**Fearlessly Single** Nathi Mhlaba 2011-08-26 By Roane Swindon, 2012/02/24 Book Review:

Fearlessly Single by Nathi Mhlaba Society is bent on emphasizing the importance of relationships and marriage, so how can a single Christian woman cope in such a world? Author Nathi Mhlaba has been through all of this, and it seems that she has the answers. In her book Fearlessly Single: Diary of a Single Christian Woman, she explores the fact that women today are obsessed with getting into relationships and finding someone to marry. She also considers how difficult it is for a religious Christian woman to find an equally religious Christian man to marry. Through anecdotes, Mhlaba explores how she went wrong in her own relationships, and her experience has given her the insight to advise other single Christian women about how they can resurrect their relationships with God. She postulates that it is more important for a single woman to discover themselves - be happy in themselves, on their own - and to become closer to God, and then the perfect relationship will follow. Mhlaba has a sincere passion for her religion and for her newfound cause in life: to spread the word of God and encourage single women through the passages of her book, which are certain to be consoling to many of the South African women who continuously find themselves in bad relationships or feel without direction if they are alone. She is at pains to urge Christian women to be comfortable in the now and to remember that God has a plan for everyone. They just need to have faith, and remember that being single is an opportunity for them to be themselves and a blessing from God.

**The Single Woman's Guide To Real Estate** Donna Raskin 2006-01-13 With statistics like these, you'd think that more attention would be paid to the special issues and challenges single women face when buying a home. Yet they remain the most neglected group of consumers—and readers!—out there. The Single Woman's Guide to Real Estate changes all that. Filling a much-needed hole in the marketplace, single mom Donna Raskin and prominent real estate entrepreneur Susan Hawthorne have written an engaging and informative guide that shows single women everywhere how to invest their hard-earned money in the real estate market. Whether they're buying their first home, re-entering the market after a divorce, or looking for that perfect condo for their retirement, readers will look to this one-stop resource for the answers and advice they need to make their dream of home ownership a reality.

**Live Alone and Like It** Marjorie Hillis 2009-11-29 In this witty, engaging guide, a renowned Vogue editor takes readers through the fundamentals of living alone by showing them how to create a welcoming environment and cultivate home-friendly hobbies, "for no woman can accept an invitation every night without coming to grief." "Whether you view your one-woman ménage as Doom or Adventure, you need a plan, if you are going to make the best of it." Thus begins Marjorie Hillis' archly funny, gently prescriptive manifesto for single women. Though it was 1936 when the Vogue editor first shared her wisdom with her fellow singletons, the tome has been passed lovingly through the generations, and is even more apt today than when it was first published. Hillis, a true bon vivant, was sick and tired of hearing single women carping about their living arrangements and lonely lives; this book is her invaluable wake-up call for single women to take control and enjoy their circumstances. With engaging chapter titles like "A Lady and Her Liquor" and "The Pleasures of a Single Bed," along with a new preface by author Laurie Graff (You Have to Kiss A Lot of Frogs), *Live Alone and Like It* is sure to appeal to live-aloners—and those considering taking the plunge.

**The Surrendered Single** Laura Doyle 2009-11-24 THIS CONTROVERSIAL APPROACH TO DATING HAS GIVEN THOUSANDS OF SINGLE WOMEN EVERYTHING THEY NEED TO ATTRACT ROMANCE, INTIMACY, AND A MARRIAGE PROPOSAL. Surrendered Single doesn't have to look for Mr. Right -- she attracts him. The principles presented in *The Surrendered Single* are simple: When you try to control who asks you out and when a man will call, or if you try to corner him into a commitment, you drive him away. When you let him woo you instead, you enjoy the pleasure of being pursued. You feel confident and feminine. Dating becomes fun again. Marriage follows. You stop going it alone. Practical and compassionate, *The Surrendered Single* is a step-by-step guide that shows you how to: ASK MEN TO INVITE YOU OUT SO THAT YOU ALWAYS HAVE A DATE AVOID THE REMORSE OF "I WISH I HADN'T SAID..." BECOME YOUR BEST SELF AND ATTRACT GOOD MEN Whether you're recovering from a breakup or a divorce, are on the dating scene, or want your romance to deepen, *The Surrendered Single* will bring you the relationship you desire with a man you love -- and who loves you.

