**Transcendence and Negation** Moti Lal Pandit 1999 Description: The Buddha, upon the attainment of enlightenment, found out that the conditioned existence, whatever be its form or state, is basically and inherently characterized by pain. The conditioned existence is painful on account of it being insubstantial and impermanent and also due to it being subject to constant becoming. As life in the world is painful, so it is necessary to find out such a treatment by the application of which suffering as such could be transcended. The basic thrust of the Dharma of the Buddha, thus, is not to realize the telos of life in and through the world; rather it is to go beyond that which is given. It is the negation or transcendence of the given that the ultimate goal is reached, which is termed as nirvana or the extinction of suffering. Since it is not possible for every individual to reach this ultimate goal of nirvana, so Buddhism, particularly in its Mahayana version, devised a practical scheme in terms of which a Bodhisattva, seen as the embodiment of compassion, could come to the rescue of those who sought his help. As a religious idea, the compassion of a Bodhisattva for sentient beings became the basis of Buddhist spirituality, which meant that no more would one seek self-salvation unless each creature attained to the state of freedom from becoming. It is towards the salvation of others that a Bodhisattva works for, and not for his own salvation. The question that arises is this: Is this selfless compassion equivalent to the Christian charity which the Word, upon becoming flesh, expressed upon the Cross at Calvary? As Buddhism believes neither in the existence of a loving and living God nor in a substantial self, so the compassion of a Bodhisattva cannot be accorded with any ontic reality. As and when a Buddhist speaks of compassion, he treats it merely as an expedient means. In contrast with this Buddhist concept of compassion as an expedient means, Christianity treats love both as a means and as a goal of life. Moreover, love is seen as the very nature of God. As love has its source in God, so we are asked to love our neighbour as we love ourselves, and this love found its ultimate expression when offered himself as a victim upon the Cross for the remission of sins of mankind. What it amounts to saying is this: Christian idea of love radically differs from that of Buddhist compassion. It is this theme of love versus compassion that constitute the heart of the book.

**Dharma ; Or, Three Phases of Love. [A Novel.]** E. Paulet 1865

**Ramayana** Krishna Dharma 2020-08-18 Despite its popularity in Eastern cultures, and though Eastern and Western scholars alike recognize it as a literary masterpiece, the Ramayana is unknown to most in the West. This edition gives English-speaking readers the best opportunity yet to discover and enjoy this ancient classic. The Ramayana, perhaps the world's oldest literature, is both a spellbinding adventure and a work of profound philosophy, offering answers to life's deepest questions. It tells of another time when gods and heroes walked among us, facing supernatural forces of evil and receiving guidance from powerful mystics and sages. Revered throughout the ages for its moral and spiritual wisdom, the beautiful and uplifting tale of romance and high adventure recounts the odyssey of Rama, a great king of ancient India. Rama, along with his virtuous, courageous wife Sita and faithful brother Lakshmana, is exiled to the forest for fourteen years. There, Sita is abducted by the powerful demon Ravana. With his brother and a fantastic army of supernatural creatures, Rama embarks on a perilous quest to find his beloved Sita.

**Love's Garden** Peggy Rowe-Ward 2008-05-10 A collection of real-life Buddhist love stories, with commentary and guided exercises for couples developed by Peggy Rowe-Ward and Larry Ward, senior students and ordained Dharma teachers in the tradition of Zen Master Thich Nhat Hanh. These personal stories, from couples of a range of different ages and experiences, illustrate how Buddhist principles can help couples navigate any stage of their relationship. It took the authors some good living and good loving before they realized that the love that they were seeking was already present and available in the depths of their hearts and mind. Love does not depend on anything that is happening "Out There" and is not dependent on anything "he" or "she" might do. It depends on our own willingness to look within and to act. This insight is a result of practicing the teachings of the Buddha on right diligence and right effort. The authors have been studying and practicing with Zen master Thich Nhat Hanh and they are happy to report that the practices work. In "The practice is not difficult. We simply need to get in touch with and nourish the practices that are helping us to experience peace. And then we need to stop doing the things that keep us from experiencing peace." Larry Ward Foreword by Thich Nhat Hanh

**The Path to Eternal Truth** Manjula Sudhindra Rao 2018-06-22 The Path to Eternal Truth presents the Shankaracharyas principles of Sanatana Dharma, the eternal law, which has no beginning and no end. By following his teachings, we can bring abundance into our lives and spread love, joy, and happiness. And by following his path, we can achieve the ultimate goal in this life itself and fulfil the only desire that can be fulfilled, which is to find the Lord and merge with him. Translator Manjula Sudhindra Rao faithfully offers these teachings in English for seekers and travellers on the direct path to self-realisation. His Highness writes, It is a universal principal that every human being is in the search for peace, for the easy attainment of his goals. From the beginning of life, to the end, this quest continues. Love, joy, abundance, and happiness can be achieved by everyone by following the path of Sanatana Dharma, which is about living a fulfilling and more invigorating lifestyle of righteousness.

