*It's Perfectly Normal* - Robie H. Harris 2004

Introduces human sexuality, describes the changes brought about by puberty, and discusses sexual abuse, sexually transmitted diseases, AIDS, and pregnancy.

**It's Not the Stork!** - Robie H. Harris 2011-08-09

From the expert team behind IT'S PERFECTLY NORMAL and IT'S SO AMAZING! comes a book for younger children about their bodies — a

resource that parents, teachers, librarians, health care providers, and clergy can use with ease and confidence. Young children are curious about almost everything, especially their bodies. And young children are not afraid to ask questions. What makes me a girl? What makes me a boy? Why are some parts of girls' and boys' bodies the same and why are some parts different? How was I made? Where do babies come from? Is it true that a stork brings babies to mommies and daddies? IT'S NOT THE STORK! helps answer these endless and perfectly normal questions that preschool, kindergarten, and early elementary school children ask about

how they began. Through lively, comfortable language and sensitive, engaging artwork, Robie H. Harris and Michael Emberley address readers in a reassuring way, mindful of a child's healthy desire for straightforward information. Two irresistible cartoon characters, a curious bird and a squeamish bee, provide comic relief and give voice to the full range of emotions and reactions children may experience while learning about their amazing bodies. Vetted and approved by science, health, and child development experts, the information is up-to-date, age-appropriate, and scientifically accurate, and always aimed at helping kids feel proud, knowledgeable, and comfortable about their own bodies, about how they were born, and about the family they are part of.

**Talk to Me First** - Deborah Roffman 2012-07-31

We live in a time when kids of all ages are bombarded with age-sensitive material wherever they turn; "sexting" and bullying are on the rise at an increasingly younger age, and teen moms are "celebrified." What is a concerned -- and embarrassed -- parent to do? With wit, wisdom, and savvy, Deborah Roffman translates her experiences gleaned from decades of teaching kids and parents, and as a mom, into strategies to help parents navigate this tricky terrain. *Talk to Me First* is for any parent who wants to become and remain the most credible and influential resource about sexuality in their children's lives.

[Let's Talk about Sex](#) - Robie H. Harris 2021

**Girls Growing Up on the Autism Spectrum** - Shana Nichols 2009-01-15

'This book is not only reassuring; it is inspiring, and bursting with ideas and achievable strategies. The authors write with authority and conviction, and tackle even the most difficult and delicate of topics. If ever you needed to be convinced that girls with ASD can overcome the difficulties and challenges of puberty and adolescence, have successful friendships and relationships and enjoy a healthy sexuality, then take the time to read this book - it is a must-have for families, teachers and therapists alike.' -Sarah Attwood, author of *Making Sense of Sex: A Forthright Guide to Puberty, Sex and Relationships for People with Asperger's Syndrome* Growing up isn't easy, and the trials and tribulations of being a teenager can be particularly confusing for girls with Autism Spectrum Disorders (ASDs). This book covers all the concerns commonly faced by girls with ASDs and their parents, from periods and puberty to worries over friendships and 'fitting in'. Taking a good look at these adolescent issues, and many more, within the context of specific areas of difficulty for girls with ASDs, the authors provide families with the knowledge and advice they need to help their daughters - and the whole family - through the teenage years. This book addresses core issues such as cognition, communication, behavior, sensory sensitivities, and social difficulties; it gives candid and realistic advice on a wide range of important teenage topics. Providing professional perspectives alongside personal experiences from mothers, daughters and educators, this is a unique and indispensable guide for families and their daughters with ASDs, as well as the teachers and professionals who work with them.

*It's Perfectly Normal* - Robie H. Harris 2021-05-18

Fully and fearlessly updated, this vital new edition of the acclaimed book on sex, sexuality, bodies, and puberty deserves a spot in every family's library. With more than 1.5 million copies in print, *It's Perfectly Normal* has been a trusted resource on sexuality for more than twenty-five years. Rigorously vetted by experts, this is the most ambitiously updated edition yet, featuring to-the-minute information and language accompanied by new and refreshed art. Updates include: \* A shift to gender-neutral vocabulary throughout \* An expansion on LGBTQIA topics, gender identity, sex, and sexuality—making this a sexual health book for all readers \* Coverage of recent advances in methods of sexual safety and contraception with corresponding illustrations \* A revised section on abortion, including developments in the shifting politics and legislation as well as an accurate, honest overview \* A sensitive and detailed expansion on the topics of sexual abuse, the importance of consent, and destigmatizing HIV/AIDS \* A modern understanding of social media and the internet that tackles rapidly changing technology to highlight its benefits and pitfalls and ways to stay safe online Inclusive and accessible, this newest edition of *It's Perfectly Normal* provides young people with the knowledge and vocabulary they need to understand their bodies, relationships, and identities in order to make responsible decisions and stay healthy.