**Revelations of a Single Woman** Connally Gilliam 2014-12-05 Turning our culture's Sex in the City worldview completely upside down, *Revelations of a Single Woman* celebrates God's enticing, life-giving promises, even when life takes you down a path you didn't plan for. Connally Gilliam explores what it means to live in a world for which her mother never could have prepared her. Through this collection of thoughtful, honest, and humorous memoirs, the author delves into what it really means to be "the remainder" in a world that caters to couples, and what it means to be the one who lives out moral values that her peers think died in the sixties. As readers walk with Connally through each humorous and poignant experience, they will discover that God doesn't promise happiness somewhere in the future, but abundant life in the here and now.

**A Single Woman's Concerns and Struggles** Dr. Bernadine C. Johnson 2023-11-17 *A Single Woman's Concerns and Struggles: Reversing the Perception of Exclusion in the Church in the Twenty-First Century* and *Beyondspeaks* to the many single, separated, single parent, divorced, and widowed women who have and are experiencing concerns and struggles that may lead to perceptions of exclusion in the church and community. Each church holds various amounts of

information from many sources that may assist single women in reversing the perception of exclusion, but making the best use of these sources and resources can make a big difference in the life of a single woman. Dr. Johnson provides insights into the care, concerns, struggles, and perceptions of exclusion and provides a mentoring guide in encouraging inclusion in the local church and community in the twenty-first century and beyond.

**Husband Magnet** Dr. Barba Maulana Koroma Phd 2020-11-15 One of the biggest decisions you will make in life is to pair up in marriage. While this is an important consideration for both men and women, it is an especially important one for women. This is because the number of eligible women surpasses that of eligible men in most communities. Secondly, men tend to take longer to decide on settling down in marriage, which makes test-driving relationships that end nowhere frustrating for women. But, if you have been looking and Mr. Right has yet to come knocking at your door, what do you do? Simply, you don't leave it all to chance as though you expect him to fall from the sky, you do your homework. As you do, please don't chase a man, attract him! Are you tired of being played by men who won't commit? Do you look forward to the day when you are the bride rather than the bridesmaid? Have you had enough of being bumped by less endowed women time and again? Do you believe that it is time for you to be the main show in the arms of your own man? If the answer to any of these questions is "yes", for you, a friend, schoolmate, family member, coworker, churchmate, or friend of a friend, then look no further. This is your moment to act and the tool you need. Husband Magnet will not only help a single woman fast-track to success in attracting a worthy man for marriage, it is a handy companion for a married woman who wishes to spice up her marriage. This book will teach you how to be a husband magnet.

All the Single Ladies Rebecca Traister 2016-10-11 "Today, only twenty percent of Americans are wed by age twenty-nine, compared to nearly sixty percent in 1960. The Population Reference Bureau calls it a 'dramatic reversal.' [This book presents a] portrait of contemporary American life and how we got here, through the lens of the single American woman, covering class, race, [and] sexual orientation, and filled with ... anecdotes from ... contemporary and historical figures"--

Status Single Sreemoyee Piu Kundu 2018-02-12 Marriage. It's the obvious path for every girl in India. It's supposed to define us, shape us and give meaning to our life. But does it, really? Figures show that nearly 74.1 million women in India are either divorced, separated, widowed or have never been married. And the number is on the rise. In what promises to be a path-breaking work on female identity, Sreemoyee Piu Kundu, a proud-to-be-single woman herself, spills the beans on what it is like being over 30 and unattached in India, through her own compelling story and the chequered lives and journeys of nearly 3,000 urban single Indian women from all walks of life. Women, whether single by choice or circumstance, are under scathing societal pressure, invasive scrutiny and pervasive criticism. Be it the difficulty in renting an apartment, being character-assassinated by your gynaecologist, or being slut-shamed as having slept your way to the top, even when you're successful professionally, a single woman's life choices are the easiest to dissect. From one of the most powerful voices in contemporary Indian writing, comes a passionate narrative of grit and gumption, anger and loneliness and the daily struggle of being single in a country where the highest validation of your gender remains marriage and motherhood. Fiercely honest and painfully vulnerable, Status Single is a book that every woman and man—single or otherwise—must read.

