2015-03-26

Read the complete Naughty Interracial BMW Fantasies Series, including all four stories: In a Dark Alley with a Black Stranger One of my deepest fantasies is to be taken by a handsome black stranger in a dark alley. The night I share this dream with my closest friend, I meet a sexy dark-skinned guy in an empty bus... When I saw his eyes on me, I felt uneasy. Fantasies are just fantasies, right? They weren't supposed to come true. But when he approached me and slid his big hand underneath my dress, I knew it was the night of letting go of my inhibitions... Taking It Black in the Classroom Tyrone is my twenty-one-year old handsome black student. I'm his thirty-six-year old blond professor. And I can't stop thinking about having sex with him... When Tyrone taunted me in front of the whole classroom, it always made me both infuriated and wet. One time, he stayed in the classroom after the rest of the students had gone home. He gave me a hard lesson I would never forget... Having It Rough with My Black Coach When I joined the gym, I knew muscular dark-skinned Derrick had to be my coach. The only question was how to make him show me the proper way to rock my hips on his body... It took many weeks to finally stay with Derrick alone at the gym. When the last person left the building, I knew I had to act quickly. My little plan worked and my fantasies became reality. The way he took care of me in the shower, the locker room and the gym rocked my world... Massaged by a Naughty Black Masseur My best friend gave me a voucher to Blissful Times, a controversial women-only spa where the only employees are half-naked hot men. One of them gave me a massage I would never forget... When I entered the massage studio and saw dark-skinned muscular Deon, I was smitten. He had a smooth wide chest, bulging biceps and sharp facial features that screamed manliness. As the massage progressed, I grew more and more

aroused. Little did I know he was getting harder and harder, too... How would you like to read this story? Ass Deep in Midterm Stress (My Backdoor Wishes I'd Studied More) A Rough First Anal Sex Erotica Story by Hope Parsons I was a straight A student for fuck's sake! How the hell did I end up so damned out of it when it came to a simple midterm? I did though, and that meant I had to find a way to take care of things that didn't involve books. How was I supposed to know the professor's price would be my tiny untouched ass? Maybe if I hit the books as hard as he hit my backdoor I wouldn't find myself in this position, the bent over position! That's just one of the tales of beautiful backsides bent over for backdoor blasting in this sexy collection. Click now and it can be on your Kindle device in almost no time at all! Warning: This ebook contains very explicit descriptions of sexual activity and includes rough sex, group sex, first anal sex, and more. Only mature adults who won't find that offensive should read this collection. Here are the other tails: (Yes, we spelled it that way on purpose.) 2. Making Up with My Fiancé (And Giving Him My Ass for Forgiveness) A Very Rough First Anal Sex Erotica Story by Jeanna Yung She'd been tempted and did a horrible thing. She'd cheated on my fiancé. Of course he was hurt, and she thought she'd lost everything. The worst part about it was that they'd decided to wait until their marriage, so she hadn't even slept with him yet! She was willing to do whatever it took, and

in this case her fiancé wanted her ass. A very rough spanking and very rough first anal sex later, she's learned her lesson... that she loves rough sex! 3. Paying Off Back Rent (When Anton Took My Ass) A Rough Interracial First Anal Sex Erotica Story by Lisa Vickers I felt silly and really ashamed. I wasn't a child anymore and I shouldn't have gotten myself in this situation! My rotten ex-roommate disappeared and I found out we owed more than two thousand dollars in back rent! I couldn't get evicted so I offered the landlord my body. It was scary because he was a giant of a man and I'm so damned tiny. The fear I felt was nothing, though, compared to the terror that hit me when I realized he was after my backdoor! 4. The Backdoor Camping Trip (When My Boyfriend Took My Ass) A First Anal Sex in Public Erotica Story by Connie Hastings We liked to fool around, Denny and me. Still, having sex right in the middle of a tent full of people during the camping trip was one of the most adventurous things we'd ever done. I kept thinking someone would look over and see us in the sleeping bag. It thrilled me to no end to think it would be so easy for someone to catch us. Hell, we were having sex in public! Then, Denny did something I absolutely didn't expect...he decided that as long as we were in the backwoods he ought to take my backdoor. 5. When My Client Bent Me Over (My Spontaneous Backdoor Initiation) A First Anal Sex Erotica Story by Carolyne Cox Okay. It was my own fault. I know that. When he walked into my office I was immediately struck by how attractive he was and didn't think. I just kissed him. Before I knew it, we were having a hot and sexy time in my office but I never expected him to go after my tiniest and tightest hole! He did, though. Before I knew it I was right in the middle of my first anal sex experience, and it was rough as hell!

This book is a comparative history devoted to the revolutionary tradition in the West as it evolved over many centuries and reached its logical, though extreme, culmination in the Communist revolutions of the twentieth century. Unique in the breadth of its scope, "History's Locomotives" is also unique in its interpretation of the origins

and history of socialism as well as the meanings of the Russian Revolution, the rise of the Soviet regime, and the ultimate collapse of the Soviet Union. The masterwork of a historian in whom a fine sense of historical particularity never interfered with the ability to see the large picture, this book explores religious conflicts in fifteenth- and sixteenth-century Europe, the revolutions in England, America, and France, and the twentieth-century Russian explosions into revolution. Malia finds that twentieth-century revolutions have deep roots in European history and that revolutionary thought and action underwent a process of radicalization from one great revolution to the next. He offers an original view of the phenomenon of revolution and a fascinating assessment of its power as a driving force in history.

Tinder Sex Stories - Swipe Me Hard 2019-06-28

More than 500 matches. More than 100 dates. About 50 kisses and 30 sex experiences. 22 of them were really kinky and unusual, and have made it into this book. Tinder stories as never told before, with all the intimate details. A blowjob on the first date. Sex in public places. BDSM. Interracial sex. Sex during the period. Anal sex. Unusual orgasms. MILFs. Nymphos. This book has them all! And they are NOT made-up stories or fantasies. Everything happened JUST as it's described! This was basically my life during the past 2 years. It was totally dedicated to the Tinder app. Countless hours of chatting, hundreds of flirts, hundreds of nude pics and lots of dirty talking and sexting that never became a reality. But also lots of dates, lots of experiences, both good and bad sex, dreams and fantasies that came true, but also lots of disappointments. A lot of wasted time, but also some great memories. A lot of knowledge and new information about the nature of women. Among the chapters you will find: -The Nympho-She Loved The Suck Cock-The Exorcism-So Many Orgasms-The Belgian MILF-

So Much Blood-The 35 Years-Old Virgin-5 Fuck Buddies-The Set of Toys-And many moreI'll start this book by presenting some of the most interesting experiences I've had, and for obvious reasons all the names are fictional. Besides that, everything is written EXACTLY as it happened. Then, I'll present some of the bad experiences too. I'll end up by saying a few general things about the Tinder app, about how its algorithm works and about how different the experience is for men and women. In this app the girls have the power.

When his cock came free, I gasped because it was far bigger than I thought it would be, and far bigger than any I had been with before. I opened my mouth and I began to lick the tip. I ran my lips and tongue up and down the shaft not taking him inside of me but letting my tongue move all around him while he groaned. As I moved, I brought my hand up to his balls and cupped them gently. Finally, I licked my way up to the top, opened wide, and pushed down on him. I couldn't get all the way down on my first go. I sucked my way back up, flicked the tip, and began running my tongue up and down again. He moaned and rubbed my shoulders as I pretended his dick was some kind of a popsicle I had to keep licking before all of it dripped away. I
