The Billionaire and The Intern Next Door Marcus and Chloe - Rebecca Johnson 2021-08-04

Climbing into bed thinking I was almost free of prying eyes on me and then this happens I'm going to have my uncle's friend watching everything I do now when will I ever be free of this I should have gone out of the country Maine was not far enough away. I wonder if it's too late to change my mind and go out of the country, yes it probably is now what do I do well it's not like I will see him all the time I mean I will be at school and work so when I do get home it will be late and if he is anything like my uncle he will be asleep by 9:00 pm so it may not be so bad I can deal with this I'm thinking as I drift off to sleep. Waking up to the alarm going off in my ear jumping up and realizing today is the day I will be leaving my parents' home and making my way in the world OMG! I'm really going off to college today! The road to freedom Is just around the corner, Then he knocks on my door Looking like sin, I think my mouth went dry and all the moisture went between my legs holy hell Chloe get a grip. Why is he standing there looking at me like I'm an alien? Hello, may I help you?

Suddenly, her family is just embarrassing! Chloe wants to meet new people and make new friends, especially with a certain Alexandre, but she's not sure what to say or wear or who to trust. My Name Is Chloe - Melody Carlson 2010-01-27

Chloe, Josh Miller's younger sister, is a free spirit with funky clothes and dramatic hair. She struggles with her own identity, classmates, parents, boys, and -- her biggest question -- whether or not God is for real. But this unconventional high school freshman definitely doesn't hold back when she meets Him in a big, personal way. Refusing to change her image to fit into the "stereotypical Christian preppy mold," Chloe expresses God's love and grace through the girl band she forms, Redemption. In her development as a musician and performer, tender-hearted Chloe will learn tough lessons about following God, her heart,

and her dreams.

Noggin - John Corey Whaley 2014-04-08

2014 NATIONAL BOOK AWARD FINALIST Travis Coates has a good head...on someone else's shoulders. A touching, hilarious "tour de force of imagination and empathy" (Booklist, starred review) from John Corey Whaley, author of the Printz and Morris Award-winning *Where Things Come Back*. Listen—Travis Coates was alive once and then he wasn't. Now he's alive again. Simple as that. The in between part is still a little fuzzy, but Travis can tell you that, at some point or another, his head got chopped off and shoved into a freezer in Denver, Colorado. Five years later, it was reattached to some other guy's body, and well, here he is. Despite all logic, he's still sixteen, but everything and everyone around him has changed. That includes his bedroom, his parents, his best friend, and his girlfriend. Or maybe she's not his girlfriend anymore? That's a bit fuzzy too. Looks like if the new Travis and the old Travis are ever going to find a way to exist together, there are going to be a few more scars. Oh well, you only live twice.

Not a Clue - Chloé Delaume 2019-04-01

In this life-size game of *Clue*, six psychiatric patients in Paris's Saint Anne's Hospital are suspects in the murder of Dr. Black. Though *Not a Clue* tells the stories of these possible assassins, their lives, and what has brought them to the hospital, the true focus of Chloé Delaume's intense and tumultuous novel is not merely to discover the identity of the murderer. Rather, by cleverly combining humor with the day-to-day effects of life's unrelenting compromises, *Not a Clue* is an astute commentary on the current state of literary production and consumption. Masterfully juggling an omniscient narratrix, an accusing murder victim, at least six possible suspects as well as their psychiatrists, and a writer who intervenes by refusing to intervene, Delaume uses the characters, weapons, and rooms of the board game *Clue* to challenge--sometimes violently, sometimes playfully--the norms of typography, syntax, and narrative conventions.

But did she really escape him?