**Confessions of a Single Woman** Denona Pryor 2011-11-21 God wants a relationship with you! God loves you, and to show you how much He does, He sent His Son to die for your sins. God wants you to trust in Him and believe that with Him, all things are possible if you believe in Him. Confessions of a Single Woman is about forgiveness of sins, trusting in the God who made you and wants to keep you. It is also a guide to learning how to have a relationship with Christ.

**It's Not You** Sara Eckel 2014-01-07 "Why am I still single?" If you're single and searching, there's no end to other people's explanations, excuses, and criticism explaining why you haven't found a partner: "You're too picky. Just find a good-enough guy and you'll be fine." "You're too desperate. If men think you need them, they'll run scared." "You're too independent. Smart, ambitious women always have a harder time finding mates." "You have low self-esteem. You can't love someone else

until you've learned to love yourself." "You're too needy. You can't be happy in a relationship until you've learned to be happy on your own." Based on one of the most popular Modern Love columns of the last decade, Sara Eckel's *It's Not You* challenges these myths, encouraging singletons to stop picking apart their personalities and to start tapping into their own wisdom about who and what is right for them. Supported by the latest psychological and sociological research, as well as interviews with people who have experienced longtime singledom, Eckel creates a strong and empowering argument to understand and accept that there's no one reason why you're single—you just are.

**Single Woman Chronicles** Ashleigh Guice 2021-08-03 Hot off the situation with Mo, Arianna must decide if she'll continue her desperate pursuit for love or surrender to an inevitable status of single... Arianna just got the wind knocked out of her by some crushing news. Mo not only has a baby on the way, but he also gave Arianna something she'll never forget, and won't want to remember. But love doesn't just go away overnight. Arianna must figure out if she should stick it out and fight for Mo, or choose to walk away from the guy she gave her all to. Mo is preparing to be a father while also stuck in a love triangle with Arianna and his unexpected baby momma, Stacy. Will he fight for Arianna, or try to create a family with the mother of his child? Chaotic confusion clouds the judgement of both Arianna and Mo as they try to figure out if they should keep fighting for their connection or throw in the towel. Will this end in happily ever after, or yet another story of heartbreak, baby mommas, and situationships?

**Single Woman Chronicles** Ashleigh K Guice 2018-02-14 Dating in Atlanta is a struggle, and Arianna knows all too well. She is a beautiful, 28-year-old successful entrepreneur who has everything but what she really wants: A MAN. She feels doomed to be single forever after dealing with an ex that abandoned her and baby momma drama. She thinks God has cursed her until she meets Maurice; a charmingly handsome investor who sweeps her off her feet. She wants to give him her all, but doesn't want to move too quickly and fall into yet another "situationship" and be left heartbroken. After dealing with a city full of f boys and men who don't take love seriously, how can she really know if what she has with Maurice is real? Could this be a love story? Or a story of continuous heartbreak and unintentional dating mistakes? You be the judge, as you journey through Arianna's single woman chronicles.

In the process, they'll discover that being single can truly be fun, free, and satisfying.

**The Single Girl's Dating Journal** Stacia Jae Johnson 1971-05 Most of us go about dating all wrong. All too often, we choose the person to whom we want to give ourselves way too soon. This workbook, a companion to Date, Girl! 143 Reasons Why I Believe Women Should Date Multiple Men, will help you to put the brakes on that kind of behavior. Dig into 32 carefully selected questions from Date, Girl! and really start to understand what is going on during your dates, both between you and your date, and inside of YOU. Use this workbook to hone in on the qualities that you really want and need in a man, some of which you may not yet even be aware of. Learn who you really are, and who you are becoming.

