*The Forgotten Art of Love* - Armin A. Zadeh  
2017-10-15

Explore the many facets of our most valued emotion. Cardiologist and professor Armin Zadeh revisits psychologist Erich Fromm's *The Art of Loving*, a book that has fascinated him for decades. *The Forgotten Art of Love* examines love in its complex entirety — through the lenses of biology, philosophy, history, religion, sociology, and economics — to fill in critical voids in Fromm's classic work and to provide a contemporary understanding of love. This unique and wide-ranging book looks at love's crucial role in every aspect of human existence, exploring what love has to do with sex, spirituality, society, and the meaning of life; different kinds of love (for our children, for our neighbors); and whether love is a matter of luck or an art that can be mastered. Dr. Zadeh

provides a fascinating, empowering guide to enhancing relationships and happiness — concluding with a provocative vision for firmly anchoring love in our society.

*In Love with a Master* - Jason Luke 2014-06-18  
How high a price will one man pay to know love? For Jonah Noble, life has always been his world - his way. But now, confronted with his own mortality, and staring certain death in the face, he realises his one regret... Will Leticia be his last chance? He knows she has feelings for him, but can he ever feel the same strength of emotion for her? Can Jonah make the leap of faith that will put his heart in danger? It's his world. His way. But now his life is on the line...

**The Case for Falling in Love** - Mari Ruti  
2011-02-01

Praise for *The Case for Falling in Love* "Why play 'hard to get' when you can just get what you

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2019-03-11  
by guest

want? Mari Ruti's lively research, from Plato to Freud to Gossip Girl to her own bedroom, finally puts an end to playing games, and provides a resource for lovers and the love-scorned alike. A must-read for anyone who has ever fallen in love, wants to, or wants to know what went wrong." -Arianne Cohen, creator of TheSexDiariesProject.com "At last, a relationship advice book that will actually work. If you're intelligent, interested in love, and like a book you can't put down, this is it. John Gray, move over. The brilliant Mari Ruti has arrived." - Juliet Schor, professor of sociology, Boston College, and author of Born to Buy and Plenitude: The New Economics of True Wealth "Groundbreaking...Ruti opens the eyes of her readers so that they can love better...A must-read." -Nancy Redd, New York Times bestselling author of Body Drama "Finally, a book that takes love seriously. Written with passion and verve...I wish I had read this book years ago!" -Sean Carroll, author of From Eternity to Here: The

Quest for the Ultimate Theory of Time Are you tired of reading book after book and playing game after game, trying to avoid heartbreak? It seems impossible, and maybe that's because you can't lock up your heart like that-not if you want the real thing. And maybe that's one of the best things about love. We've been thinking about it all wrong. Our culture's insistence that women need to learn how to catch and keep a man is actually doing much more harm than good. The more we try to manipulate our relationships, the less we are truly able to experience love's benefits and wonders. Love is a slippery, unruly thing, and trying to control and manage it robs us of its delicious unpredictability. Sure, letting go of the reins a bit might mean a broken heart, but heartbreak, in fact, offers a wealth of possibilities-creativity, wisdom, and growth-that we need in order to make the most of our lives. Liberating for women who are frustrated by the idea that they just need to learn the right "formula," The Case for Falling in Love shows

that there isn't a method to mastering the madness of love. But that might be exactly what's so wonderful about it.

*Master and Slave* - J. T. Newcombe 2007-07

A warm and whimsical retelling of the traditional Pygmalion (Cinderella) myth, with both the strong erotic elements the title suggests and the romantic ambience indicated by the subtitle. A major sub theme of the novel is the distinction between private and public personas. The overall tone of the prose is light and impressionistic, with a considerable humour and some tasteful romantic interludes.

**Hymen's Prælua: Or, Love's Master-piece** - Gaultier de Coste La Calprenède (seigneur de) 1736

**Love and Society** - Swen Seebach 2017-04-21

Why does love matter? *Love and Society* discusses the meaning and importance of love for contemporary society. Love is not only an emotion that occurs in our intimate

relationships; it is a special emotion that allows us to relate to each other in a lasting fashion, to create out of our individual pasts a shared past, which enables us to project a shared future.

Bringing together the idea of Simmel's second order forms with theories of love, this insightful volume shows that the answer to why love is so central to society can be found in the social transformation of the last two centuries. It also explains how we can build our strongest social bonds on the fragility of an emotions thanks to the creation of "special moments" (love rituals) and "intimate stories" (love myths) that are central to the weaving of lasting social bonds. Going to the cinema, reading a book together or sharing songs are forms of weaving bonds of love and part of the cycle of love. But love is not only shared between two people; the desire and the search for love is something we share with almost all members of society. With rich empirical data, an analysis of love's transformation in modernity, and a critical

engagement with classical and contemporary theorists, this book provides a lively discussion on the meaning and importance of love for today's society. It will be of interest to undergraduate and postgraduate students and postdoctoral researchers who are interested in fields such as Sociology of Emotions, Sociological Theory and Sociology of Morality. [Rising In Love With The Master](#) - Paramahansa Nithyananda 2011-09

