An imaginative adventure for any child hoping to make a new friend, and for when a new place doesn't yet feel like home. Elliott has just moved into a new house. He spends his days with his fictional friends, immersed in a book. When an inviting Sunday rain gathers the local kids to play in the puddles, Elliott longs to join in, but he's too shy to go outside. Soon, Elliott discovers that new friendships are like a new book—you just have to plunge into the adventure. "While a storm rages on the other side of the ship curtains at his bedroom window, Elliott buries himself in a book. A princess endlessly fights a dragon and a watercolor sea keeps 'swallowing the royal boat,' with Elliott at the helm. Later, he peeks out shyly at two puddle-jumping children on the sidewalk. 'Make some friends while I finish unpacking,' his mother urges. He joins them with a toy boat. Soon the S.S. Elliott is life-size, the puddles are an ocean and the dragon is a kite. Elliott's new house feels like home."—The New York Times Book Review, 8 Picture Books about Imagination and Identity "The imagination-fueled adventures will restore your faith in the kindness of kids"—Parents Magazine, 5 Parents-Approved Children's Books to Read Right Now "A quiet, sweet story blending common themes of moving, imagination, and friendship"—Kirkus Reviews "A gorgeous book demonstrating perfectly, with understanding and empathy, the importance of gentle encouragement to face our fears and the positive effects which result from leaping right into life and right into those glorious, rainy day puddles!"—Book Monsters "Moving may be hard, but new places can offer friendly guides to worlds of adventure, if we're brave enough to seek them out!"—Jennifer Broedel, children's author

The Girl Who Became a Tree - Joseph Coelho 2020-08

Award-winning poet and author Joseph Coelho breaks new ground with his first novel in verse. The Girl Who Became a Tree is a powerful and mesmerising exploration of grief and renewal. Daphne is unbearably sad and adrift. She feels the painful loss of her father acutely and seeks solace both in the security of her local library and the escape her phone screen provides by blocking out the world around her. As Daphne tries to make sense of what has happened she recalls memories of shared times and stories past, and in facing the darkness she finds a way back from the tangle of fear and confusion, to feel connected once more with her friends and family. The Girl Who Became a Tree sees Joseph Coelho deploy a wide variety of poetic forms with consummate skill in its narration of events. He seamlessly but searingly weaves together the attentions of the god Apollo, and a totally modern tale, mixing real-life and fantasy, in which a latter-day Daphne seeks her own freedom. This a heart-stoppingly imaginative story told in poems, at times bleak and even tragic, which is layered, rich, and ultimately a tour de force of poetic skill and energy.

anywhere? You only need to turn the pages of a story, and in a moment, you and your book could be crossing the waves in a pirate ship... or diving with mermaids... or even snoozing with a dragon. Books really DO make good pets! Why don't you peep inside this one, and take your mind on an adventure? This delightful original picture book poem is the perfect gift for anyone who delights in the magic of a good book. Agard's evocative, lyrical style is perfectly complemented with illustrations by Momoko Abe, whose colourful visuals add character, transporting the reader into an enchanting world of imagination.
