*Love Me Harder* - K. L. Hall 2018-01-11

They say that sometimes miracles come in pairs, that couldn't be further from the truth when it comes to identical twin sisters, Gemini and Winter Stephens. For years, Gemini was raised to believe that her sister died at birth. With no father, her mother was all she had until she died tragically before Gemini's 16th birthday. Gemini

was suddenly forced to raise herself, and that meant doing anything necessary to keep her fed and off the Las Vegas streets. Things changed for her when she met Kane, the notorious boss of the biggest organization of contract killers in all of the Southwest, The Underground. Although he is much older, he is also wiser and shows her that he has the city of sin in the palm of his hand. After just their first encounter, he sees something in her that he can use. He takes her under his wing, puts her through college, and trains her to be the woman she is today.

Unbeknownst to her, he's had an ulterior motive all along. Now in her mid-twenties, Gemini finds herself living a double life. To some, she's the loving fiancée to Cameron Dixon, to others she's a trained killer. Gemini's loyalty is questioned not only by Kane, but by Cameron as well when another man steps into her life, his brother, Romello. Romello Dixon is a dreadhead with a bad attitude and the spitting image of his twin brother, Cameron. He walks around with a chip

on his shoulder because he wasn't the golden child his parents made his brother out to be. As soon as he turned 16, he was emancipated and set off on his own. After years of being on the run, he finds himself back in Sin City as a former hitter with a score to settle, which couldn't have happened at a worse time. Winter, seemingly back from the dead, or so it seems, has also returned. Winter and Romello have a past that could come back to haunt them sooner than later. When tragedy ensues that rocks both of their worlds to the core, they are put in one of the hardest situations they will ever have to face. Now that their future is at stake, it makes it harder to walk away from the mistakes of their past. In the city of sin, everybody has a motive, and with all of their underground activities, these two have no time for love. After all, falling in love could knock them both off their squares. Hop on this roller coaster ride full of lies, murder, and retribution and find out what happens when love and loyalty are put on the

*Love me harder* - Sophie Reh 2020

*Love Me Harder* - Sarah Babilotte 2022-05-11  
Il est détestable... et dangereusement sexy. On dit que la première impression est toujours la bonne. Celle de Lola à l'égard de Dario était claire : c'est un connard. Le soir de son arrivée à Venise, il s'est montré exécration lorsqu'elle a demandé à dîner dans le restaurant où il est serveur. Pourtant, depuis qu'elle est installée dans la ville des amoureux, et amenée à le croiser régulièrement, Lola s'inquiète de la seconde impression que Dario lui inspire : cet Italien est le connard le plus sublime qu'elle ait jamais rencontré. Son regard vert perçant, son accent suave, ses mains puissantes... Il exerce sur elle une attraction inexplicable. Et, même s'il se donne des airs de loup solitaire, Lola sent qu'elle ne le laisse pas indifférent. À elle de décider s'il est le genre de danger auquel elle souhaite se frotter... A propos de l'auteur C'est à

l'adolescence que Sarah Babilotte découvre la magie des mots. Pour cette passionnée de voyage, chaque nouvelle escapade est le moyen de trouver l'inspiration et de voir naître de nouvelles histoires. Cette amoureuse de l'amour n'a qu'un but : faire vibrer avec des romances aussi complexes que passionnées.

**Love Me Harder** - Nikki Ash 2021-02-05

From author Nikki Ash comes a new, contemporary, stand-alone romance. Live hard. Love harder. Up until this point, I've been living my life for everyone but me. Trapped under my controlling mother's expectations and rules. My only escape—a carefully guarded list of things I can only dream of doing. One by one, I slowly find the courage to start living. And that dream becomes a reality the moment my lips crash against a mysterious stranger's in a drunken attempt to check another item off my list. In a single night everything changes. I wasn't prepared for the explosion between us, or how that one kiss would change the course of my entire life. Ethan Romero is the complete opposite of everything I've ever known. He's the dark to my light. The corruption to my innocence. He's showing me that life is more than a list to be checked off. It's about living in

the moment so you don't miss the ones not on the list—the ones you didn't even know you wanted.

Meeting more than his fair share as the manager and head bartender of The Odyssey, a hot spot in the heart of New Orleans' French Quarter, Adam's comfortable with his lifestyle, and sees no reason to change it. A wife and kids, plus the white picket fence are not in the cards for this confirmed bachelor. Until a beautiful woman, and her sweet princess, literally knock him on his ass. Sarah Cox has just moved to New Orleans, having accepted a position as a social worker specializing in at-risk women and children. It's a demanding,

sometimes dangerous job, but Sarah is no shy wallflower. She can handle just about anything that comes at her, even the attentions of one sexy Adam Spencer. Just because he's charmed her daughter, making her think of magical kingdoms with happily ever after, doesn't mean that Sarah believes in fairy tales. But the more time she spends with the enchanting man, the more he begins to sway her into believing in forever. Even so, when Sarah's job becomes more dangerous than any of them bargained for, will she be ripped from Adam's life forever?

**Love Me Harder - The Breathless Series - The Final Chapter** - McKenzi Lake 2018-10-09

Was there really such a thing as starting over? I'd survived the most horrendous things life had to offer, left the nightmares of my past behind me and started a new life. At least, I thought I had. Until that day. That day I was sitting in the coffee shop. The bell chimed and pulled my attention to the man walking through the door. His dominant nature captivated me. Caught me off guard and shook me to my core. I couldn't

**LOVE ME HARDER** - Amy Ayes 2022-12-30  
An entirely brand-new, modern stand-alone romance is available from author Amy Ayes. A harsh life. more ardently. I've lived my life for everyone except myself because I'm trapped by the demands and regulations of my overbearing mother. My only means of escape is a well guarded list of things I can only hope to do. I gradually gather the guts to begin living as I go along. And in a drunken attempt to cross another thing off my list, my lips collide with those of a mysterious stranger, making that desire come true. But I wasn't ready for how just one kiss would change everything in my life. Everything shifts in a single night. The polar antithesis of everything I've ever experienced is Ethan Romero. He is my light to his darkness. The taint of my innocence He demonstrates to me that life is more than a bucket list of activities. Living in the now will prevent you from missing opportunities that aren't on your list or that you weren't even aware you desired.