**The Single Woman's Guide to a Happy Pregnancy** Mari Gallion 2006-07 When Mari Gallion, an unmarried tour guide in Alaska, discovered she was pregnant, she immediately made the decision to have the baby. What she never expected was the hypocrisy of the movement that condemns a woman's right to choose while withholding information that could empower single women who had chosen to continue with unplanned pregnancies. In response, Gallion set out to write a guide that offers unconditional assistance to the women who have chosen to take the unorthodox path of pregnancy without a partner. The Single Woman's Guide to a Happy Pregnancy is Gallion's gift to those women who find themselves pregnant and going it alone. It is a positive, affirming, and sometimes humorous how-to that covers all the bases: staying positive, getting organized, preventing depression, and finding the agencies that offer assistance. The author also gives valuable advice about living circumstances, money management, and even what mothers need to acquire before the baby comes. The Single Woman's Guide to a Happy Pregnancy is not a book about morning sickness and blotchy skin. Instead, it is about well-being, attaining power through knowledge, and planning ahead.

praying this powerful prayer. She has shown women how important it is to be secure in singleness by being smart, strong, and independent. In this all new book, she will prompt readers to never settle and not miss out on the beauty that can be found in times of "waiting." The Single Woman Says: "Whether you're idling in stubborn sinfulness or walking in seeming never-ending singleness or living with any sort of waiting: Waiting for love, waiting for babies, waiting for marriage, waiting for a cure, or a miracle, or a sign, or for GOD . . . I hope my journey will make the wait a little easier and the uncertainty a little bit more beautiful." Starting with relationships, but going beyond into areas like career, friendships, and life, Mandy will guide readers through what you can achieve if you look beyond your current circumstances, never settle for less than what God has for you, and find beauty in the waiting.

**In Praise Of Single Women Over 40** Michelle Mendoza 2014-12-31 You Are More Than Just A Number! Being a single woman over 40 doesn't make you look pathetic! In fact, it makes you a hot commodity! You may have recently gotten out of a relationship or had your heart broken, starting over or making a career change. Wherever you are at this stage of your life embrace who you are and celebrate who you will become. Let's face it, the forecast looks grim for single women over 40 if we listen to the news reports. We're told how impossible it may be to find a man at this stage of our lives so we should just settle for whomever we can get. And, we're described as middle-aged, stubborn, bitter, angry women who should be hiding behind closed doors. Even if many of us look young and hot for our age we're told age trumps hotness. No wonder so many single women in their forties feel dejected and rejected! Don't allow any of this negativity to stop you in your tracks. You may be feeling bad about yourself now and wondering if anyone will ever want you again at your age or if you will be able to find a normal, attractive guy. The truth is...your future looks brighter than ever! The steps and exercises at the end of each chapter of this book will show you how to move forward and get ahead and why walking in faith can change your entire outlook on your life. Gain invaluable insight into getting over a breakup fast without relying on a survival guide and moving on quickly from your past with your self-esteem intact. Re-discover your belief in yourself and what you want and need out of life to gain personal fulfillment. Gain renewed self confidence in yourself and feel empowered, attractive and sexy again. Recognize and steer clear of the wrong types and attract those men that meet your expectations and requirements regardless of his age or your own. Tune out negative opinions that stereotype you because of age and learn to listen to your inner voice and intuition as it guides you toward making the right choices for your life. Recreate the life you want now, on your terms. And, don't be content to just settle with what society says you deserve. Utilize the steps in this book and watch your life transform, for the better, in every area.

**Confessions of a Single Woman** Janice E. Tate 2014-12-05 "My life was filled with anger, self-determination, and indifference." Confessions of a Single Woman, Living Under Cover is a seven-year journey in which God transformed years of bitterness, brokenness, and fear into a healed and delivered woman. It shows how far his love will go to bring us back under his covering and moving into the life he has planned for us.