**The Boys' Guide to Growing Up** - Phil Wilkinson 2017-07-13

A friendly, reassuring positive guide for boys as they approach puberty, explaining the changes that will happen to their bodies as they grow up

and how these changes might make them feel. Covering everything from body hair and vocal changes to mood swings and self-esteem, puberty and parenting expert Phil Wilkinson addresses any worries that boys might have relating to what is 'normal'. He reassures readers and boosts their confidence, encouraging them to feel positive about the changes they will experience as they go through puberty. The book also includes lifestyle advice on topics like healthy eating and exercise, as well as information on how puberty affects girls. Topics covered: What is puberty? Your puberty timeline How do hormones work? The height and weight race A deeper voice Spotty skin Hair, hair, everywhere The art of shaving Sweat, smells and personal hygiene Changes down below More changes down below New feelings Sex explained Making babies Keeping your confidence up Mood swings Managing your feelings Healthy eating The power of exercise Privacy and your body Puberty for girls Girls have worries, too

**The Girls' Guide to Growing Up** - Anita Naik 2017-07-13

A friendly, reassuring and positive guide for girls as they approach puberty, explaining the changes that will happen to their bodies as they grow up and how these changes might make them feel. Covering everything from periods and breast development to body hair and personal hygiene, puberty and parenting expert Anita Naik addresses any worries that girls may have relating to what is 'normal'. She reassures readers and boosts their confidence, encouraging them to feel positive about the changes they will experience as they go through puberty. The book also includes lifestyle advice on topics like healthy eating and exercise, and information on how puberty affects boys. Topics covered: What is puberty? Your puberty timeline Breasts and bras Same age, different stage Skin changes Sweat, smells and personal hygiene Hair in new places Down there What are periods? The practical side of periods Coping with periods Sex explained Making babies New feelings Managing your moods Healthy eating The power of exercise Self-esteem and body image Privacy and your body Puberty for boys Boys have worries, too

*Who?* - Robie Harris 2018-06-05

?Who? A baby! That's you, baby, you! That's who! Who? explores the relationships babies form with the people and things they love the most. The text's repetitive verse and melodic voice will captivate babies and toddlers and draw them into the sounds and images of the book.

**It's So Amazing!** - Robie H. Harris 2014-09-09

"An outstanding book. . . . Meets the needs of those in-between or curious kids who are not ready, developmentally or emotionally, for *It's Perfectly Normal*." —Booklist (starred review) How does a baby begin? What makes a baby male or female? How is a baby born? Children have plenty of questions about reproduction and babies—and about sex and sexuality, too. *It's So Amazing!* provides the answers—with fun, accurate, comic-book-style artwork and a clear, lively text that reflects the interests of children age seven and up in how things work, while giving them a healthy understanding of their bodies. Created by the author and illustrator of *It's Perfectly Normal*, this forthright and funny book has been newly updated for its fifteenth anniversary.

*Growing up for Boys* - Alex Frith 2013-12-01

A frank and friendly book explaining puberty and how to stay happy and confident as boys go through physical, psychological and emotional changes. Covers everything boys want to find out about, including moods and feelings, what happens to girls, diet, exercise, body image, sex and relationships, contraception, sexual health, self-confidence, drink and drugs, exam stress and cyberbullying.

**Let's Talk about Sex** - Robie H. Harris 2005

Written for adolescents, this book provides frank, up-to-date and reassuring information on all aspects of growing up, puberty, sex and sexual health.

**It's Perfectly Normal** - Robie H. Harris 2016-09-22

**It's Perfectly Normal** - Robie H. Harris 1996-01-01

Introduces human sexuality, describes the changes brought about by puberty, and discusses sexual abuse, sexually transmitted diseases, AIDS, and pregnancy.

[Sex, Puberty and All that Stuff](#) - Jacqui Bailey 2005-07-01

This friendly book talks to teens in their own language, discussing such issues as puberty, coping with controlling parents, menstruation, dating and sexual activity, contraception, pregnancy, and more. Illustrations.

**It's Perfectly Normal** - Robie H. Harris 2004-07

For use in schools and libraries only. Introduces human sexuality, describes the changes brought about by puberty, and discusses sexual abuse, sexually transmitted diseases, AIDS, and pregnancy.

**It is Perfectly Normal** - Robie H. Harris 2009

Introduces human sexuality, describes the changes brought about by puberty, and discusses sexual abuse, sexually transmitted diseases, AIDS, and pregnancy.

**Let's Talk about Sex** - Robie H. Harris 1994

Let's Talk About Sex gives the facts - both biological and psychological about sex - from conception and puberty to birth control and AIDS, including sections on the body, families and babies, and sexual health. The book's serious and educational matter is presented in a readable form, with cartoon illustrations and the speech-bubble comments of two characters, a curious bird and a squeamish bee, which reflect the diverse feelings children have about sex. The book aims to provide honest and

lucid answers to the questions that children really ask.