**In Defense of Dharma** Tessa J. Bartholomeusz 2005-07-26 This is the first book to examine war and violence in Sri Lanka through the lens of cross-cultural studies on just-war tradition and theory. In a study that is textual, historical and anthropological, it is argued that the ongoing Sinhala-Tamil conflict is in actual practice often justified by a resort to religious stories that allow for war when Buddhism is in peril. Though Buddhism is commonly assumed to be a religion that never allows for war, this study suggests otherwise, thereby bringing Buddhism into the ethical dialogue on religion and war. Without a realistic consideration of just-war thinking in contemporary Sri Lanka, it will remain impossible to understand the power of religion there to create both peace and war.

**The Story of Rama** Narendra K. Sinha In this book, the story of Rama has been told explicably and vividly in fictional style. It is a mythological novel written in autobiographical mode. The primary source of inspiration has been the Ramayana of Valmiki composed in Sanskrit in the 5th century BC, which goes into twenty-four thousand couplets in the present form. Having been transformed from epic poetry into fictional prose, the novel, written in a simple lucid style, provides an exhaustive account of the great epic character, in his own words. Rama is unquestionably one of the tallest figures in Indian history and culture while Sita represents the best of Indian womanhood. Both of them are, traditionally, treated as incarnations. And yet, the whole story has been presented rationally, from characterization to accounts of events, with a human perspective that can be of interest to a

modern reader anywhere.

**Radical Dharma** Rev. angel Kyodo williams 2016-06-14 Igniting a long-overdue dialogue about how the legacy of racial injustice and white supremacy plays out in society at large and Buddhist communities in particular, this urgent call to action outlines a new dharma that takes into account the ways that racism and privilege prevent our collective awakening. The authors traveled around the country to spark an open conversation that brings together the Black prophetic tradition and the wisdom of the Dharma. Bridging the world of spirit and activism, they urge a compassionate response to the systemic, state-sanctioned violence and oppression that has persisted against black people since the slave era. With national attention focused on the recent killings of unarmed black citizens and the response of the Black-centered liberation groups such as Black Lives Matter, *Radical Dharma* demonstrates how social transformation and personal, spiritual liberation must be articulated and inextricably linked. Rev. angel Kyodo williams, Lama Rod Owens, and Jasmine Syedullah represent a new voice in American Buddhism. Offering their own histories and experiences as illustrations of the types of challenges facing dharma practitioners and teachers who are different from those of the past five decades, they ask how teachings that transcend color, class, and caste are hindered by discrimination and the dynamics of power, shame, and ignorance. Their illuminating argument goes beyond a demand for the equality and inclusion of diverse populations to advancing a new dharma that deconstructs rather than amplifies systems of suffering and prepares us to weigh the shortcomings not only of our own minds but also of our communities. They forge a path toward reconciliation and self-liberation that rests on radical honesty, a common ground where we can drop our need for perfection and propriety and speak as souls. In a society where profit rules, people's value is determined by the color of their skin, and many voices—including queer voices—are silenced, *Radical Dharma* recasts the concepts of engaged spirituality, social transformation, inclusiveness, and healing.

**Who Am I?** Dharma Grace 2018-07-17 Without my most difficult times, I could not have reached so far to know who I really am. Through a poetic retelling of true events, *Dharma Grace* leads others through her own healing journey. She illustrates how the sense of self can become damaged through early negative experiences and then, through introspective reflection, ultimately restores itself and turns love inward to embrace a fulfilling and happy life. Grace, who is a seasoned psychotherapist, lyrically explores the emotions that we feel when we carry negative beliefs about ourselves and teaches those who may feel lost or trapped within a dark world to listen to their own guidance and spirituality in order to attain a deeper understanding of who they are, despite all their challenges. *Who Am I?* shares a poignant journey of true healing that provides hope to all those on a spiritual path to loving themselves.

**Love and Rage** Lama Rod Owens 2020-06-16 A LOS ANGELES TIMES BESTSELLER In the face of systemic racism and state-sanctioned violence, how can we metabolize our anger into a force for liberation? White supremacy in the United States has long necessitated that Black rage be suppressed, repressed, or denied, often as a means of survival, a literal matter of life and death. In *Love and Rage*, Lama Rod Owens, coauthor of *Radical Dharma*, shows how this unmetabolized anger--and the grief, hurt, and transhistorical trauma beneath it--needs to be explored, respected, and fully embodied to heal from heartbreak and walk the path of liberation. This is not a book about bypassing anger to focus on happiness, or a road map for using spirituality to transform the nature of rage into something else. Instead, it is one that offers a potent vision of anger that acknowledges and honors its power as a vehicle for radical social change and enduring spiritual transformation. *Love and Rage* weaves the inimitable wisdom and lived experience of Lama Rod Owens with Buddhist philosophy, practical meditation exercises, mindfulness, tantra, pranayama, ancestor practices, energy work, and classical yoga. The result is a book that serves as both a balm and a blueprint for those seeking justice who can feel overwhelmed with anger--and yet who refuse to relent. It is a necessary text for these times.