**Being Single in India** Sarah Lamb 2022-06-14 A free open access ebook is available upon publication. Learn more at [www.luminosoa.org](http://www.luminosoa.org). Today, the majority of the world's population lives in a country with falling marriage rates, a phenomenon with profound impacts on women, gender, and sexuality. In this exceptionally crafted ethnography, Sarah Lamb probes the gendered trend of single women living in India, examining what makes living outside marriage for women increasingly possible and yet incredibly challenging. Featuring the stories of never-married women as young as 35 and as old as 92, the book offers a remarkable portrait of a way of life experienced by women across class and caste divides, from urban professionals and rural day laborers, to those who identify as heterosexual and lesbian, to others who evaded marriage both by choice and by circumstance. For women in India, complex social-cultural and political-economic contexts are foundational to their lives and decisions, and evading marriage is often an unintended consequence of other pressing life priorities. Arguing that never-married women are able to illuminate their society's broader social-cultural values, Lamb offers a new and startling look at prevailing systems of gender, sexuality,

How a Single Woman Can Overcome Stigmatisation Esther Kuganja 2017-05-04 Dear friends, this book was birthed as a result of the pain I witnessed and also experienced as a single woman. My life evolved from desperation to acceptance, peace with self and with God, and finally, fulfilment as a single woman. I therefore wish to share my life lessons with you and be a source of encouragement to many single ladies out there. This book also goes a long way to change the wrong perception of singleness and to help people to realise that singleness is one of the best gifts in life with so many advantages that society is blinded to. If you are a single lady (most especially, one of the older ones of thirty-five years and above), this book will bring back your widest smile, brightest glow, and self-esteem. It will enlighten you about the true meaning of life and its purpose. The book will take you through the stages of self-discovery and the realignment of your priorities. It will equip you with practical guidelines of how to live a fulfilled life despite the increased singleness in our world today. You will get to know people who, despite being single, have great achievements and legacies. You will discover that you are not alone. To the relatives and friends of the single lady and the general public, you will not only be shown the reality of the discrimination and the negative effect of the pressure put upon unmarried women but also be helped to adapt the right attitude in supporting them in fulfilling their purpose. To the church leaders and all Christians, you will discover the damage done by adopting wrong doctrines and attitudes towards single women. These doctrines are contrary to kingdom principles, and we need to know how they can be corrected.

**Being a Happy Single Woman - How to Love Yourself and Enjoy Your Freedom** Phoenix Henry 2017 So many women believe that their happiness is tied to being in a relationship. I used to be one of those women and I felt like a complete failure each time a relationship ended and I found myself being single... again! The failure to find happiness on our own is deeply-rooted. We're thought from childhood that we need a husband and a family. Women that don't achieve those two and women that aren't interested in being married are often perceived as unhappy and certainly unsuccessful. These numerous expectations burden girls heavily. They search for the ideal relationship, jumping from partner to partner and hoping each time that it would last forever. Some are so afraid of being single that they'd agree to just about any partner in order to avoid the loneliness and the social stigma (yes, it's real - especially past a certain age). The aim of this book is to teach ladies how to find excitement and joy in being single. A single woman can travel, she can date numerous fun men, she can go wild and invest in the relationships she has with herself, her family and her friends. If you're a single girl who's experiencing doubt, this book is the right one for you. It will show you that being on your own is fun and it can lead to increased self-awareness and better understanding about what you want from a relationship.

