[Sex Ed](#) - Ruby Rare 2022-01-06

Written by sex educator and body-positivity advocate Ruby Rare, Sex Ed is the practical and fun guide to sex that you've always wanted - but never known how to ask for. This is the information you should have been taught at school: a no-holds-barred roadmap that covers

everything from how the brain is the most important sex organ and how to communicate what you want to yourself and a partner, all the way down to the messy stuff - solo sex, orgasms, touching, kissing, blow jobs, cunnilingus, anal play, lube, toys, kegels. After all, sex education shouldn't start and end with putting a condom on a banana.

A comprehensive and instructional guide to the new sexual landscape, covering "new territories" such as bondage, role playing, and sex toys that would make your parents blush. Since the publication of The Joy of Sex in 1972, the sexual landscape's boundaries have been expanded to include a host of practices that are unthinkable in that classic tome. Although it also covers the basics, The Boudoir Bible fills those niches missing from other sex guides nicely, with full, elaborated chapters on rope bondage, restraints of sound and sight, erotic flagellation, and the stimulation of new erogenous zones, among

innumerable other offerings. Well-researched, The Boudoir Bible is written from a joyful, sex-positive point of view. Going beyond the "lovemaking" of older guides, this witty and uninhibited tome expands the sexual act to encompass "verboten" topics, with chapters entitled "The Genital Gym," "Nipple Tease," "Male Ejaculation Control," and "The Anthems of Anal Sex." Illustrated by the renowned artist François Berthoud, whose provocative creations have graced both Prada campaigns and museum exhibitions, The Boudoir Bible provides a fresh view of sexuality in the twenty-first century.

Instruction - T. W. Shannon 2015-02-09

This is an early 20th century work written in America that means to help parents teach young adults about how to navigate sex and growing up. From the preface: "The purpose of this book is not only to enable parents, teachers and all

matured people, to inform themselves more fully concerning the vital facts of life, but it furnishes a specific guide to all parents, who would know how to tell their children the sacred story of life, and counsel intelligently with their sons and daughters at the ages of greatest danger and give them clean, concise and scientific sex instruction with a view to safeguarding them against the demoralizing half truths of vicious or ignorant schoolmates, servants or companions; and to all others of sufficient age, who have an opportunity for service to innocent and helpless children, who would have a wise word at the right time; and to the young man and young woman, married or single, who would avoid the pit-falls lying in the pathway of those ignorant of God's sacred laws of nature; and to all mankind who seek to make the world better by more intelligent and better living."
