For the Love of God (Vol. 1, Trade Paperback) -

D. A. Carson 2006-07-10

In a world that views absolute truth, right and wrong, and salvation as being subject to individual interpretation, the Bible's unwavering proclamations and miraculous stories seem obsolete in modern times. But it is not God's Word that has changed. Indeed, its relevancy and its power to transform lives are intact. What has changed is the number of people who consult it. Now more than ever the need to read the Bible, to understand the big picture of its storyline, and to grasp the relevance this has for your life is critical. As with its companion volume, *For the Love of God-Volume 2*, this devotional contains a systematic 365-day plan, based on the M'Cheyne Bible-reading schedule, that will in the course of a year guide you through the New Testament and Psalms twice and the rest of the Old Testament once. In an effort to help preserve biblical thinking and living, D. A. Carson has also written thought-provoking comments and reflections regarding each day's scriptural passages. And, most uniquely, he offers you perspective that places each reading into the larger framework of history and God's eternal plan to deepen your understanding of his sovereignty-and the unity and power of his Word.

LOVE MY PEOPLE Timeless Secrets Volume 1 - Drs Jay & Meridel Rawlings

For the Love of God, Volume 1 - Don Carson 2013-04-23

"Oh, how I love your law. Your statutes are my heritage for ever; they are the joy of my heart ..." Psalm 119:97 - 111 "At their best," writes Don Carson, "Christians have saturated themselves in the Word of God." The means by which God sanctifies men and women, setting them apart as his own people, is the Word of truth. Many people, however, would admit that they have allowed the pressures of life to crowd out serious and thoughtful reading of the Bible. Also, in a culture that has moved away from a Christian worldview, the Bible's unwavering proclamations and fantastic stories seem ever stranger. The big picture of the Bible is gradually fading from view. For the Love of God encourages us to face these challenges. Now, more than ever, the need to read the Bible and to grasp its relevance for our lives is critical.

This companion volume to 'For the Love of God - Vol. 1', follows Robert Murray M'Cheyne's Bible-reading plan, taking you through the New Testament and Psalms twice and the Old Testament once. passages. And, most uniquely, he offers a perspective that places each reading into the larger framework of history and God's eternal plan, in order to deepen our understanding of his sovereignty and the unity and power of his Word.