**90 Seconds to a Life You Love** - Joan Rosenberg 2019-02-07

'This book was a game changer for me. You will understand "anxiety" in a totally new way - a way that empowers and releases you from it! Brilliant book!' Poppy Jamie, author of Happy Not Perfect 90 Seconds to a Life You Love follows a simple formula: 1 choice. 8 feelings. 90 seconds. This book teaches you that if you choose to be fully present and aware when you experience unpleasant feelings. If you choose

not to block or avoid these difficult emotions with alcohol, food or denial. If you ride through the wave of these feelings, which will only last for 90 seconds, you will build your confidence. It's called the Rosenberg Reset and it will change your life. You will move through these emotions successfully, be better equipped to handle unpleasant feelings in the future and put yourself on the path to resilience, emotional strength, positive self-esteem and rock solid confidence. 90 Seconds to a Life You Love shares the only neuroscience-based approach that shows readers how to achieve emotional strength and confidence. 'Joan's approach is simple, practical, and effective. It represents a significant breakthrough on the path to success. If you want unwavering confidence to pursue your goals and dreams, then this will guide you to it.' Jack Canfield, co-author of the Chicken Soup for the Soul series and The Success Principles '90 Seconds to a Life You Love is a must-read. Imagine what would happen in your

The Real Love - The Supreme Master Ching Hai  
2012-08-01

The Real Love is a musical based on the Supreme Master's personal life experiences. It tells the story of a young Vietnamese woman (Thanh) living in Munich, deeply involved with the plight of the refugees. A romantic poet at heart, she falls in love with a handsome German doctor (Rolf) and they marry, but an uneasiness grows in her heart. Her work with refugees expands into a concern for all humankind, and it becomes clear to her that she is destined to pursue a spiritual quest in her life - one that must involve traveling to India.

Mastering Your Self Development What Do You Make Out Of Compliments? The Art Of Saying 'no' Self Confidence Much, much more! Get Your Copy Today!

*The Music Master, a Love Story* - William Allingham 1855

**The Love of a Master** - John Preston

2005-12-27

Part of the Master series by incomparable gay S/M novelist John Preston. There are good-looking, willing young men in every hidden corner of America -- men like Tim and Marc who know a worthy top when they see him. John Preston's powerful and darkly insightful classic "The Love of a Master" follows the Master's patient, deliberate, and wickedly inventive training of his two boyish but determined devotees as they release themselves to their submissive natures, to the "fear and anticipation" that come with true service. Will Tim step up on the slave block and give himself body and soul to the highest bidder? Will his friend Marc do the same or accept the Master's rare offer of a permanent -- if painful -- position in his home? A legend in gay porn, Preston drew on his extensive knowledge of the S/M scene of the '80s to create this hot, savage, and psychologically penetrating portrayal of S/M

*in-love-with-a-master*

power exchange between men.

**Greatest Love** - Zhi Gang Sha 2017-11-14

Feel the greatest love. Experience the greatest love. Embody the greatest love. The greatest love is love that truly lasts and has no conditions. It is the love of a mother for her child. It is the love we read about in poems. It is the love we long to have. We all have challenges that keep us from experiencing this greatest love. These challenges may present themselves in your health, relationships, or finances. With this book, learn how to unblock your life in 30 minutes a day with the power of unconditional love, the greatest love, which surpasses the human and enters the love of all creation. Practice the simple, joyful exercises within this book, and receive powerful blessings from Dr. and Master Zhi Gang Sha, a world-renowned healer, humanitarian, spiritual master, and 11 time New York Times bestselling author, Master Maya Mackie, who also embodies the purest love and compassion, as well as Master Francisco

Quintero. The power of greatest love can melt all blockages and harmonize all separation and all that is not love. Carry this treasure with you to apply its wisdom anywhere, anytime, to enrich and bless your health, relationships, finances, intelligence, and every aspect of life.

*My Master Loves Me* - Rebecca Christenson  
2021-09

Polyester is a problematic mutt for her master. She gets into the trash, barks, and tugs on walks, but her master still loves her. This beautifully illustrated children's book tells of the unconditional love between a dog and her master. AUTHOR'S NOTE: The inspiration for this book came after a long day when I arrived home to find my entire kitchen floor covered in garbage. A guilty Polyester greeted me. Her remorseful eyes and contrite ears made my anger dissolve. I wondered why I loved this troublesome dog so very much. It struck me that God loves me even though I am even naughtier and more culpable than a dog getting into the

trash. When I was eight years old, my Sunday School teacher told me that God loved me. Showing me a picture of Jesus knocking at a door in a garden, she explained that Jesus was knocking on the door of my heart. She told me that Jesus was too polite to force His way in, but if I wanted to, I could invite Him in. I prayed and asked Him to come in. Even though I was and am not worthy of His extravagant love, He loves me. Even when I neglect Him and disobey Him, His love for me never fails. My love for Polyester, even though it is an imperfect example, reminds me of God's love for me. MASTER, THE ONE YOU LOVE IS ILL - EAMONN P. BOURKE 2021

*Learning to Love the Master* - Patricia a Cepin  
2017-07-23

Often mature Christians feel inadequate to mentor younger believers. This book guides you on a journey to discover what you have seen and heard on your pilgrimage with God, strengthen