**Cultivating the Mind of Love** Thich Nhat Hanh 2004-02-09 Korea's premier poet, the former Buddhist monk Ko Un, presents 108 Zen poems. Ko Un, who is affectionately called "the great mountain peak" by his friends, is a traveler on the Way. Throughout his eventful life as monk, poet, novelist, political dissident, husband and father, Ko Un has dashed like a galloping horse, always moving and searching. When this volume first appeared in 1997 with the title *Beyond Self*, Ko Un and the translators were not very happy with it. In addition to now receiving a title which more accurately reflects the the original Korean, the translations have been slightly revised to bring them closer to the originals. Also added were eleven original brush painting by the author. It is a joy to re-introduce Ko Un, a compassionate poet, who said that "A poet should cry many days before becoming a poet. A poet must have cried for others when he was three or four years old." The poems in this volume offer 108 glimpses of Ko Un. His poems are also 108 ways to look at ourselves. Forewords by Thich Nhat Hanh and Allen Ginsberg. 11 new brush-painting illustrations by the author.

**Love Sutra Lama** Lama Norbu 2010-05-03 Lama Norbu is a warm-hearted, open, and honest spiritual practitioner. With a stroke of Manjusri's sword he has opened his chest, revealing his heart to us and sharing his life experience. The result is this classical tale of love. He is compassionate and has unconditional love for all beings. He believes that love from the heart will always receive a response from one's surroundings. Lama Norbu, who resides in the U.S.A., hopes everyone who reads this book can examine their lives and awaken to their own "Love Sutra." "Practice at ease and happily attain Buddhahood" is Lama Norbu's simple dharma path. He wants people to put sutras aside and not to limit their lives with religious rules. As long as we are always grateful, we can practice Buddha-dharma everywhere. As Lama Norbu explains it, the word "Lama" is made up of La, "supreme" and ma, "mother," which when combined, means "Supreme Mother." His understanding of this term reinforces the emphasis on female spiritual awakening in his book, "Love Sutra Lama." He now transmits the precious tantric Shiva Garuda Dharma (otherwise known as the Phoenix-Agape Practice) around the world. The aim of this practice is to help people understand secrets of the spiritual world and to transcend the troublesome predicaments of worldly life.

**Learning True Love** Sister Chan Khong 2007-04-10 Learning True Love, the autobiography of Sister Chân Không, stands alongside the great spiritual autobiographies of our century. It tells the story of her spiritual and personal odyssey, both in her homeland and in exile. Its anecdotal style presents an intensely personal portrait of a woman with astonishing courage, offering us a perspective on the suffering of the Vietnamese people. This unique autobiography tells the gripping story of a woman who not only lived but made history, and whose life of single-minded dedication to humanity can serve as an inspiration for us all. Sister Chân Không was born in a village on the Mekong River Delta in 1938. In her teens she devoted her life to the development and practice of nonviolence grounded in the Buddhist precepts of non-killing and compassionate action. Propelled by her passionate dedication to social change, she began working in the slums of Saigon, distributing food, working with the sick, and teaching children. When she was 21 years old she met the man who until to this day remains her teacher and spiritual companion: Thich Nhat Hanh. With him she co-founded the School of Youth for Social Service in 1964, which grew to an organization of over 10,000 young people organizing medical, educational, and agricultural facilities in rural Vietnam, and rebuilding villages destroyed in the fighting. Sister Chân Không became well known in the anti-war and peace community for her work promoting human rights and protesting repression and violence, often at risk of her own life. She continues to do this work today. After the war she became one of the co-founders of Plum Village, the spiritual center, that is home to Thich Nhat Hanh's community in France, where she continues to be deeply involved in the development and vision for this unique community. In January of 2005, after nearly 40 years in exile, Sister Chân Không was able to return on a 3-month visit to Vietnam. In this fully revised edition of Learning True Love she movingly describes the return to her homeland, the reunions with many old friends and fellow activists, and shares her impression of the "new Vietnam," where Buddhists still struggle for religious freedom and the re-establishment of their own organizations. Learning True Love is a moving personal memoir, an introduction to the mindfulness teachings and life of Thich Nhat Hanh and his community in exile, an overview to the development of the European and American peace and human rights movement, and an introduction to the engaged and practical style of Vietnamese Buddhism. It documents the process that brought an end to the US Vietnam war, and gives a lively summary of Vietnamese history from 1945 to the current political, social and spiritual climate in Vietnam. Learning True Love also portraits some of the many remarkable people that shared Sister Chân Không's path. Foremost however it is the remarkable and impressive story of a very courageous woman, whose journey from an accredited biologist at the University of Paris to a Buddhist nun, gives her unique insight into life's central questions and the ability to address them in an unflinching and straightforward manner. Forewords by Thich Nhat Hanh and Maxine Hong-Kingston
