Capone - Abigail Drake 2021-09-29
Pride, prejudice, and a puppy! A romantic comedy from a Labrador's perspective. Capone, the newly acquired puppy of Miss Josephine St. Clair, owner of Bartleby's Books, is a literature loving Labrador. Obsessed with Jane Austen, and cursed with a terrible name, Capone hopes to change his doggie karma and prove he's just as much a gentleman as the heroes in his favorite books, by finding the perfect Mr. Darcy for the lonely and bookishly adorable Miss Josie. Unfortunately, the only men Miss Josie seems to encounter aren't Darcys at all. They're Wickhams, Churchills, and Willoughbys. Even worse, there is trouble afoot. Someone has been sabotaging Miss Josie's business, and all signs point to her evil ex. Can Capone find a way to save Bartleby's Books, help Miss Josie find her true love, and earn, at long last, a name befitting a true gentleman? ***Honorable Mention, Writer's Digest Self-Published E-book Awards, 2019. Winner of the Stiletto Contest, 2020***

Better Than Sex - Theresa Cheung 2005-03-25
Chocoholics rejoice! This little book is dedicated to the 15 out of every 10 of us who love chocolate. Theresa Cheung, one of the 15, was left wondering after a recent episode of utter cocoa indulgence, "What if I could devour life with the same commitment and passion with which I devour chocolate?" After much thought and a good deal of taste-testing, this guide to a richer life was born. Follow Cheung's seven silky

smooth chocolate principles and your life will never be the same: Discover the Sweet CenterLet It Melt in Your MouthChocolate Makes You Feel GoodNo Need to Eat the Whole BoxA Little Good Chocolate Goes a Long WayPass the Chocolate (hint, hint: share the joy, spread the wealth, give a little). All combined they lead up to the ultimate seventh principle "Chocolate Heaven" which offers permanent ways to help you lift yourself up and lead a happy life. But hey, you can't get to the seventh without devouring the first six servings, um, principles. Along the way, Cheung offers up recipes, stories, and trivia -- all about chocolate and improving your life. Did you know that dark chocolate fans tend to be forward thinking and optimistic? Or that the melting point of chocolate is just below our normal temperature, which is why it melts in our mouth? Or that Casanova drank chocolate daily and declared it the elixir of love? Embrace your love of chocolate and while you're at it, grab a bar (or

I Love Chocolate - Allaan Allaanson 2008-03-11
I love chocolate! How it all started? This book was originally Rachel's homework assignment. She had just jumped into the car relating all the events of the day and how well she had done, and oh yes! She had to write a poem for homework. Meanwhile Abigail who was in a world of her own couldn't remember what she had learnt at school; except that sometime next week would be national Chocolate day. Stephen who never needed much encouragement when it came to filling his face, started to chant; I love chocolate, I love chocolate! "Quick!" Dad excitedly yelled. "He's started a rhyme, think of something else"
By the time we all arrived home Rachel had finished her poem for homework. In time it became this book. We hope you enjoy reading it as much as we enjoyed writing it.

In the Age of Love and Chocolate - Gabrielle Zevin 2014-07-31

The first two books in this heart-stopping trilogy

by Gabrielle Zevin, *All These Things I've Done* and *Because It Is My Blood*, introduced us to timeless heroine Anya Balanchine, a plucky sixteen-year-old having to deal with the problems and responsibilities of a grown woman. Losing her mafia-boss father, her mother and then her grandmother, and being responsible for her sister and brother - not to mention a prison stay for a crime she didn't commit - have taught Anya a lot about life. Now eighteen, Anya finds that against all odds the nightclub that she opened with her old nemesis, Charles Delacroix, is a huge success and she is on her way to shedding the constraints of her family's criminal past and finding a way to legalize the supplying of chocolate. But Anya has lost Win - the love of her life - as a result of her partnership with his father, Charles. In typical fashion Anya puts the loss of Win behind her, focusing instead on expanding her business. But soon a terrible misjudgement leaves her fighting for her life and for the first time Anya is forced to let people

Men Love Chocolates But They Don't Say - Mildred Kiconco Barya 2002

The work is divided into sections entitled: 'Poems of Challenge'; 'Poems of Sunshine and Loneliness'; 'Poems of Loss and Contradiction'; and 'Poems of Release'. The title poem is a humorous contemplation on the dual-natured personality of man, on the one hand, the masculine identity he presents to his friends; and on the other, his softer side which endears him to women. The author has also contributed short stories to Femrite anthologies and is currently working on

a novel.
