Wolf Signs - Vivian Arend 2017-04-21

The first title in New York Times bestselling author Vivian Arend's light-hearted, feel-good paranormal series. ~~~~~ Talk about getting your signals crossed... When her brother cancels their backcountry ski trip, Robyn Maxwell takes it in stride. The fact she's deaf doesn't make her survival skills any weaker, and she's been craving the chance to escape into the Yukon wilderness. Only the sexy beast of a man she bumps into at the cabin starts cravings of another kind, setting her hormones raging as well as raising strange questions about wolves, and mates, and pack challenges. All wilderness guide Keil Lynus wanted was a nice quiet retreat before challenging for the Alpha position of his Alaskan pack. He wasn't planning on meeting his destined mate, or finding out she's not aware she has the genes of a wolf. Between dealing with his accident-prone younger brother, a deaf mate with an attitude and an impending duel to the death, his week—and his bed—is suddenly full. Far from the relaxing getaway any of them had in mind... Warning: Gives a whole new meaning to the phrase "talking with your hands". Includes dangerous use of sarcasm and hot nookie in a remote wilderness sauna. ---- This NORTHERN LIGHTS EDITION is a revised and extended version of the 2009 original.

Come As You Are: Revised and Updated - Emily Nagoski 2021-03-02

A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

I Know Why the Caged Bird Sings - Maya Angelou 2009-04-21

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back

at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin
