for undergraduate and graduate public safety management and leadership programs.

Haunted - Chuck Palahniuk
2011-05-31

Haunted is a novel made up of stories: twenty-three of the most horrifying, hilarious, mind-blowing, stomach-churning tales you'll ever encounter. They are told by the people who have all answered an ad headlined 'Artists Retreat: Abandon your life for three months'. They are led to believe that here they will leave behind all the distractions of 'real life' that are keeping them from creating the masterpiece that is in them. But 'here' turns out to be a cavernous and ornate old theatre where they are utterly isolated from the outside world - and where heat and power and, most importantly, food are in increasingly short supply. And the more desperate the circumstances become, the more desperate the stories they tell - and the more devious their machinations to make themselves the hero of the inevitable play/movie/non-fiction blockbuster that will certainly be made from their

plight.

The Politics of Sex - Susan B. Hansen 2014-05-16

The American cultural landscape has shifted considerably since the 1990s. As church attendance has declined, seculars have increased in number and in political involvement. The economy was supposed to be the most important issue in the 2008 and 2012 elections, but social issues such as gay rights and the status of women actually had a greater impact on vote choice. Moral issues and perceptions of candidate morality had less effect on voters in 2004 than in 2008. These arguments directly challenge the conventional

wisdom concerning the 2004 and 2008 elections, which were supposedly decided on the basis of moral values and the economy respectively. Yet in *The Politics of Sex*, Susan B. Hansen justifies these claims theoretically based on evidence about how voters actually evaluate candidates. Hansen explores trends in public opinion on abortion, gay rights, and the status of women and finds that "values voters" are still crucial in presidential elections, even those supposedly fought over economic or foreign-policy issues. She then analyzes campaign strategies and vote choice to show how Barack Obama made effective use of the liberal trends in public opinion on social issues in 2008 and 2012. Hansen also examines trends in demographics, religious involvement, the institutional setting, and public opinion to predict who in future years benefit from the politics of sex. By providing an historical perspective on the changing impact of morality politics on

presidential elections, this book will show how and why the politics of sex now favors the Democratic Party.

Five Hardcore Tales (Volume One) - Scarlett Stevens 2020-08-04

Would you like to read this story? *Hunted in the Park A Reluctant Public Sex Short* by Scarlett Stevens It was a wonderful day to start my new exercise routine, and I had my new bike, my skimpy riding clothes, and enough motivation to make it my bike decided to stop working! Thankfully, I was rescued by a sexy man with a little toolkit on his mountain bike. My rescuer changed faces pretty quickly, though, and suddenly he was the Hunter and I was the Lamb! I had no choice in the matter at all. Before long I was on my knees and he was in my mouth, but that wasn't the hole he stopped on! It was all in public, too! That story is just one of the sexy tales of steamy adventure you'll find in this collection. Warning: This ebook contains very explicit descriptions of sexual activity and includes

Hunted In The Park A Reluctant Public Sex Short English Edition

rough sex, group sex, first anal sex, reluctant sex, first lesbian sex, and more. Only mature adults who won't find that offensive should read this collection. Here are the rest of the stories: 2. Bent Over at the Country Club A Public Sex Short by Geena Flix Hollie has a big crush on Grady, the senior frat boy, but she's only a freshman and doesn't think he likes her. So, she's very surprised when he invites her to a party at his country club. She gets even more surprised when he abandons the girls surrounding him and takes the young college girl to a bench, where he bends her over and fucks her right in public, and she even has her first anal sex! 3. Hatefucking our Reunion Rivals (Swapped by Our Husbands in Public) A Rough Group Sex Erotica Story by Tanya Tung Dan and I always hated Gavin and Rita, and while we might have expected such rivalries to go away after all the years, they flared right back up at the reunion. In fact, when my husband and I walked the school, we felt romantic as

hell and ended up getting frisky...until those jerks showed up. Before I knew it they were arguing and I was suddenly thrust into a competition that meant I was having sex with someone I hated, and my worst enemy was having sex with my husband! 4. SLEEPING MY HUSBAND'S WAY TO THE TOP (Bent Over By My Husband's Boss) An Erotic Short by Debbie Brownstone Bess's husband has been worried about his job, and Bess takes the opportunity to try to put a good word in for him, but Mr. Michaels isn't looking for words. Bess's flirting at the company barbecue worked very well for one thing: this slut wife is about to be bent over and fucked to make sure her husband gets the promotion that he needs, and it doesn't matter to Michaels if it's reluctant sex or if she's a willing participant. Sometimes, husbands succeed because they have wives who understand the key is sex with their husband's boss! 5. Threesome in My Cab A Public

Hunted In The Park A Reluctant Public Sex Short English Edition

Sex Erotica Story by Andi Allyn
When I picked up the pretty young lady, it was going to be a really small fare, so I was pleasantly surprised when a young man asked to share the cab and begged to let him get to the airport first and she agreed. That surprise was nothing compared to what came next, though! Before we'd gone a few blocks the two were going at it! I should have stopped them but the girl was so beautiful and the boy...well, he was particularly well endowed!

Beloved - Toni Morrison

2006-10-17

Winner of the Pulitzer Prize, Toni Morrison's *Beloved* is a spellbinding and dazzlingly innovative portrait of a woman haunted by the past. Sethe was born a slave and escaped to Ohio, but eighteen years later she is still not free. She has borne the unthinkable and not gone mad, yet she is still held

captive by memories of Sweet Home, the beautiful farm where so many hideous things happened. Meanwhile Sethe's house has long been troubled by the angry, destructive ghost of her baby, who died nameless and whose tombstone is engraved with a single word: Beloved. Sethe works at beating back the past, but it makes itself heard and felt incessantly in her memory and in the lives of those around her. When a mysterious teenage girl arrives, calling herself Beloved, Sethe's terrible secret explodes into the present. Combining the visionary power of legend with the unassailable truth of history, Morrison's unforgettable novel is one of the great and enduring works of American literature.