*It's My Business Why I Am Still Single* Mia Montgomery 2008-06-12 If you're still single and you have looked for love in many faces or have wondered what you have done wrong and find it difficult to maintain hope while your situation is shrieking with despair, then author Mia Montgomery has the perfect book for you. *It's My Business Why I Am Still Single* discusses various reasons why many women remain single and unfulfilled. Through this insightful book, she shares her own experiences with the hope that other women will learn from them. Follow her journey from living loneliness to loving singleness as she laces it with poetry reflecting her candid, honest emotions. What Readers Think About This Book "I was so compelled by your honesty and realness. The poetry was beautiful. Wow, what a gift!!! I also think that the questions were a very wise choice. Thank you for being brave enough to share your life through this book. Know that you have impacted me in a great way. You have confirmed and reiterated my position about relationships. This book was right on time. I will be re-reading it. I now understand the importance of knowing, loving, and understanding me!!!!" --D. Johnson, Florida "This book wasn't about feeling pity over singleness. It is a book that makes a woman look inside and assess who she really is." --M. Edwards, Florida "I am a married woman and still this book made me re-look the way that I sometimes treat my husband and the things that I have expected from him. The poetry alone brings insight and triumph to your spirit!" --J. Murrell, Florida "Though I have read many books, I really enjoyed reading this book by Mia Montgomery. I felt that the author really paid attention to some of the main reasons and the points as to why many women who are single. She dealt with issues that need to be corrected and addressed (reversing what mama told you) and how to function within a relationship without losing yourself. The author used evidence of her life and the lives of her friends in order to make her points clear. Her evidence was convincing because I felt as if I were walking in her shoes, but mostly I felt as if, the pages were answering questions to topics I wanted answers to but didn't know how or who to ask." "There are many books in bookstores that talk about being single, but I've yet to read a book where the author totally puts themselves, their experiences, and their reputation on the pages, in hopes that you will learn from their mistakes and not repeat them. The information is unique and it offers fresh insight to single women that will help to empower us and build us up. I think the author was very successful in carrying out the purpose of the book. This is a book that will uplift and build women, during their season of being single." --L. Heriscar, Orlando, FL

**Fix It Jesus! for Single Women Only** Sophia Reed Ncc 2018-10-17 Are you ready for a Christian single's book that promises to deliver the no-nonsense advice that you have been looking for as a single woman of God? This book is not just any Christian self-help book for single women. This book goes beyond being a Christian book about being single regurgitating the same information that you have read in other single Christian self-help books. *Fix It, Jesus! For Single Women Only. The Straightforward No-Nonsense Guide To Dating, Relationships, and Self Improvement* is not just a Christian book about being single. It is a book that offers straight talk to single Christian women delivered in a way that is understandable and in a way that you need to hear it. How many times have you told yourself, "I want to get married?" How many times have you imagined that when you get married, it would be the perfection that you have always longed for and your life will be complete? How many of you are just sitting there wishing, hoping, thinking, and praying until that day comes? With each day that passes and it does not happen, you sink deeper and deeper into disappointment. Sadly, this is the story of so many Christian single women. You are lonely, you want to get married, you keep dating losers, you keep getting dumped, you keep getting cheated on, he won't marry you, or there are just those days in which you feel that God has forgotten about you and

you are going to be single forever. If this is even just some of your story then surely you have come to the right place because sista GIRL I want to help you out! I want to bring you out of an area of depression, desperation, loneliness, and hopelessness. The following paragraph is just a small excerpt from my book to show you that I know you and I used to be you. Excerpt: I remember there was a time where I was where you might be today. Dating some guy who was a complete and utter JERK. But I was so convinced that I loved him, that he was going to marry me, and that he was my future husband. So I prayed about it. All the time, night and day - "God, please open up his eyes and make him see me. Make him see that I am his wife. Make him see how wonderful I am. PLEASE, GOD, PLEASE!" I wanted you to read this excerpt to show you that I was once you. To show you how far I have come and to show you that you do not need to settle for men who do not want you. The topics that are going covered in this book are. Dating Keys for Christian Singles Sex and the Single Christian woman Christian dating simplified and broken down Being equally yoked Preparing for your husband Praying for your future husband Trusting God and His timing Biblical Lessons from Ruth and Esther How to stay celibate Choosing the right partner for marriage How to forgive yourself for mistakes in a relationship God's promises to singles Tidbits on the finding a godly husband Becoming a godly woman Biblical dating advice And so much more. This book has 30 full chapters and will be your ultimate resource as a single Christian woman. It is so full of information that you can even use it for a single women's devotional choosing to read one chapter each day. Single woman of God, let me ask you, don't you want God's best? Not just God's best husband for you but God's best life for you. If the answer is yes, then I am going to take you on a journey through this book and teach you just that. Through 30 amazing chapters, each handcrafted and specific to what you face as a single Christian woman. And who am I you may ask? I am Dr. Sophia Reed, the author of the amazing Christian Lifestyle blog for women [www.sophie-sticatedmom.com](http://www.sophie-sticatedmom.com). I have a master's degree in marriage and family therapy, I am a National Certified Counselor (NCC), and I have Ph.D. in human behavior. Oh yes, and I am a single woman that is happy and living the best life God has for me. So give this book a try I know you won't be disappointed.

**What Women Wish You Knew about Dating** Stephen W. Simpson, Ph.D. 2008-06 With a unique blend of biblical principles, psychological insight, practical advice, and humor, this book shows the reader how to be a man, date like a man, and get that relationship off to a great start.

**The New Single Woman** E. Kay Trimberger 2006-10-15 Drawing on stories from diverse women who have been single for many years, Trimberger explodes the idea that fulfillment comes only through coupling with a soulmate. Instead she presents an exciting new identity for women in the twenty-first century: the new single woman--a woman who is content with her single life. These gripping personal accounts of how single women's lives evolve over time, combined with Trimberger's incisive analysis, blend to provide a much-needed cultural roadmap for every single woman who is striving to create a satisfying and meaningful life. Trimberger's all-inclusive, paradigm-shifting notion is one that ultimately strengthens and enriches both single women and couples.

**Single Woman of a Certain Age** Jane Ganahl 2011-02-09 This timely book assembles a chorus of sophisticated, edgy, and humorous voices on the topic of being unmarried in one's prime. Far from being out to pasture, these writers zestily take on the challenges and enjoy the rewards of growing older as a single woman: sex (or not), occasional loneliness, single motherhood, second careers, menopause, critter comforts, and more. Joyce Maynard ("fifteen years divorced and pushing fifty with a short stick") tries online dating, Kathi Kamen Goldmark embraces her newly empty nest, Susan Griffin savors the joys of solo travel, Wendy Merrill dumps a younger lover to save her self-esteem, Diane Mapes prefers the joys of adulthood over motherhood, Ms. Gonick dates a sexy (if uneducated) cowboy, and Rachel Toor finally finds the perfect companion — and he has four legs.

**Sex and the Single Girl** Anne Grey 2016-02-14 Do you think having sex (or even...having fun?!) is something that is only meant for twenty-somethings? If so, you couldn't be more wrong! In her newest book, Anne Grey makes the point that now is the "golden age" for dating and that your age may just have something to do with it! Once a woman reaches her late 30s - early 40s, she suddenly drips with confidence. She knows what she wants; those pesky few extra pounds don't bug her; she

doesn't need to play games; the bedroom is no longer a scary place; and finally, sex can be fun and rewarding. If you're new to the dating world, or if you've been in it a while and are struggling to find your stride, then Anne Grey's *Sex and the [Slightly Older] Single Girl* is the handbook you need. Rather than focus on "how to win a man," Anne teaches her readers to love their bodies, be proud of their sexuality, embrace multiple lovers, and most importantly, how to maintain freedom and self-respect while doing all of the above. Worried about figuring out all those dating apps'... don't miss CHAPTER 3. Need a body image pick-me-up? Turn to CHAPTER 2. Looking for ways to "spice it up" in the bedroom? Check out CHAPTER 4. Each chapter even ends with a personal story from Anne's dating past. This book is far from old-fashioned or outdated. Anne educates and has a conversation with her reader all at the same time."

*ThirdWay* 1986-08 Monthly current affairs magazine from a Christian perspective with a focus on politics, society, economics and culture.

**40 secrets for the single woman** Nanda Bezerra 2018-03-12 In "40 Secrets for he Single Woman", Nanda Bezerra draws on her own experiences and offers valuable tips. The author says, "In my opinion, these tips should not be read all at once (if you are able to resist the temptation), but one secret should be read a day in order to work on a different task each day. I believe that even before the 40 days are up, you will see the benefits."
